4 Thank you.

6 CHAIRWOMAN DIMITROFF: All in favor.

7 (Ayes heard.)

8 CHAIRWOMAN DIMITROFF: Any opposed?

9 (No response.)

10 CHAIRWOMAN DIMITROFF: Minutes are approved.

11 All right. I just want to state why we're  
12 having this public hearing. There's been lots of  
13 interest in the subject of off-street parking. We  
14 did have a Town Hall. I just want to remind  
15 everyone that everyone on the Plan Commission was  
16 present at the Town Hall. I'll say this again  
17 later, but the statements you made previously, you  
18 don't need to repeat them. If you feel like you  
19 wish to repeat them, you are more than welcome.

20 All right. So now I'm going to read this  
21 really long --

22 MEMBER HANDLEY: Can everybody hear okay?

23 AUDIENCE MEMBER: Only when you speak fully.  
24 When you trail off, can't hear.

1 CHAIRWOMAN DIMITROFF: Okay. Thank you.

2 The public hearing of the Village of Wayne  
3 Plan Commission will be in order. Pursuant to the  
4 Municipal Code of the Village of Wayne, a public  
5 hearing will now be held by the Plan Commission to  
6 consider off-street parking recommendations for  
7 Section 10.7.4 of the Village Code.

8 Before we address some technical procedural  
9 matters, I wish to make some introductory comments  
10 to the public.

11 The purpose of this public hearing is to  
12 obtain and publish for the public record evidence  
13 to assist the Plan Commission in making  
14 recommendations to the Village Board as to whether  
15 any changes should be approved, approved with  
16 modification, or rejected. I will address  
17 specifically how this public hearing will be  
18 conducted shortly.

19 At the conclusion of this public hearing,  
20 the Plan Commission may do one of the following:  
21 They may continue the public hearing to a new date  
22 and time; it may deliberate on the evidence,  
23 testimony, and comments presented; it may postpone  
24 such deliberation until a later meeting date; and

1 we may take such other action as the Plan Commission  
2 deems appropriate.

3 No vote will be taken on the proposed changes  
4 by the Plan Commission during this public hearing.  
5 At the conclusion of comments, the public hearing  
6 will be closed. After the public hearing, either  
7 tonight or at a future meeting, the Plan Commission  
8 will deliberate and make formal recommendations to  
9 the Village Board concerning off-street parking.

10 The Plan Commission can only make  
11 recommendations to the Village Board. Only the  
12 Village Board can take final action on behalf of  
13 the Village to approve, approve with modifications,  
14 or reject the proposed recommendations. The Plan  
15 Commission will present to the Village Board any  
16 recommendations for changes.

17 Subsequent thereto, the recommendations come  
18 before the Village Board for action. The Village  
19 Board will then consider the recommendations of  
20 the Plan Commission together with all other relevant  
21 recommendations and information then received.  
22 The Village Board will then determine whether to  
23 approve the proposed changes as well as an  
24 ordinance officially amending the municipal code

1 at that time.

2 At this time I wish to make some further  
3 introductory comments regarding the conduct of this  
4 public hearing. Pursuant to the Plan Commission's  
5 standing rules of procedure, for the benefit of  
6 the members of the public, this public hearing  
7 will be held substantially in accordance with the  
8 following:

9 In general, all speakers shall be limited  
10 to no more than three minutes. The Chairperson  
11 may bar repetitious, irrelevant, immaterial, or  
12 inappropriate comments. Speakers shall refrain  
13 from engaging in debates or directing threats or  
14 personal attacks at the Commission staff or other  
15 speakers or members of the audience. Groups  
16 should whenever possible consolidate their comments  
17 and avoid repetition through the use of  
18 representative speakers. Members of the audience  
19 shall refrain from applauding, cheering, booing,  
20 or the like during or at the conclusion of remarks  
21 made by any speaker, staff member, or Commission  
22 member.

23 When the foregoing proceedings have been  
24 completed, then the public hearing will be closed,

1 and the Plan Commission will determine how to  
2 proceed further as previously indicated. In order  
3 to give comment in this public hearing, you must  
4 provide your name on the speaker registration sheet.  
5 So if you haven't signed in and ask to have  
6 comments, if you could do that, that would be  
7 great. Your failure to sign on the speakers  
8 registration sheet will preclude you from  
9 participating in this public hearing.

10           Speakers will be called to testify in the  
11 order of registration. By signing on the speakers  
12 registration sheet you agree and understand your  
13 statements will be considered sworn testimony  
14 given under oath. When presenting your comments,  
15 be concise. If your point has already been made,  
16 it is not necessary to repeat it. Each of these  
17 points is recorded and will be considered as the  
18 Plan Commission develops its recommendations to  
19 the Village Board.

20           Again, if you spoke at the Town Hall, it  
21 is not necessary to repeat your statements but  
22 you're welcome to do so. The public hearing is  
23 limited to off-street parking, comments received  
24 from the Board following the Town Hall that was

1 conducted on January 8th.

2 The Village has asked us to reconsider the  
3 number of vehicles stated in Section 2; it has  
4 asked us to reconsider allowing one commercial  
5 vehicle; it has asked us to relook at screening;  
6 it has asked us to look at boats, and it has asked  
7 us to look at recreational vehicles.

8 Please note that all testimony given in this  
9 public hearing is being recorded to allow  
10 transcription of all testimony taken. It is  
11 therefore necessary that only one person speak at  
12 a time and only when recognized by the Chair.  
13 When giving testimony, please stand and speak  
14 clearly so that you may be heard. Please begin by  
15 stating your name and spelling your last name. If  
16 you should speak more than once during this hearing,  
17 then please remember to (audio interference.)

18 Are there any questions on the proceedings?

19 MR. WILSON: You might ask them to come up  
20 to the podium.

21 CHAIRWOMAN DIMITROFF: When your name is  
22 called, if you could come up to the podium, the  
23 court reporter is sitting here so that she can  
24 hear you clearly.

1           Before we begin the evidentiary portion of  
2 this hearing or commentary, will all persons  
3 intending or desiring to give testimony in this  
4 matter please stand and be sworn as witnesses. So  
5 if you want to talk, you have to stand up and be  
6 sworn in as witnesses.

7           (Whereupon, the witnesses were thereupon  
8 duly sworn.)

9           CHAIRWOMAN DIMITROFF: Thank you.

10          MEMBER TRANCHIDA: Carol, is this sign-in  
11 sheet same as the one that's by the door?

12          CHAIRWOMAN DIMITROFF: Yes, we just took  
13 it. And the notice of this public hearing was  
14 published on January 19th.

15          MEMBER SANTANA: Abigail Richard.

16          MS. RICHARD: Hi.

17          MEMBER SANTANA: Good evening.

18          MS. RICHARD: My name is Abigail Richard.  
19 Last named is spelled R-i-c-h-a-r-d.

20                I am concerned about the off-Street parking  
21 ordinances because, as you can see, I'm about to  
22 have my fourth child, which means that by default,  
23 if all of my children and my husband and I have  
24 one vehicle, even though we have over 2 acres, I'm

1 going to be encroaching on the maximum number of  
2 vehicles I can have on my property. That's  
3 provided I could screen two of those. So I'm  
4 concerned about that, number one.

5           Number two, I'm really upset as a horse  
6 owner that it's pretty elitist to say that I can  
7 have, because I'm a horse owner, up to two horse  
8 trailers up to 30 foot in the length with  
9 absolutely zero regulations on what type of  
10 surface to park them on, what to hide them behind,  
11 where to have them on a setback line, et cetera,  
12 et cetera. I can have as many of those, but my  
13 neighbors who want to keep their RV that may be  
14 shorter than my horse trailer are going to be  
15 required to put in a driveway, which may not be  
16 allowed where they want to park it, would have to  
17 screen the vehicles, and be at the complete mercy  
18 of whoever decides whether or not they can even  
19 put in that driveway. So it just doesn't seem  
20 equitable.

