**Prepare for Spiritual Warfare**  
Diane Simms

The signs we are seeing are clear, the instructions have been made plain. There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

2 Corinthians 10: 2-3, 2 But I beseech you, that I may not be bold when I am present with that confidence, wherewith I think to be bold against some, which think of us as if we walked according to the flesh. 3 For though we walk in the flesh, “we do not war after the flesh”:

The Spirit of GOD leads and we follow. Speak with bold confidence, knowing GOD is in Control!

2 Corinthians 10: 3-4, 3 For though we walk in the flesh, we do not “war after the flesh”:

4 (For the weapons of our warfare are not carnal, but mighty through GOD to the pulling down of strongholds;)

Disobedience has brought us here, repentance, reverence to TMH, along with the pure knowledge of GOD, bringing into captivity every thought contrary to the will of GOD is the only way we can bring down those strongholds.

One of my most favorite songs of old is “Precious Lord” in it is my daily prayer and the sentiments of My Heart, When I ask for GOD to Take My Hand and Lead Me On, that is My Sincere Expectation!!!

I hear the arguments all the time that the Word of GOD (Holy Bible) has been tampered with and changed, I don't know who those people believe GOD is but I know a GOD that may have allowed critique, may have allowed editing, but if he told any of the 40 men to write something the only thing a finite (flesh, carnal, human) man could remove would have been fluff.

The principles GOD set forth, the Spiritual foundation could not be touched!! Learn it, Study it, ask the Holy Spirit to reveal its Principles and its Truths to you. As we study & research GOD's Word we must rightly divide it as well. That means to study and interpret the Holy Bible correctly and without compromise. Dig deep in to the concepts and precepts of GOD's Word.

Always have a Concordance & Dictionary handy, reference materials and limit the use of commentaries. Commentaries are opinionated analysis of a previously published work, where as research materials are comprised of raw data, based on studies and sources used to conduct the research and support a well-informed argument.

Studying GOD's Word should not be a chore, or a cause for frustration. The Holy Spirit was sent to teach all things so let it!! Luke 12:12, "For the Holy Ghost shall teach you in the same hour what ye ought to say".

John 14:26, "But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you".

GOD's Chosen People are under attack from every direction that the adversary can use as a distraction or as a means of destruction. It is no longer safe or wise to ignore what is happening in this World, not just the USA. Apply the principles taught, get comfortable changing behaviors and attitudes towards Life.

Not many days ago I was listening to a Prophet of GOD and he said that the spirit of Leviathan is loose in the Earth! I believe it and I can see it's affects because it is using many leaders as well as Dr.'s, Scientist, Lawyers, CEO's, everyday Citizens and Laymen to create chaos, evil and deception all over the Earth. People are spreading lies and twisting the truth causing people to believe the total opposite of what they see and what is being said.

1 Corinthians 6: 9-11, 9 Know ye not that the Unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, 10 Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God. 11 And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

That same Spirit that protects you will also teach you how to walk this walk not just talk it. We no longer have time for petty dislikes, we must stand strong against the adversary, he is coming for your Soul and GOD almighty is sending warning after warning for us as a People to get right with him or perish with the unbelievers and the corrupt within our midst.

Galatians 6: 1, Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such a one in the spirit of meekness; considering thyself, lest thou also be tempted.

**Galatians 6: 6-9, 6 Let him that is taught in the word communicate unto him that teacheth in all good things. 7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. 8 For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. 9 And let us not be weary in well doing: for in due season we shall reap, if we faint not.**

**Take GOD at his Word and Trust him with Your Life. He has not broken a Promise to any Man and he will not start with you. Declare today that Psalm 46:1, God is our refuge and strength, a very present help in trouble. Psalm 55:22, Cast thy burden upon the LORD, and he shall sustain thee: he shall never suffer the righteous to be moved.**

