United Horsemen of the Carolinas was formed in 2013 by a group of individuals who love showing their horses and spending time with their family and friends. Showing horses is all about having fun and spending time with people who enjoy the same things. That is what UHC is all about. We are a great group of friends! Our motto is, "If You Had Fun YOU are a WINNER....."
UHC is a non-profit Open Horse Show organization and all sponsorships received, will be given back to its participants.

Sponsors are very important in making each of our shows a success. We would like to ask for you to allow us to advertise your business with our show exhibitors, by you becoming a sponsor of our organization. Your support helps the growth of the equine industry and our organization.
