## **PROGRAM HIGHLIGHTS**

# **Proper Insurance** is a concern of **ALL BPA Teams and Leagues**

#### **INSURANCE PROTECTION**

Any kind of legal action is incredibly expensive even if you are innocent or a lawsuit is frivolous. Baseball leagues and teams are certainly not exempt from lawsuits and they simply cannot afford to be without adequate liability insurance protection.

**The BPA Program** offers liability coverage to each team/league as they participate in all sanctioned amateur baseball competitions and other related scheduled activities of the sanctioned league. Covered activity means an event sanctioned by the BPA or any other sanctioning body.

#### \$100,000 ACCIDENTAL MEDICAL COVERAGE - EXCESS

Accidents happen, and with today's soaring medical costs, they can ruin an injured player financially. The BPA Program offers \$100,000 of excess accident medical insurance for each covered injury which pays the bills left unpaid by other collectable insurance of health plans after a \$250 deductible.