21           Traditions are great. We are a horse  
22 community. I appreciate that as a horse owner  
23 that I have maybe some special things, but I don't  
24 think that's fair. I'd rather my rights be taken

1 away and be equitable. For me to have a 20-foot  
2 horse trailer but my neighbor not to be able to  
3 have a 20-foot RV, that's just not fair, and I  
4 don't believe that we should be encouraging that  
5 kind of inequality. And I would say it's just not  
6 wrong, not morally or ethically right to allow me  
7 to have something that's nearly the same, but  
8 because it's a horse thing it's okay. Thank you.

9 MEMBER SANTANA: Thank you.

10 MEMBER HANDLEY: There are some chairs  
11 over here for those that are standing.

12 MEMBER SANTANA: Cathy Winchell.

13 AUDIENCE MEMBER: It's actually David  
14 speaking.

15 MEMBER SANTANA: David.

16 MR. WINCHELL: My name is Dave Winchell.  
17 My last name is spelled W-i-n-c-h-e-l-l. My wife  
18 and I and my family have been here for about  
19 26 years now. And we live down by the prairie  
20 path, and it seems like for 66 years, we were  
21 founded in 1958, that everything has worked well  
22 and hunky dory, and everybody gets along with one  
23 another, and all of a sudden -- and I apologize;  
24 I'm late to the game, so I'm not really sure

1 everything that's going on with this, but all of a  
2 sudden I hear talk about commercial vehicles are  
3 going to be banned, and boats are going to be  
4 banned and snowmobiles. It kind of got my dander  
5 up because I own my own company, and I've got a  
6 work vehicle, so it kind of got the hair on the  
7 back of my neck up.

8 But I brought a visual aid, if you would,  
9 for a moment I just want to demonstrate something  
10 because it goes along the line of what the  
11 previous speaker was speaking about.

12 It doesn't seem right as a business owner --

13 MR. WILSON: Could you face so the court  
14 reporter can hear you.

15 MR. WINCHELL: Oh, I'm sorry. Could you  
16 just hold on a second? I want to bring something  
17 up just to show you.

18 So this is the only way I could demonstrate  
19 the size of a horse trailer. So if you just hold  
20 on for a second -- are you guys ready? All right.  
21 Are you ready? Go up one more.

22 (Visual demonstration.)

23 MR. WINCHELL: All right. So apparently,  
24 you can't have a couple of cars for your family,

1 an extra kid or something, but each person in town  
2 if they want to is going to be able -- remember  
3 it's also 8 feet wide. So it literally takes up  
4 this entire space. So it doesn't seem to me to  
5 make sense to allow two of these and not allow  
6 people's small vehicles or other vehicles.

7 And I don't know if anybody has put any  
8 thought into what it's going to cost for either a  
9 berm, or hedges, or whatever, but you can probably  
10 put that between 15 and \$20,000. Those arborvitaes  
11 are going to be between 250 to \$500 each plant.  
12 You can get that down here at the corner of Kirk  
13 and 38; you can get the pricing from them. So  
14 it's a big investment, plus the cost of material  
15 for the driveway itself.

16 So hopefully this is -- I know you guys  
17 can't see it very well, but hopefully you guys  
18 can. Imagine this is going to be two of these.

19 Thank you. We appreciate it.

20 CHAIRWOMAN DIMITROFF: Thank you.

21 MEMBER SANTANA: Thank you, David.

22 Mr. Ken Krutz.

23 MR. KRUTZ: How are you doing? My name is  
24 Ken Krutz, K-r-u-t-z. I'm on Powis Road. I spoke

1 at the last meeting and I had my say there. This  
2 time, thinking about this, we are asking families  
3 and senior citizens, people with limited income to  
4 do something to hide vehicles they might have,  
5 trailers they might have, boats, whatever. I  
6 don't know if anybody has thought about cost of a  
7 storage building.

8 20 years ago I put up a building in the  
9 back of my property, and it was about \$45,000, and  
10 it was only a 900-square-foot building. So now  
11 when we start thinking contact Morton, Lester, any  
12 of these pole building companies, if you have room  
13 on your property, and if it's approved, the cost  
14 is ridiculous.

15 Now, if you have a garage on your property,  
16 odds are good it's only going to fit an 8-foot --  
17 7-foot door, maybe an 8-foot door if you're lucky.  
18 If you want to park a boat in there, you're going  
19 to need some height and some width. The cost to  
20 remodel your garage, who knows. You're going to  
21 have to talk to somebody who does construction work.

22 The other issue is if you want to rent a  
23 place. You have a motorhome or a boat, you have  
24 to rent a place. You've got acres of property,

1 but now you've got to spend a couple hundred dollars  
2 to put the thing up in a lot; not even under roof,  
3 just in a lot. So, you know, we've got all this  
4 stuff going on.

5 Now, talking about screening, as the  
6 gentleman mentioned, if you put up screening,  
7 you're going to have -- most people in the village  
8 are going to have to have somebody plant it. It  
9 still has to be maintained. Somebody has got to  
10 maintain it. You just don't put bushes in and  
11 leave them, so somebody has got to maintain it.  
12 How long is it going to take for those bushes to  
13 grow big enough to screen what you're trying to  
14 screen? Bushes might grow 2 feet a year or  
15 something, so you're still looking at years down  
16 the road before those bushes are mature enough to  
17 do anything with them.

18 It leaves the other option. You've got to  
19 move. There's nothing else you can do. You've  
20 got move, you've got to leave the village. I've  
21 been here 36, 37 years. I raised my family here.  
22 I've never had a problem with anybody, and I'm  
23 good with all my neighbors, my neighbors are good  
24 with me. This really puts us behind the eight ball.

1 I mean, this is all subjective, too, by  
2 the way. This is not objective thinking. The  
3 fact that we can't park three cars, two cars,  
4 whatever, you've got to screen stuff, purely  
5 subjective. That's just somebody's opinion  
6 because they didn't like what their neighbor had  
7 parked in their driveway or something. And that's  
8 not right. I'm sorry; that's not right. Pretty  
9 soon it's going to be, well, a guy like me can't  
10 walk around in shorts because look at my legs,  
11 they're not that pretty, or somebody can't wear  
12 yoga pants because they don't look quite right.

13 I mean, that's all subjective and we're  
14 trying to beat that down. Yet in the Village here  
15 we're trying to make like an HOA, you know, where  
16 people move in and it's got to be just perfect.

17 MEMBER SANTANA: Time. Respectfully, time  
18 is up. We want to give everybody who has signed  
19 up enough --

20 MR. KRUTZ: I'm going to get on my high  
21 horse and get out of here.

22 MEMBER SANTANA: Appreciate it. Thank you  
23 so much for your time.

24 Kathy Tranchida.

1           MEMBER TRANCHIDA: Hello, my name is Kathy  
2 Tranchida. The last name is spelled  
3 T-r-a-n-c-h-i-d-a. I spoke at the last meeting we  
4 had in January.

5           I'm really saddened by all the stuff that's  
6 going on because it just doesn't make sense.  
7 We're being restrictive just to be restrictive.  
8 I've been on the Planning Commission for -- I  
9 don't know, since last August, and everything --  
10 every ordinance that we've touched we've restricted.  
11 We didn't make it better. In my opinion we made  
12 it worse.

13           I don't believe that -- I don't believe  
14 the Planning Commission should move forward with  
15 this, and I'd like to see a show of hands in the  
16 audience --

17           CHAIRWOMAN DIMITROFF: I'm sorry; we can't  
18 do that.

19           MEMBER TRANCHIDA: Okay. Don't raise your  
20 hands.

21           There were so many people last time  
22 against it. This doesn't make sense.

23           Another thing is, too, we don't enforce  
24 the current ordinances we have. We hear that, oh,

1 we have an ordinance policeman, if you will, or  
2 ordinance person, but then he's not really writing  
3 anybody up for the ordinances that they're breaking.  
4 So Eileen's comment was, well, we rely on the  
5 neighbors to turn each other in. What kind of  
6 community is that going to be? Everyone snitching  
7 on each other, that's not right. If you can't  
8 enforce the ordinance or you don't want to, the  
9 ordinance should be shelved.

