

DESIGN SERVICE

New to a brand, short handed or not 2020 savvy? Let us help you.

Provide us with the planning guide and layout. You will receive colorful renderings, floor plan, elevations, and molding details that you can review with your client. When you are ready to place the order all of the information needed to order is also included.

We look forward to working with you to make your consumers cabinetry dreams come true.

Full Design Order-Ready Packet Includes:

- Cover page with notes (if applicable)
- Floor plan with notes
- Wall elevations with notes
- Molding diagram with side elevation
- Outline & color renderings
- Cabinet itemized list or order form
- 2020 Design Flex file
- Project file system
- Additional forms (if applicable)