**Psalm 56: 1-4, Be merciful unto me, O God: for man would swallow me up; he fighting daily oppresseth me. 2 Mine enemies would daily swallow me up: for they be many that fight against me, O thou most High. 3 What time I am afraid, I will trust in thee. 4 In God I will praise his Word, in God I have put my trust; I will not fear what flesh can do unto me.**

**TMH GOD sees and he knows every aspect of our lives, our thoughts, and intents of our Hearts. He knows our feelings and our actions. He cares for us, he has a plan for each one of us. GOD hears his People when they call to him for help. The hand of the Lord shall Lead You and His right hand shall hold You up!!!**

**• Have confidence in the knowledge of GOD (Yeshua JESUS)! Even though we are under attack we have strategies to overcome the evil ones. The enemy attacks us using Fear, intimidation, deception, accusations, illnesses, lies, lack of resources & disunity to betray and distract us, Stay Focused, stand on your Watch and Pray!!!**

- Know that Jesus defeated Satan on the cross**
- Remember the testimonies of GOD's people**
- Know what GOD said in His Word**
- Trust GOD alone**
- Avoid things that will drag you down spiritually, Replace lies with Truth**
- Surround yourself with Truth**
- Refocus through worship**
- Get busy, Learning, doing something for GOD's People, Kingdom Building.**
- Lean on community**
- Pray constantly**

**2 Corinthians 6: 17, Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. Read and remember Ephesians 6: 11-18, Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.**

13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. 14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;  
15 And your feet shod with the preparation of the gospel of peace; 16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. 17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God: 18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints. Don't let what you see happening cause You to forget what GOD has Said!!!!

I sincerely pray that the People of GOD realize who they are and whose they are and walk up right before him in obedience and Love!!! The Battle is already Won... Get Right Church and Let's Go Home!!!!

# What happened to in God we Trust?

Dr. C. A. Dangerfield II

It's apparent that we (man) doesn't learn from studying, because if he did, he would have effectively learned from history and would not have been played by the okey doke, yet again. In the King James Version of the Bible most commonly used:

Ecclesiastes 1:1-11 KJV

[1] The words of the Preacher, the son of David, king in Jerusalem. [2] Vanity of vanities, saith the Preacher, vanity of vanities; all is vanity. [3] What profit hath a man of all his labour which he taketh under the sun? [4] One generation passeth away, and another generation cometh: but the earth abideth forever. [5] The sun also ariseth, and the sun goeth down, and hasteth to his place where he arose. [6] The wind goeth toward the south, and turneth about unto the north; it whirleth about continually, and the wind returneth again according to his circuits. [7] All the rivers run into the sea; yet the sea is not full; unto the place from whence the rivers come, thither they return again. [8] All things are full of labour; man cannot utter it: the eye is not satisfied with seeing, nor the ear filled with hearing. [9] The thing that hath been, it is that which shall be and that which is done is that which shall be done: and there is no new thing under the sun. [10] Is there anything whereof it may be said, See, this is new? it hath been already of old time, which was before us. [11] There is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after.

Have we not read or studied these passages of scripture if so where is our comprehension of that which we say has been read and studied. Maybe we need a more concise version of the Word of God. Let's look at the Hebrew version of the same passage of scripture since the version we have supposedly doesn't make sense to us and we lose something in translation.

Kohelet (Ecc) 1:1-11 CJB

[1] The words of Kohelet the son of David, king in Yerushalayim: [2] Pointless! Pointless! — says Kohelet — Utterly meaningless! Nothing matters! [3] What does a person gain from all his labor at which he toils under the sun? [4] Generations come, generations go, but the earth remains forever. [5] The sun rises, the sun sets; then it speeds to its place and rises there. [6] The wind blows south, then it turns north; the wind blows all around and keeps returning to its rounds. [7] All the rivers flow to the

flowing. [8] Everything is wearisome, more than one can express; the eye is not satisfied with seeing, the ear not filled up with hearing. [9] What has been is what will be, what has been done is what will be done, and there is nothing new under the sun. [10] Is there something of which it is said, "See, this is new"? It existed already in the ages before us. [11] No one remembers the people of long ago; and those to come will not be remembered by those who come after them.