10 And if you want to make a difference with  
11 the Planning Commission to do ordinances, there's  
12 three open positions coming up in April. Please  
13 get an application and send it in.

14 CHAIRWOMAN DIMITROFF: That's not  
15 pertaining to the off-street parking. So let's  
16 keep to the topic.

17 MEMBER TRANCHIDA: Okay. I'm done then.

18 MEMBER SANTANA: Thank you.

19 Karen Benson, did you want to speak, ma'am?

20 MS. BENSON: Sure, I'll just make it short.

21 Karen Benson, B-e-n-s-o-n. I've lived in Wayne  
22 34, 35 years, and we've already had this rule in  
23 place, and it wasn't even -- people aren't even  
24 enforcing it.

1           And the other thing I wanted to say is  
2 there's a lot of seniors in my neighborhood. They  
3 look at the Wayne Window. There was nothing in  
4 the Wayne Window about this ordinance coming up,  
5 so I feel like you circumvented the system.

6           People in my neighborhood are like, we're  
7 a private neighborhood, it doesn't include us. So  
8 I just think you need to get the word out better  
9 about this whole thing going down and who is going  
10 to enforce it. I just think it's been very poorly  
11 planned, you know, and all these elderly people out  
12 here depend on the Wayne Window to get the  
13 information here in town.

14           And I feel like, you know, it's worked this  
15 long, nothing crazy has happened. If you can talk  
16 to your neighbor and say, hey, listen, what's with  
17 the cars. Everybody understands when they have a  
18 bunch of kids there's going to be cars, and then  
19 those kids grow up and move on.

20           So I don't know, that's all I've got to  
21 say. Thank you.

22           MEMBER SANTANA: Thank you.

23           CHAIRWOMAN DIMITROFF: Thank you.

24           MEMBER SANTANA: Michael Barbic.

1 MR. BARBIC: Barbic. I don't have  
2 anything to say on the off-street parking. I was  
3 here for the livestock.

4 MEMBER SANTANA: Thank you, Michael.

5 CHAIRWOMAN DIMITROFF: Thank you.

6 MEMBER SANTANA: Carlisle.

7 MS. ZELAITIS: I also was just going to  
8 talk about the livestock.

9 CHAIRWOMAN DIMITROFF: Okay.

10 MEMBER SANTANA: Thank you. Anna Cunanan.

11 MS. CUNANAN: Anna Cunanan, C-u-n-a-n-a-n.

12 Hi everyone. Since the January 18th Town  
13 Hall where I spoke, our Village President has  
14 announced there will no longer be a stenographer  
15 taking verbatim transcripts.

16 CHAIRWOMAN DIMITROFF: I'm sorry; comments  
17 are appropriate --

18 MS. CUNANAN: This is relevant to off-street  
19 parking.

20 CHAIRWOMAN DIMITROFF: I'm sorry --

21 (Simultaneous speaking.)

22 MEMBER SANTANA: Point of order.

23 AUDIENCE MEMBER: It's not in the  
24 1,000 pages --

1 CHAIRWOMAN DIMITROFF: I'm sorry; I'm  
2 sorry; if you're going to talk about that, that is  
3 not about public off-street parking.

4 MS. CUNANAN: Yes, it is.

5 CHAIRWOMAN DIMITROFF: It is not.

6 MS. CUNANAN: I read the thousand pages,  
7 and I'm referring to what I read about off-street  
8 parking, how you got to the current draft where  
9 you're at now. It's very relevant.

10 CHAIRWOMAN DIMITROFF: Okay.

11 AUDIENCE MEMBER: Let her talk.

12 MS. CUNANAN: In the thousand -- subtract  
13 that 30 seconds I just lost.

14 In the thousand pages of the Plan Commission  
15 transcripts from 2023, it is very clear that several  
16 of the Commissioners when they were speaking to  
17 off-street parking targeted specific neighborhoods,  
18 Honey Hill, Powis Road, and Dunham Trails so  
19 everyone knows. This is not productive and not in  
20 the best interests of the residents of Wayne.

21 CHAIRWOMAN DIMITROFF: I'm sorry; Anna, do  
22 you have comments specific to what we're talking  
23 about?

24 MS. CUNANAN: Let me finish.

1 CHAIRWOMAN DIMITROFF: I just -- I'm not  
2 sure --

3 MS. CUNANAN: Tonight I ask the Plan  
4 Commission to leave Code 10-7-4 Off-Street Parking  
5 as it's currently codified, including the setback  
6 line language and commercial and recreational  
7 vehicles substantially, not completely screened or  
8 enclosed. I believe the residents who crafted the  
9 original code did so for a logical reason, to keep  
10 residents from parking all of their vehicles at the  
11 end of the driveway near the street. The current  
12 code restricts to no more than three or four vehicles  
13 in front of the setback line of their home depending  
14 on where you live. The new code will allow from  
15 three to six vehicles depending on where you live,  
16 which could all be parked at the end of one's  
17 driveway by the street.

18 For this reason, removing the setback line  
19 language from the existing code may actually have  
20 the opposite effect of what you are trying to  
21 mitigate and may negatively impact the ambiance of  
22 our community. How many times I leave my home  
23 here, I go down Powis Road past your house, Greg,  
24 and up and down some of the streets. There are

1 many homes that do not have parking beyond or behind  
2 the setback line of their home. So now they can  
3 have four vehicles, but if you change the code the  
4 way you have the draft now, they could have five or  
5 six from the front of their garage to the street.

6 Let's focus on enforcing our existing code  
7 and logically communicating with the few residents  
8 in question rather than punish the entire community  
9 with self-serving rules. And I go back to  
10 July 2023 when Mike Gricus said there is one home  
11 in the entirety of Wayne that has a significant  
12 issue with too many vehicles parked in front of  
13 their home.

14 Thank you.

15 MEMBER SANTANA: Thank you.

16 CHAIRWOMAN DIMITROFF: Thank you.

17 (Applause.)

18 CHAIRWOMAN DIMITROFF: I'm sorry.

19 MEMBER SANTANA: Please.

20 David. My apologies for the  
21 mispronunciation of your last name.

22 MR. ANTIOHO: You saved it and I  
23 understand why.

24 MEMBER SANTANA: There you go. If you

1 could spell it for the court reporter, please.

2 MR. ANTIOHO: Last name is A-n, as in  
3 "Nancy," -t, as in "Tom," -i-o-h-o. I've had to  
4 do that many times.

5 I don't have a reason to speak. The first  
6 three speakers, I would be repetitious, and I will  
7 let it go at that.

8 MEMBER SANTANA: Thank you very much.

9 Chris, will you kindly spell your last  
10 name for the court reporter, please.

11 MS. SPRADLIN: Sure, it's S, as in "Sam,"  
12 -p, as in "Paul," -r-a-d-l-i-n. I'm a homeowner  
13 in the Village of Wayne. Although I do not reside  
14 in the Historic District, I would like to express  
15 my disapproval with the proposed car limit in the  
16 Historic District.

17 I understand that there are a few homes  
18 that have multiple cars parked in front of their  
19 homes. Those few homes do not outweigh the amount  
20 of people, several of which have spoken here  
21 tonight, that would be adversely affected by this  
22 sudden change of the rules, many of which have  
23 purchased homes with the intent of raising their  
24 children there. What are they supposed to do if

1 they have two or three children who will be at  
2 driving age at the same time? Are they supposed  
3 to move?

4 Also, there are lots outside of the  
5 Historic District similar in size to lot sizes in  
6 the Historic District that have more than three cars  
7 consistently parked in their driveway. Why were  
8 there not proposed restrictions for them? This is  
9 discriminatory for the people that reside in the  
10 Historic District.

11 Furthermore, I understand at least one home  
12 which has generated multiple complaints is in Lake  
13 Eleanor which has a homeowners association that  
14 should be enforcing their bylaws and rules.

15 Thank you.

16 MEMBER SANTANA: Thank you very much.

17 Michelle or Peter Mourousias, please spell  
18 your last name for the reporter.

19 MS. MOUROUSIAS: Michelle Mourousias,  
20 M-o-u-r-o-u-s-i-a-s.

21 I've spoken at multiple meetings on this  
22 topic, and I am not in favor of any changes to the  
23 existing off-street parking code. I am disappointed  
24 that Mike Gricus, the director of building and

1 zoning, is not present at this hearing to respond  
2 to questions on this topic. I wish the Plan  
3 Commission had updated the proposed ordinance  
4 language based on the feedback received from the  
5 Town Hall meeting before holding this public  
6 hearing, but here we are talking about the same  
7 document from six months ago.

8 As per current Ordinance 10-7-4, the setback  
9 line is, quote, "that line established by the face  
10 of the principal structure which is nearest to the  
11 front yard of a lot," unquote. On lots larger  
12 than 2 acres, no more than four unenclosed vehicles  
13 may be parked in front of the setback line. As  
14 per current Ordinance 10-3-1, there is only  
15 one principal structure permitted per lot.

16 Viewing an overhead photo of the property  
17 on Smith Road that's prompting these potential  
18 changes to village code, the majority of the  
19 available unscreened parking on a graded surface  
20 is occurring in front of the setback line of the  
21 principal structure, which is the house. This  
22 property is 6 acres and has five enclosed parking  
23 spaces according to Zillow.

24 Current village code is not being enforced

1 if more than four vehicles are consistently being  
2 parked unscreened in front of the setback line as it  
3 is defined in this section of the code. That lack  
4 of enforcement should not prompt the village-wide  
5 change in the rules just to bring one house into  
6 compliance.

7 The questions I have for the Commission  
8 tonight are, one, how many homes will be affected  
9 if these proposed changes are implemented; two,  
10 what will the average expense to a homeowner be to  
11 be comply; three, how long will a homeowner be  
12 given to comply; four, if a homeowner is unable to  
13 comply, what will the penalty be to the homeowner;  
14 six, what will be an enforcement mechanism for the  
15 new rules; and seven, will it be on Mike Gricus to  
16 enforce or will it be on the Wayne PD to enforce?

17 Thank you.

18 MEMBER SANTANA: Thank you, Michelle.

19 And Rick --

20 AUDIENCE MEMBER: Can I just -- I have my  
21 name on there, as well.

22 MEMBER SANTANA: Peter, go ahead.

23 MR. MOUROUSIAS: I'm happy to hear that the  
24 Board came back and you're going to think about

1 the number of cars -- total numbers of the cars --

2 MEMBER HANDLEY: Can you give your last  
3 name.

4 MR. MOUROUSIAS: It's the same as the last  
5 person but M-o-u-r-o-u-s-i-a-s.

6 MEMBER HANDLEY: Thank you. Just for the  
7 court reporter.

8 MR. MOUROUSIAS: Gotcha. Thank you.

9 I've spoken many times about this; I'm not  
10 going to repeat myself. I don't think any of  
11 these ordinances should be changed for one house.  
12 I've been kind of -- I've seen this process, and  
13 with all due respect, I don't think any of you  
14 gave any thought into the hardships that you are  
15 imposing on our neighbors. None of you did. I  
16 was at these meetings. We spoke about these  
17 things, and you didn't even look at us.

18 You guys are supposed to be working for  
19 the Village. You should not be self-serving. I  
20 don't think you should be picking on neighbors,  
21 and that's what we're doing. We're not being  
22 productive as a Plan Commission.

23 I believe some of these people have been  
24 on this Commission for too long. It's time for

1 new blood in this village. We can't have people  
2 here 30 years and not even thinking twice about  
3 what it's going to cost somebody to do these -- to  
4 do this screening.

5 You guys came up with numbers; you were  
6 pulling them out of thin air. Greg even admitted  
7 to that. I was at that meeting.

8 I think you should have gave this a lot  
9 more thought, and I think it's crazy that you  
10 didn't meet and discuss this prior to this public  
11 hearing. We should be able to come here today and  
12 find out what you are going to change from the  
13 feedback from the Town Hall. That was the whole  
14 point of the Town Hall, and we don't have a  
15 document in front of us to review to see what are  
16 possible changes from that last document.

17 You should have had a regular meeting of the  
18 Plan Commission to discuss this so you can take  
19 into account what you learned from the Town Hall.  
20 This would let us know that you're listening to  
21 us. What you're doing right now, you're not  
22 making us think that you're working for us.

23 That's all I have to say. I hope you make  
24 a lot of changes from what you proposed because

1 it's unfair. I'm not going to repeat everybody,  
2 but to have my neighbor across the street to have  
3 a little van with a logo on it is no -- he has to  
4 screen that. Yet the neighbor can have  
5 two 30-foot trailers.

6 I'm tired of hearing this is an equestrian  
7 village because I live in this Village; I can't  
8 have a horse. It's not an equestrian village for  
9 everybody. So it's got to be fair for everybody.  
10 Horse owners have to stop getting special treatment  
11 from this Village. Thank you.

12 CHAIRWOMAN DIMITROFF: Thank you.

13 MEMBER SANTANA: Thank you.

14 Mr. Rick Newton, spell your last name,  
15 please, for the court reporter.

16 MR. NEWTON: N-e-w-t-o-n. I live on  
17 Nancy Lane.

18 I spoke last time and I want to actually  
19 go back to a word that I think it was Anna used in  
20 describing kind of the global effort that you're  
21 trying to do, and it has to do with -- I think I  
22 used the character of this town. When I moved to  
23 this town 38 years ago, I understood what the  
24 character of this town is, and I hadn't even lived

1 here, but I was aware of it. Anna called it the  
2 ambiance.

3 Call it what you want, but there's been a  
4 lot of pride that has been taken to maintain a town  
5 that's a little bit nicer than many communities  
6 you might go to. We don't try to be snobbish about  
7 it; we just -- we are semirural and we have some  
8 distinctions. We have some regular residential  
9 plots, and we have horse farms. Others aren't  
10 horse farms but they're supposedly for agriculture.

11 So they're going to have some different  
12 needs, and it is going to be difficult. It's your  
13 task to come up with something that's going to  
14 represent that. I get that. I get that it's  
15 going to vary. I'm not crazy about some of the  
16 things that other people have talked about tonight  
17 as far as what they like. We're all different.  
18 We've got somebody that lives -- I live on Nancy  
19 Lane. Somebody that lives, if you drive down  
20 Powis Road, you can't help but see an ambulance or  
21 paramedic's vehicle has been repainted so you  
22 can't tell where it was from. Something like that  
23 just seems like common sense, and that's all I'm  
24 asking.

1           But more than that -- and this is definitely  
2           repetitive from what other people said. When I  
3           spoke last time, one of the things I talked about  
4           was the fact that this needs to have some oomph  
5           behind it. Somebody has to be able to -- if we're  
6           going to have ordinances, if we're going to have  
7           rules, somebody needs to make sure that they're  
8           taken care of without putting it on our laps to  
9           create some friction within our neighborhoods  
10          because that's what it's going to do.

11          And there are certain things -- I don't  
12          expect somebody to go around with a ruler measuring  
13          grass. Sometimes you look at it and you can tell,  
14          but when I see this particular place with the  
15          paramedic's vehicle, they always have half a dozen  
16          vehicles. Does that seem right? Just as you come  
17          into Wayne, that's your voice, what the town is  
18          about? So for me it just boils down to common  
19          sense operating under the premise that we want to  
20          maintain the ambiance of this town.

21          MEMBER SANTANA: Mr. Newman, thank you  
22          very much.

23          Carol, that's it for the speakers that  
24          have signed up to speak.

1 CHAIRWOMAN DIMITROFF: Does anyone else  
2 wish to speak even if you didn't sign up?

3 (No response.)

4 MR. WILSON: Close the hearing.

5 CHAIRWOMAN DIMITROFF: At this time all  
6 the speakers are finished, we're going to be  
7 closing the public hearing. I would like the  
8 court reporter to keep recording.

9 All right. So we are going to move to --  
10 I know there's people here that would like to make  
11 public comment regarding livestock, so we're going  
12 to kind of skip down in the agenda to make sure  
13 that that can happen.

14 So if there's anyone who would like to  
15 speak about comment for the regular meeting, if  
16 you would like to orderly raise your hands, and my  
17 gavel will let you know when you can come up, and  
18 if you can come up to the podium again for the  
19 court reporter, that would be great.

20 Miguel.

21 MEMBER SANTANA: Michelle for livestock.

22 CHAIRWOMAN DIMITROFF: Just public comment.

23 MEMBER SANTANA: Come on up, please.

24 MS. MOUROUSIAS: Michelle Mourousias,

1 M-o-u-r-o-u-s-i-a-s.

2 At the February 6 Village Board meeting  
3 the village President announced that the Plan  
4 Commission will no longer be using a stenographer  
5 to document the meetings. I was surprised to hear  
6 that since you spend about \$900 per meeting for  
7 this service and have been using them for years.  
8 In my opinion, this is a wise use of taxpayer  
9 dollars to provide anyone who wants to read them a  
10 view of how laws are made in Wayne. Why has the  
11 Village of Wayne suddenly found that documenting  
12 the meetings verbatim is no longer necessary?  
13 Residents have to go out of their way to even  
14 access the documents these days. These meeting  
15 minutes are currently not posted to the Village  
16 website and must be FOIA'd if you want to read  
17 them.

18 At the January 8th Plan Commission meeting  
19 I spoke about the inaccuracy of the October meeting  
20 minutes, and it was determined that Commissioner  
21 Handley had never turned in the documentation of  
22 that meeting, and they were omitted from the  
23 permanent record. Who will be the person now who  
24 is documenting these meetings?

Transcript of Town Hall Meeting  
Conducted on February 29, 2024

1 Residents have been asking for more  
2 transparency in our government, not less. I would  
3 ask that this decision be reversed and continue to  
4 provide the residents with the information they  
5 need to know what's happening in their village.

6 MEMBER SANTANA: Thank you very much.

7 Anybody else on public comment?

8 MEMBER TRANCHIDA: Is this for livestock?

9 MEMBER SANTANA: Public comment.

10 MS. RICHARD: Abigail Richard, last name  
11 R-i-c-h-a-r-d.

12 So we moved to Wayne really thrilled to be  
13 able to keep horses and small animals on an almost  
14 4-acre piece of property. That is like the main  
15 reason we moved to Wayne. We did our due diligence  
16 before buying the property, read the Ordinances  
17 10-7-5A and 10-7B-1A which state the amount of  
18 horses we could have, and it also mentioned  
19 livestock. Not defined. However, Merriam Webster  
20 says animals kept or raised for use or pleasure  
21 would be the definition of livestock.

22 So we thought, we've got kids; great, we  
23 could do 4H; we could have a goat or a sheep.  
24 Reasonably. I'm not going to have 50 or 60, you

1 know, within reason. And then recently we became  
2 aware of the proposals that would remove my  
3 autonomy to keep any livestock except for horses  
4 and to make them a special-use permit, which would  
5 cost a substantial amount of money. For me to  
6 have six chickens, I would now have to pay \$750,  
7 stand in front of all of you, and I might have  
8 one neighbor who doesn't like me --

9 MEMBER RICHARD: Chickens are allowed.

10 CHAIRWOMAN DIMITROFF: Chickens are allowed.

11 MS. MOUROUSIAS: That was -- but in the  
12 minutes Fred Izzo proposed that chickens be made  
13 special use. That was in the minutes. So unless  
14 that's changed --

15 CHAIRWOMAN DIMITROFF: It wasn't voted on.  
16 It was just a comment.

17 MS. MOUROUSIAS: Well, regardless, that seems  
18 ridiculous to me that I can own a 1,000-pound  
19 horse, and I may not be able to have goats or  
20 sheep, and I'm appalled at the absurdity and  
21 elitist mindset of allowing me to have a horse --  
22 and I'm a horse owner. Like take my horses away,  
23 make it fair, but this is not right. Horses  
24 create huge amounts of unpleasant smelling waste.

1 I'm a horse owner, I don't mind it, but I know  
2 just as a fact that a goat or a sheep would create  
3 much less of a disturbance in a community and  
4 they're affordable companionship.

5 We didn't move out here because we only  
6 wanted to have horses. And requiring a special  
7 use permit for this is absurd. Just change the  
8 ordinance to make it just like horses; make it  
9 fair; make it equitable. Say the same thing; per  
10 acre I could have X amount of goats. And make it  
11 make sense. If I could have a 1,000-pound horse  
12 on 2 acres, then two goats seems like it ought to  
13 make sense.

14 Horses and horse people, I being one of  
15 them, should not be given preferential treatment  
16 just because it's tradition. Traditions are great  
17 until they are unjust and inequitable and they pit  
18 people against each other. They pit the horse  
19 people against people who just want a goat or my  
20 7-year-old who wants a sheep or a goat to take to  
21 4H. How is that fair? How is that what our  
22 little community stands for?

23 We didn't move here for this. I don't  
24 want to have to move out of Wayne because my kids

1 can't have horses, chickens, goats, sheep within  
2 reason, and it should be our job to be responsible.  
3 Don't punish my kids because of this.

4 MEMBER SANTANA: Thank you, Abigail.

5 Is there anybody else? Your name, sir.

6 MR. DENNISON: Dennison, last name  
7 D-e-n-n-i-s-o-n.

8 MEMBER SANTANA: Thank you, Mr. Dennison.

9 MR. DENNISON: I've been in Wayne since  
10 the 1970s, lived here my whole life, bought a house  
11 here in the 1980s. It's shortsighted for you guys  
12 to get into what's livestock. It just is.

13 One of my favorite memories here is taking  
14 my kids to a person very well known in this village  
15 and having my kids at Halloween play with goats  
16 and sheep at her house. She has a farm and you're  
17 going to take that away because that's somebody's  
18 idea? A sheep is not intrusive. There was a day  
19 you couldn't have thought of having a pig as a  
20 pet, but they're fantastic pets.

21 But that's what I've always found with  
22 planning commissions, you're shortsighted. When I  
23 moved here, people didn't tread on each other. I  
24 had some guy in my neighborhood -- and I was

1 president of the homeowners association for nine,  
2 years so I know what I'm talking about -- put in a  
3 nine-car garage. You-all allowed that, no big  
4 deal. Doesn't tread on me. It's kind of nice.  
5 And then somebody -- and it never got official; I  
6 don't know where you're at on it now -- says it  
7 was two garages, you're allowed two. Are you  
8 going back to Beverly Hillbillies? But that's  
9 what you're doing. Then you're going to wake up  
10 and say we're going to be three. In 30 years is  
11 three enough? Because when I grew up, one was  
12 standard. Then it became two. Now people have  
13 three. But you have to go to bat every time  
14 you're going to build a garage even when it's  
15 architecturally designed, and it looks good, and  
16 you've got the acreage.

17 But don't be shortsighted. You guys  
18 certainly don't know everything out there that  
19 qualifies as livestock. Talk to some farmers and  
20 find out. There's a bigger world out there than  
21 you guys regulating that.

