Office of Foreign Assets Control

A PART OF TREASURY'S
OFFICE OF TERRORISM AND
FINANCIAL INTELLIGENCE

Mission

The Office of Foreign Assets Control ("OFAC") of the US Department of the Treasury administers and enforces economic and trade sanctions based on US foreign policy and national security goals against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security, foreign policy or economy of the United States.

Sanctions Programs and Country

Information

OFAC administers a number of different sanctions programs. The sanctions can be either comprehensive or selective, using the blocking of assets and trade restrictions to accomplish foreign policy and national security goals. Read more information about OFAC's Sanctions Programs:
