

## The action continues on the Solo 100 Bass Tour!

The **second stop** of the **Solo 100 Bass Tour** is set for one of the most legendary fisheries in the country – **Lake Guntersville** in **Alabama**. Weigh-In and launch at Goose Pond Colony Resort, Scottsboro, AL

On **March 13th and 14th**, top anglers from across the region will launch onto the grass-filled waters of **Lake Guntersville**, all chasing big bass and big payouts in the second event of the season.

After an exciting kickoff event at Lake Eufaula, the momentum is building and the competition is heating up. With **Guntersville's reputation for giant bass**, anglers will be swinging for the fences as they battle it out for points, prizes, and a shot at the **Solo 100 Bass Tour championship**.

The weather is warming up and its going to be a slugfest! Will a local Guntersville stick dominate the grass? Or will a traveling pro crack the code and take home the win?

Two days, One legendary lake. One champion.

**March 13-14**

**Lake Guntersville, Alabama**

Follow the action and see who rises to the top at **Stop #2 of the Solo 100 Bass Tour**.