22 MEMBER SANTANA: Thank you, Mr. Dennison.

23 (Applause.)

24 MEMBER SANTANA: Anybody else?

1 MEMBER TRANCHIDA: Me. Last name  
2 Tranchida, T-r-a-n-c-h-i-d-a.

3 For those of you that don't know me, I had  
4 a herd of dairy goats that I used to show  
5 nationwide. I championed them. It was my hobby.  
6 I loved it. I didn't realize those weren't  
7 allowed on the livestock definition. I've been  
8 fighting this battle for three years. You get  
9 ebbs and flows. We have nothing against goats,  
10 but all of a sudden no one will second a motion to  
11 put them on the ballot.

12 MR. WILSON: I don't think the reporter  
13 can get you when you face the other way.

14 MEMBER TRANCHIDA: I'm sorry. Can I stand  
15 in front of this?

16 MR. WILSON: I don't care as long as she  
17 can hear you.

18 MEMBER TRANCHIDA: So that one fell swoop  
19 left me out of pocket \$60,000. You've got the  
20 cost of the goats, I had the milking equipment and  
21 everything. You can't show goats unless they're  
22 in milk.

23 CHAIRWOMAN DIMITROFF: So, Kathy, the  
24 comment needs to be --

1           MEMBER TRANCHIDA: I'm really batting  
2 1,000 this week.

3           CHAIRWOMAN DIMITROFF: I know; sorry.

4           MEMBER TRANCHIDA: So I don't know what  
5 it's going to take to get them on. We've  
6 obviously had numerous people, probably eight or  
7 nine people now come forward saying they want  
8 goats, and yet the few people on the Board, nope,  
9 nope, nope, we don't want a farming community.  
10 It's not a farming community, no different than  
11 having a German shepherd in your pasture. All  
12 right? They're the same size. Now they're  
13 putting all these restrictions on it. They have  
14 to be --

15           CHAIRWOMAN DIMITROFF: That was a -- what  
16 I sent out was a first pass as an option. That  
17 was just for review.

18           MEMBER TRANCHIDA: So what we've been  
19 talking about -- I mean, goats have been on the  
20 agenda for three years almost, and we just started  
21 talking about them last year like in August. So  
22 you get people to come to these meetings to express  
23 what they want only to find out we won't talk  
24 about goats.

1           I think the agenda needs to reflect exactly  
2 what we're going to speak about at a meeting.  
3 It's only fair to people taking time out of their  
4 day to come and talk.

5           All right. I'm done, thank you.

6           MEMBER SANTANA: Thank you.

7           Yes, sir -- or ma'am; I'm sorry. Step  
8 right up. State your name, please, for the  
9 reporter.

10          MS. ZELAITIS: Carlisle Zelaitis,  
11 Z-e-l-a-i-t-i-s.

12          So I am coming here admittedly not knowing  
13 specifics of anything that's in the works. I just  
14 got wind of people being concerned about limitations  
15 on livestock.

16          MEMBER HANDLEY: They can't hear you back  
17 there. I can barely hear.

18          MS. ZELAITIS: So I got wind of the fact  
19 that people are concerned about owning chickens,  
20 which I seem to understand okay. I still don't  
21 understand how this issue can deeply affect people.  
22 Because we are all very lucky to live in such a,  
23 you know, not rural, like semirural community  
24 where we are more connected to nature, and we're

1 connected to history with our horses and everything.  
2 And given that we have access to this land and  
3 access to resources to be able to keep these  
4 animals responsibly, I personally do not see how  
5 that should be an issue, especially with the state  
6 of the world getting worse and there being  
7 concerns with the cost of eggs or the contents of  
8 some of our store bought foods. So there are a  
9 lot of people that are beginning to approach life  
10 in a more not officially homestead manner but in  
11 that -- in that direction.

12 And I think that people should be allowed  
13 to do that, again, given the fact that we're all  
14 lucky enough to live somewhere as nice and as open  
15 as this. And I just ask that that be considered.

16 MEMBER SANTANA: Thank you.

17 CHAIRWOMAN DIMITROFF: Thank you.

18 MEMBER RICHARD: Thank you.

19 MEMBER SANTANA: The gentleman back there  
20 on the right. Here we go. Come on up.

21 MR. KRUTZ: Round two. My name is Ken  
22 Krutz, K-r-u-t-z.

23 MEMBER SANTANA: Come on Ken.

24 MR. KRUTZ: Got a real short one.

1           You know, one of the things that I think  
2 we have to watch out for in this village and  
3 everywhere is people come up with a personal agenda,  
4 something they don't like, something they do like,  
5 whatever, and suddenly it's here; we're all  
6 talking about it.

7           One of the things we've got to watch out  
8 for is how many people are complaining about your  
9 goats. I mean, has there been a multitude of  
10 complaints? Or how many people are complaining  
11 because somebody has got a cow on their property?  
12 Maybe somebody saw it and said we've got to do  
13 something about that, but it may not be something  
14 that's worth addressing.

15           And this is really kind of creating a --  
16 there's like a line of demarcation here. I can  
17 feel it. It's like us against them. We don't  
18 want that. You know, the animosity, you don't  
19 need that. And I think that things could be --  
20 things have worked out rather nicely in this town.  
21 I mean, in 30-some years I've been here, there's  
22 little tête-à-têtes here and we get skirmishes,  
23 but it's been a pretty nice place all in all, and  
24 we just have to watch out what battles we're

1 trying to pick. Because we're all friends here.  
2 I mean, I consider everybody a friend; I don't  
3 have a problem with anybody. Maybe somebody has  
4 got a different way of thinking about things.  
5 That's okay. But I think the subjective thinking  
6 versus objective thinking is a pretty important  
7 thing to address.

8 So that's my say.

9 MEMBER SANTANA: Thank you, Ken.

10 MR. KRUTZ: I won't be back -- well, maybe  
11 I will. I don't know.

12 MEMBER SANTANA: You're always welcome, Ken.

13 The gentleman in the back and then the  
14 young lady in the green coat.

15 MR. GARDNER: Last name Gardner,  
16 G-a-r-d-n-e-r. We're relatively new to the  
17 village, a couple years. I'm not against any  
18 livestock, but I think that there should be within  
19 reason some limitations to the number of livestock  
20 and that type of thing. I think there should be  
21 some guidelines on that level.

22 MEMBER SANTANA: Thank you. Mr. Gardner,  
23 your first name, please.

24 MR. GARDNER: Dan.

1 MEMBER SANTANA: Thank you, Dan.

2 MS. TRUJILLO: My name is Dawn. My last  
3 name is Trujillo, T-r-u-j-i-l-l-o. A lot of you  
4 guys don't know me. I am an animal lover, and I  
5 do bring quite a bit of strays home. I live next  
6 door to Ed. I used to get complaints because the  
7 police department found a rooster, brought it to  
8 my house, a neighbor somewhere complained, or  
9 walked past, or whatever the hell happened. Ed --  
10 I go, Ed, do you have a problem? Mike comes over,  
11 well, you can't have a rooster, you can't have a  
12 big trailer like that. I'm like, Dude, I have no  
13 complaints. I can change anything. I tell Ed,  
14 Ed's like, I don't hear nothing.

15 They loved when I had the pig there, when  
16 I had my chickens there, when I had turkeys there.  
17 Livestock is part of Wayne. This is a farmland.  
18 This is the whole purpose I bought it. The bottom  
19 of my house is the 1950s and '40s. I have stone  
20 walls. I live here because I want to be in the  
21 nature. I live across the street -- why don't we  
22 pick up all the alcohol on the street? Come on.

23 We have a lot more issues than just animals  
24 here. How about the speeding? I'm the only one

1 practically in a radius besides town that's on the  
2 street. All night I hear squealing tires,  
3 screaming, alcohol beverages being thrown out. My  
4 dogs -- how about the park? I don't mind living  
5 across the street from the park. I love that they  
6 put the water in, the water land. But what about  
7 the people that walked three, four dogs without  
8 leashes? So when my dogs decide that, oh, they're  
9 a threat and they go bite them, who's at fault?

