## **Pricing Structure**

Our pricing is based on a per-person rate, with a minimum order requirement.

- \$55 per person for Luxury Breakfast Buffet (minimum order: \$1,000)
- Additional add-ons and beverages are priced separately.

What this means:

- The total order must meet or exceed the minimum amount, regardless of the number of people.
- If your order total is below the minimum, you will still be charged the minimum price.
- Once the minimum is met, each additional person is charged at the standard per-person rate.

Example:

- Ordering for 10 people at \$55 per person = \$550 (below minimum), so the total would still be \$1,000.
- Ordering for 20 people at \$55 per person = \$1,100 (meets minimum).
- Ordering for 30 people at \$55 per person = \$1,650 (charged per person as normal).