Perhaps this version of the same passages of scriptures may have stirred up a hint of understanding.

1 Peter 4:12 KJV

[12] Beloved, think it not strange concerning the fiery trial, which is to try you, as though some strange thing happened unto you:

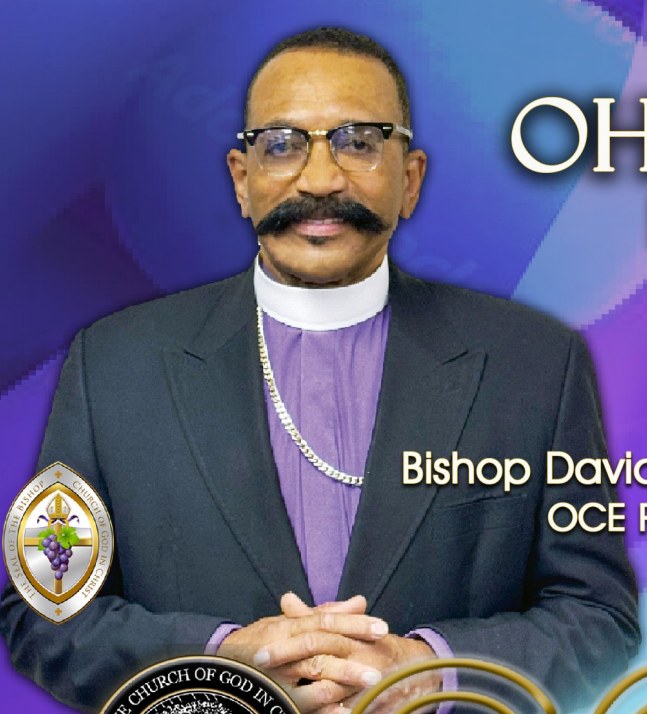

We are finding ourselves now as a nation within these fiery trials, due to a lack of studying therefore we lack comprehension, and we get deceived and played due to ignorance of the truth. So, we believe the lie dressed up to look like truth, because of a crafty play on words, just like in the Garden of Eden. It cost them then and it's costing the world now yet again. Why? Because we (man) have failed miserably to study in order to comprehend. Going through the motion of saying we are studying by putting in an hour or two to weekly church or family Bible. Is just an exercise without results and is proven every time we dismantle God's blessings by going in reverse to His principles because we lack understanding and clearly don't recognize the rewards of following His mandate. And we learn yet again that the grass is not greener on the other side as you have been led to believe. Which brings up another question about our communication with God, are when really in relationship with Him and why would we listen to mere man over what God has prescribed for us. We keep cheating on God with men who lead us astray and bring with them oppression, hatred, and hardship for our disobedience. Man is not even keen on his constant repeated history because he doesn't pay attention to the details and keeps doing insane things. Even the so-called Haves will repeat the same fate as that of the rich man, received who was arrogant against Lazarus when he died. But then it was too late for him.

The remedy to all of this is to REPENT first, Trust God, pray and study as instructed and if we follow the commandments Yeshua (Jesus) spoke to His Disciples we are back on the path once again to greater Grace and more Mercy. If we ignore this opportunity, we will destroy ourselves and face death. Choose ye this day whom ye will serve will it be God or man. You have to make your choice and that is an individual choice. What do you say?