10 Nobody is enforcing other things. People  
11 come from all over different towns to walk their  
12 dogs here. Anything can happen.

13 Thank you.

14 MEMBER SANTANA: Thank you, Dawn.

15 Is there anybody else? Anna.

16 MS. CUNANAN: Anna Cunanan, C-u-n-a-n-a-n.

17 Since off-street parking is on the Plan  
18 Commission agenda, I have a question. If during a  
19 public hearing a member of the public has questions  
20 to the petitioner, which we don't know who that  
21 petitioner is because --

22 CHAIRWOMAN DIMITROFF: There is no  
23 petitioner.

24 MR. WILSON: We don't have a petitioner.

1 MS. CUNANAN: Right. But there always  
2 should be. From what I understand, if there's a  
3 change to the code, you should have a petitioner.  
4 But besides that, if a member of the public wants  
5 to ask a question, are you required to answer it?

6 MR. WILSON: If I can explain for you,  
7 sometimes a matter comes before the Plan Commission  
8 for a zoning change by a petitioner. For example,  
9 they may say they're requesting a zoning change  
10 from a single-family to a duplex. Then you have a  
11 petitioner who has to present a case and who is  
12 then subject to examination. That's a different  
13 situation from where the Plan Commission either on  
14 its own or at the request of the Village Board can  
15 look at any section of the Village zoning code to  
16 determine whether there should be changes recommended  
17 to the Board.

18 MS. CUNANAN: And what code is that?

19 MR. WILSON: So we don't have a petitioner.

20 MS. CUNANAN: What code number is that in?

21 MR. WILSON: I can't tell you from memory,  
22 but if you look at the Plan Commission itself,  
23 section on the Plan Commission in the Village code,  
24 it talks about that.

1 MS. CUNANAN: So I'm just looking at the  
2 conduct of public hearings under 226- --

3 MR. WILSON: Right. But I'm talking about  
4 how a matter even gets to the Plan Commission.

5 MS. CUNANAN: Yeah, that's what I'm saying.  
6 It says, "The applicant will present its petition,  
7 including the" --

8 MR. WILSON: The section on the public  
9 hearing is written in a way where you normally  
10 would have a petitioner. If you read that and the  
11 State statute on the reason to have a public  
12 hearing, it's generally geared towards when you  
13 have a specific petitioner asking for a zoning  
14 change.

15 MS. CUNANAN: Okay. And this is  
16 different. Okay. So now I can ask my question.

17 During a public hearing, if a member of  
18 the public has a question for the Commission, are  
19 you required to answer that question or questions?

20 MR. WILSON: They are not.

21 MS. CUNANAN: So how does that person get  
22 the answer to their questions?

23 MR. WILSON: They are not. The public  
24 hearing is designed for you to give comments, to

1 tell the Plan Commission your thoughts as to what  
2 you think about the matter that is the subject of  
3 the public hearing. In this particular case the  
4 subject of the public hearing was the proposed  
5 recommendations regarding off-street parking. It  
6 isn't designed to be an examination of the Plan  
7 Commission.

8 You can pose a question, but they're not  
9 required to respond either during the public hearing  
10 or at another time. They will take your comments  
11 under consideration, and if they decide to implement  
12 your comments in proposed recommendations, you would  
13 see that in a recommendation to the Village Board.

14 MS. CUNANAN: Okay. So even though it says  
15 the public may ask questions of the petitioner, it  
16 doesn't apply in this case?

17 MR. WILSON: We don't have a petitioner.

18 MS. CUNANAN: Got it. Thank you.

19 MEMBER SANTANA: Thank you.

20 CHAIRWOMAN DIMITROFF: Thank you.

21 Can I ask them a question, the audience?

22 MR. WILSON: If you want. I'm not sure  
23 what --

24 CHAIRWOMAN DIMITROFF: So my question is,

1 the last time we had -- so we had the public -- we  
2 tried to have the public hearing at the Village  
3 Hall which didn't work. So we will have a regular  
4 meeting on Monday. It is scheduled to be in the  
5 Village Hall. There's a limitation of 30 people  
6 in the upstairs.

7 So I guess my question is, for planning  
8 purposes, how many people are considering attending  
9 our Plan Commission meetings moving forward so  
10 that I know where it needs to be. Because I agree  
11 we need to talk about these things, but if we have  
12 it in the Village Hall, and 35 people show up, then  
13 I have to, you know, just adjourn the meeting, and  
14 we don't get anything done for another month.

15 So if you could raise your hand if you  
16 feel like you're going to attend.

17 AUDIENCE MEMBER: Can I ask a follow-up  
18 question? What's going to be discussed at that  
19 meeting? Are we just going over this again? How  
20 will it be different, I suppose?

21 CHAIRWOMAN DIMITROFF: So we'll have a  
22 discussion.

23 MR. WILSON: On all of these things that  
24 are on the agenda.

1 CHAIRWOMAN DIMITROFF: So I will limit the  
2 agenda to what we think we can talk about, but we  
3 will talk about it, and we will come to an  
4 understanding specifically for off-street parking  
5 if we're going to make any modifications to our  
6 recommendation to the Board.

7 So we'll open the meeting, you can have  
8 additional public comment, and then we go into our  
9 meeting, which you are open to listen to. It's a  
10 listening activity after public comment, and we  
11 will talk about things.

12 So you're welcome to, but if we're going  
13 to have a big audience, then I'm going to have to  
14 have the meeting here, and so I just want to  
15 understand if I should just plan for that.

16 AUDIENCE MEMBER: I have a question. So  
17 this Monday's meeting, since the agenda isn't  
18 posted yet because you have tonight's agenda on  
19 there --

20 MR. WILSON: It's posted.

21 AUDIENCE MEMBER: No. Tonight's agenda is  
22 under Plan Commission at the website. So for  
23 Monday, when you do post the agenda, will it just  
24 be off-street parking that you're going to cover,

55

1 will it be livestock, or will it be both?

2 CHAIRWOMAN DIMITROFF: It's probably going  
3 to be off-street parking because it's going to  
4 take us the whole two hours to talk about it, I  
5 mean, to be honest.

6 AUDIENCE MEMBER: And when will that  
7 agenda be posted?

8 MEMBER SANTANA: Peter, hang on. There  
9 was a gentleman back there before you.

10 AUDIENCE MEMBER: Oh, I'm sorry.

11 MEMBER SANTANA: Thank you.

12 AUDIENCE MEMBER: No, I was just saying I'm  
13 going to be there. So did you get a final count?

14 MEMBER SANTANA: Thank you very much.  
15 Peter.

16 AUDIENCE MEMBER: When will that agenda be  
17 posted then?

18 MR. WILSON: At least 48 hours before then.

19 AUDIENCE MEMBER: You've got until tomorrow  
20 then, Saturday -- what's today, Thursday? Sorry;  
21 I thought today was Friday.

22 MEMBER SANTANA: Ken.

23 AUDIENCE MEMBER: Just a quick question.  
24 Normally you do have the meetings over at the old

1 Village Hall.

2 MEMBER SANTANA: Yes, sir.

3 AUDIENCE MEMBER: Why don't they just do  
4 it here on a regular basis.

5 AUDIENCE MEMBER: Because they have to pay  
6 for the room.

7 AUDIENCE MEMBER: All right. Question  
8 answered.

9 CHAIRWOMAN DIMITROFF: We will have it  
10 here if there's enough people, but generally --  
11 (Simultaneous speaking.)

12 THE COURT REPORTER: I can only take one at  
13 a time.

14 CHAIRWOMAN DIMITROFF: One at a time.

15 So it's subject to availability, and  
16 that's a whole change of how we've been running  
17 the meeting, so I would have to check into that.  
18 That's why I'm asking so I can check into it.

