*A New You
Starts With Nuvo You!*

Nüvo You MedSpa is here to help you achieve your health and wellness goals. Our goal is to provide wellness, recovery, and anti-aging health services in a relaxed, comfortable, professional environment.

Our services include IV Vitamin Therapies, Wellness Injections, Botox & Fillers, PRP and Medical Marijuana evaluations. All services are administered by licensed medical professionals.

Our therapies are custom designed for IV (intravenous) and IM (intramuscular) administration in our MedSpa, or in-home with concierge service. These combine one liter of IV fluids with medications, vitamins, minerals, electrolytes and amino acids. Each IV lasts about 45 minutes, but smaller volume infusions are available on request.