In 2020 at the onset of the COVID pandemic. I was looking around my home hoping to find some untapped sources of revenue that would guide me through the economic shift that had occurred as the result of the global shut down. The bills still needed to be paid, and brutha' still needed to eat. It was during that time I noticed that daily while reviewing my Facebook "memories" section. I began to see all the motivational quotes I posted from the classes I taught over the past years. So, I asked myself. I said, "Self, lol! I wonder if I had enough of these quotes to put into a book. Turns out, I had enough for a book. So, after contacting a publisher, EXLIBRI, about my compositions and intentions. I was able to release my first book of inspirational and motivational quotes entitled, *Solder On*, forging ahead despite the odds. I had encountered some major setbacks in my business, personal life, and ministry. And many of the quotes brought me a sense of purpose and a drive to...Soldier On, thus the name of the book. As a former US Army Sergeant, and Army Medic. I know all-to- well how the challenges of life can derail you from your God appointed mission if you're not well grounded. But, also, as a soldier, I have been trained to do whatever it takes to complete the mission, no excuses accepted. Therefore, with tears and pain many times over, I have had to press towards the mark for the prize of the high calling of God in Christ Jesus. So, the work in this book is, definitely, God inspired.

This *Solder On* contains such inspiring quotes as...

***"It's sad when you don't know that you don't know, what you don't know" "The value of your goal is measured by the sacrifice you are willing to make." "Without a standard, there can be no direction, there can be no consistency, without consistency, there can be no progress.***

***Everything you eat or drink will either bring you closer to, or further a way from your goal."***

And one of my favorites ***"True leaders develop new leaders."***

Although this is not a collection of well-known scriptures. Or commentary of popular biblical passages. Each person will for sure find encouragement, personal development, career direction, and intrinsic motivation to excel in every aspect of their life. Many have found these writings to be great for students, business owners, teachers, mentors, entrepreneurs, managers, and anybody looking to be the best in their field of practice, or the best of themselves. Each quote and phrase come with a brief commentary to add more impact to its meaning. And a few quotes have illustrations/sketches by yours truly.

If you're a small business owner, CEO of a large corporation, work with students, or speak before large crowds, deal with outside competition, or have been encountering personal inner turmoil and seem to be losing your edge to continue. This book is for you. It's a very easy read, short and straight to the point. It's available in soft cover, hard cover, ebook, and audio book. You can get your copy from any Barnes and Noble bookstore or from Amazon. If you'd like an autographed copy, you can get your copy directly from me through my website.

# **On that Day**

Dr. C. A. Dangerfield II

It is coming very clear to the mass majority not only within this country, but around the world. Some of those people who have obtained wealth have a limited knowledge and understanding of individual lifestyles and circumstances because of the vast levels that are between the 2% at the top and those who are unfortunately at the very bottom. The disruptions created by the top has created mayhem to the lifestyles of the masses between these two extreme ends due to the lack of wisdom, knowledge and basic understanding.

The greatest form of knowledge provided to mankind has been manipulate and hidden to maintain control that haven't granted in the ways they have been stolen. But within the knowledge provided, the blueprint does clearly explain the consequences that will be levied due to the cause and effect rendered. The fact that the mindset of the arrogant and entitled operates without empathy for self-gain and mocks those who are affected by their lack of knowledge and understanding will greatly meet their own demise on the stage in which they have boastful erected to prove they know what they are doing. However, their blind ignorance will only prove the scriptures to be correct.

Then on that day, yes "That Day" in which we all will independently experience. Where we will have to give an account for everything, we have done during our slot of time here and the impacts we've created good and bad. Seeing ourselves without all the noise and distractions completely focused on our independent decisions of actions in whether to align ourselves with the Principles of God or the mayhem of Man. What will be our resolve for the times we operated hot or the times we operated cold. If we consistently operated warm, we understand by studying the scriptures that is unacceptable and that just the mere taste of warmth causes us to be rejected. That in itself is not a favorable outcome or acceptable excuse. The two outcomes proclaimed are described in the scriptures that will take place on "That Day". If you are unclear and uncertain read Matthew 25:31-46. Ask yourself how your alignment is.? If you find it to off allow the Father to show you how to become realign.

