

ANNOUNCEMENT

ASR CONSTRUCTION GROUP UPDATE

MARCH 15, 2024

TO OUR VALUED CLIENTS, CUSTOMERS, AND FAMILY:

These last few years have been nothing short of amazing for our team. So much so, that we've outgrown our current office location. **We're excited to announce we're expanding offices!**

In an effort to keep our existing shop location while allowing for office support staff to grow, we have secured a suitable space located 1 mile north of our existing address. This means that ASR will be operating out of two locations, with each serving a dedicated purpose to continue delivering quality services to our Arizona partners.

NEW LOCATION

Executive leadership, accounting, and operations staff will be located in the new office at **1620 S STAPLEY DRIVE, SUITE 100, MESA, AZ 85204.**

EXISTING LOCATION

Our shop, storage yard, and material delivery address will remain the same, located at **481 E BASELINE ROAD, SUITE 103, GILBERT, AZ 85233.** The existing address will also continue serving as our self-perform training facility and field staff command center.

MATERIAL DELIVERY PROCESS & MAILING UPDATES

Please ensure to continue coordinating material deliveries in advance with our team to be present to accept materials at the **BASELINE** address. Standard USPS mail will be routed to the new address. Formal business mail must be sent to the **STAPLEY** address.

Please make sure to update our address in your system.

This move was highly anticipated, however, as the new lease opened up quicker than expected, we are taking advantage and moving fast! Please bear with us as we transition into the new space.

Rest assured, there will be no interruption in our services, and we will remain fully accessible through our usual communication channels during this time. Please do not hesitate to reach out to any of us for questions regarding the transition.

We continue to thank you for your support and dedication throughout the years. Without you, we wouldn't be here. We look forward in serving you from our new space!
