Allergen information

Please refer to this list regarding allergies as detailed in the Food Information Regulations effective from December 2014. We have taken every step to ensure all allergy information is correct and easily accessible. We cannot always be sure of food contaminants from the factories they have been produced in but where possible we have included this information. If you require further clarification please ask staff before ordering. There is a basic menu available behind the bar for gluten free, dairy free and egg free diets.