# **Despite all this Happening Around You**

Dr. C. A. Dangerfield II

I have come to remind you today that all is not lost for you. Despite all this happening around you. Redirect your focus back to God and His scriptures He has left for you and the guidance found within the passages to make life attainable. No man can remove what God has given you otherwise he violates the principles of God and he will suffer the consequences. Vengeance is mine sayeth the Lord I will repay.

However, for you focus on that which God has stated. His Word will not return unto Him void. Trust Him deeply and fortify your time and relationship. Shut off the noise, threats, arrogance and rhetoric. It's all sounding brass and tinkling cymbals. This to shall pass because God has not relinquished His throne to any politician or political parties. When they work against the principles of God they will be brought down abruptly and openly.

We were provided with two simple rules. Love the LORD thy God with all thy heart and mind. And love thy neighbor as thyself. If you believe that the politicians are following these principle, then keep supporting them and receive the same punishment that will find for themselves. God's mandate for man has been in place way before these individuals were even considered. If we are truly studying the scriptures as we should, we see what happens to man because of his disobedience. We are currently under judgement for things that we have allowed these individuals to implement creating oppression and hardship on others. This violates the principles of God and in doing so there are consequences. It is apparent that these individuals lack understanding of these principles. But we must understand that because they push agendas that created oppression, we are not exempt from the consequences. Because we for one place them in power and therefore became complacent with their behavior. The longer we fail in holding them accountable for the recognize misbehavior and turmoil that can be rendered we too will receive the same corrections from God.

The remedy is repent, realign yourself correctly and watch God change things. It only works when we do it God's way. There is no other way. His will be done.

God is not the author of confusion man is, for man thinking he has more power than what he has, God will bring him to obedience. Or death. Study the Word of God don't just read, study to comprehend and gain the proper wisdom, knowledge and understanding. The fact of the matter is we are losing just as much as we think we are gaining. Pay attention to the real outcomes that are taking place. The only superior one in everything is God.

## Something to Consider

So, you think you are the Great and Powerful Oz. The question then becomes will you ever obtain any real wisdom and compassion for others.

Proverbs 14:12 KJV

[12] There is a way which seemeth right unto a man, But the end thereof are the ways of death.

James 1:5 KJV

[5] If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.

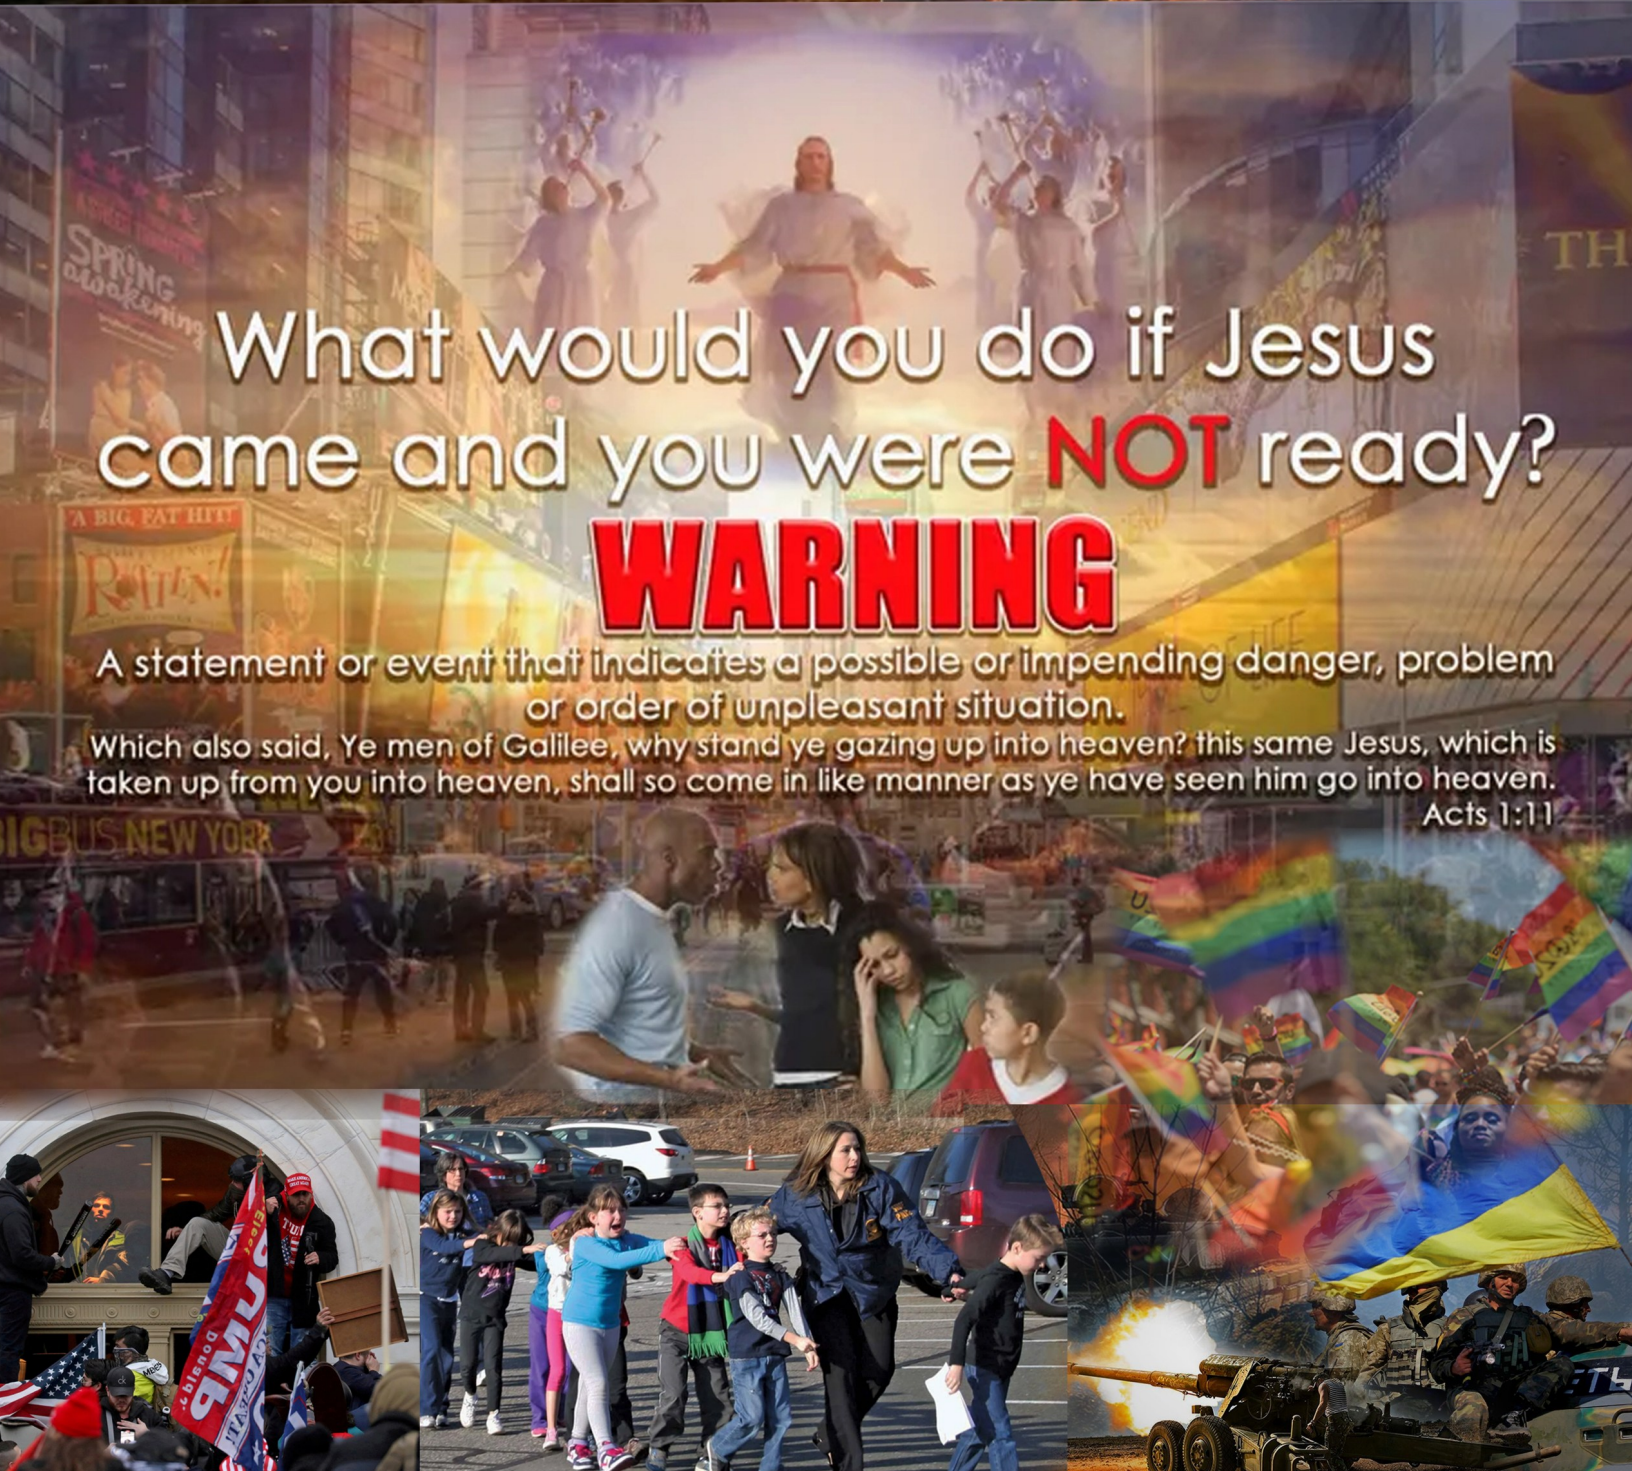

Or will you continue to create mayhem around the world with a limited or self-righteous attitude with very little limited understanding. We all, yourself included have an appointed time with I AM THAT I AM. Now the true and real understanding needs to be that our excuses will be without merit for our actions. Because He has given us precise principles in which we are to follow. These principles do not create hardships and oppression, they foster compassion and solutions. Proverbs 12 describes the conditions of this present time and the outcomes which are at hand. We are encouraged to study the Word of God especially for the comprehension of Truth and not political rhetoric or personal gains at the expense and retribution of others. Who we feel should look the other way when we are found in error.

For those of us who endorse or join in with the tear down that continually leads to oppression and destruction will find themselves partakers of the Eternal consequences. As long as we remain on this side of life, we do have an opportunity for repentance and then take actions to right a wrong in which we have actively or passively participated. The Apostle Paul started out as Saul an oppressor of the Children of God, but after his encounter on the Damascus Road that questioned his actions, his only recourse was repentance and obedience. It is by grace that you are reading this, and if there is any question in your mind. With truthful examine yourself don't follow those which are operating contrary to God's principles. Choose for yourself whether your alliance is with God or Man. Judgement for man is a singular event for our reward or consequences. The harshest words to hear is "Depart from me ye worker of iniquity for I know you not." That is a reality with a certain outcome which is eternal consequences. We truly have to have this understanding to resonate within ourselves and realization that we have grace to see another outcome if we choose repentance.

Proverbs 22:2-4 KJV

[2] The rich and poor meet together: The LORD is the maker of them all. [3] A prudent man foreseeth the evil, and hideth himself: But the simple pass on, and are punished. [4] By humility and the fear of the LORD Are riches, and honour, and life.