19 AUDIENCE MEMBER: Makes sense. I was just  
20 curious.

21 AUDIENCE MEMBER: Well, that's why I asked.  
22 If it's just off-street parking, that may reduce  
23 the number of people. The livestock people wouldn't  
24 show up; they would go to the April meeting.

1 MEMBER SANTANA: The gentleman in the back.

2 AUDIENCE MEMBER: How much does it cost to  
3 rent this for a night?

4 MEMBER SANTANA: I don't have an answer  
5 for you on that; I'm sorry.

6 Dawn.

7 AUDIENCE MEMBER: I understand a lot of  
8 people aren't here today because of a school  
9 function that's going on with their kids, so that  
10 might have an effect on your count.

11 CHAIRWOMAN DIMITROFF: Thank you.

12 All right. So I guess even though the agenda  
13 is not posted, I guess we'll have to continue this  
14 meeting because I don't have this room scheduled  
15 for Monday. So I'll have to work with the Village  
16 in understanding when the next Plan Commission  
17 will be. I don't know what else to do.

18 (An off-the-record discussion was held.)

19 CHAIRWOMAN DIMITROFF: So we're going to take  
20 a vote to propose to adjourn the meeting because  
21 we want to have time to digest your comments before  
22 we come back to the next meeting so we can be  
23 prepared when we have our regular meeting.

24 MEMBER RICHARD: Motion to adjourn.

1           AUDIENCE MEMBER: I have a question for you  
2 guys, if I could. So are you guys going to have a  
3 specific date just like you did with the off-street  
4 parking to specifically address the livestock issue  
5 where people can speak on the livestock versus just  
6 a public comment?

7           MEMBER RICHARD: Could you ask your  
8 question again, please?

9           CHAIRWOMAN DIMITROFF: He wants to know if  
10 we're going to have a public hearing just to talk  
11 about livestock. I will confer with my lawyer  
12 after we talk about it but I would say --

13          MR. WILSON: When you have a specific  
14 recommendation to go to the Board, then you would  
15 have a public hearing on that --

16          CHAIRWOMAN DIMITROFF: But don't we --

17          MR. WILSON: -- on livestock.

18          CHAIRWOMAN DIMITROFF: Don't we want to  
19 get comment for the record before we talk about it?

20          MR. WILSON: You can do that at any public  
21 meeting, but when you have a specific  
22 recommendation -- that goes back to what we talked  
23 about before.

24          CHAIRWOMAN DIMITROFF: We'd have to have

1 two; right? We'd have to have two.

2 MR. WILSON: You don't have to have  
3 two public hearings.

4 CHAIRWOMAN DIMITROFF: But we could.

5 MR. WILSON: It's a philosophical -- do  
6 you want to get input first at a public hearing  
7 and then deliberate, or do you want to deliberate  
8 and then have a public hearing. You can do either.

9 CHAIRWOMAN DIMITROFF: So the answer is  
10 yes, we will do it before. We will have a public  
11 hearing, hear all your comments for the record,  
12 then we'll take those comments like we're going to  
13 do with off-street parking, conduct our regular  
14 meeting and talk about it. If you want to hear  
15 what we talking about, you can come to the meeting.  
16 And what Pete Wilson, our legal counsel is saying  
17 is that we are only required to have one public  
18 hearing on these ordinances. So what would happen  
19 in the public meeting --

20 MR. WILSON: Do you want me to explain  
21 that again?

22 CHAIRWOMAN DIMITROFF: Yes; I'm sorry.

23 MR. WILSON: It's a philosophical difference  
24 from different public bodies as to when they do

1 the public hearing. In some cases they do the  
2 public hearing before they consider any specific  
3 recommendations so that they have the public input  
4 to start with. In other instances they deliberate  
5 and come up with some recommended changes and then  
6 have the public hearing to see if there's anything  
7 more that needs to be done. But there only needs  
8 to be one public hearing with respect to an issue  
9 involving a change in language affecting the  
10 zoning ordinances.

11 AUDIENCE MEMBER: Okay. And when will --

12 MR. WILSON: So the Board can decide at  
13 which point they want to do the public hearing,  
14 whether they want to talk about the issue first  
15 and then have a public hearing or whether they want  
16 to have a public hearing first and then get input.

17 So, for example, there was a public hearing  
18 back in December of 2022 where off-street parking  
19 was the subject. It was listed as being one of  
20 the subjects of that public hearing, and at that  
21 time not very many people or no one for all I know  
22 showed up, so they went ahead and deliberated and  
23 came up with a recommendation. And then because  
24 there was so much public interest, even though it

1 was discussed at successful different public  
2 meetings with public comment available, it then  
3 went to the Board, and people showed up and made  
4 comment, and the Board said, let's have a public  
5 Town Hall meeting to get some input on off-street  
6 parking. So the Town Hall meeting was held, and  
7 still people said, well, but we want to have a  
8 public hearing on the current proposed ordinance,  
9 and that's why we're here tonight.

10 AUDIENCE MEMBER: Okay.

11 MR. WILSON: So I can't answer for you when  
12 the Board will decide -- the Commission will decide  
13 to have a public hearing regarding livestock, but  
14 I can tell you that before the Village Board would  
15 act on an ordinance changing anything with respect  
16 to livestock, there will be a public hearing.

17 AUDIENCE MEMBER: Okay. And that's not  
18 right now?

19 MR. WILSON: That's not now.

20 MEMBER SANTANA: So, Mike, in a nutshell,  
21 anybody here -- any resident in the village of  
22 Wayne is welcome to attend the Plan Commission  
23 meetings the first Monday of the month. That  
24 agenda is published on the Village website, and if

1 there's something on that agenda that is to your  
2 interest, you're more than welcome to attend, and  
3 you're more than welcome to make your public  
4 comment and/or concerns at that meeting, whether  
5 it be at the Village or the public meeting.

6 MR. WILSON: Yes.

7 MEMBER SANTANA: So in a nutshell, that's  
8 what it is.

9 AUDIENCE MEMBER: So I can save my comment  
10 for the specific issue and not waste everybody's  
11 time on a public comment? If that makes sense.

12 MEMBER SANTANA: You can. It's open. So  
13 step right up.

14 AUDIENCE MEMBER: Hopefully I get this  
15 done in three minutes here.

16 MEMBER SANTANA: So your name. And spell  
17 your last name for the --

18 MR. BARBIC: Michael Barbic, B-a-r-b-i-c.

19 MEMBER SANTANA: Go ahead.

20 MR. BARBIC: My name is Michael Barbic.  
21 For those of you that don't know me, we moved to  
22 the village back in 2022. I'd like to say first  
23 of all that it was never my intention when we moved  
24 here to create a nuisance but rather bring value

1 and camaraderie to our community. Value in the form  
2 of education related to sustainable small scale  
3 organic gardening and pass that knowledge onto my  
4 children and to our community. I'd like to  
5 apologize to anybody that may be offended by that.

6 A little bit about me. I'm 33 years old.  
7 I served in the Marine Corps for six years as a  
8 machine gunner and been deployed three times with  
9 Second Battalion First Marines. I --

10 MEMBER RICHARD: Thank you for your service.

11 MR. BARBIC: Thank you.

12 AUDIENCE MEMBER: Thank you.

13 MR. BARBIC: -- finished my enlistment and  
14 separated honorably as a sergeant in 2017. After  
15 the fast-paced lifestyle of being a marine, I  
16 wanted to start a family and live a quiet life.

17 I grew up around agriculture and spent my  
18 summers working with my dad and helping my grandpa  
19 on his farm in central Illinois. It wasn't until  
20 I had my own children that I realized that the  
21 majority of produce in our grocery stores were  
22 labeled products of Mexico, product of Chile, or  
23 some other country in South America. At the start  
24 of the 2020 pandemic within a few hours all of the

1 grocery stores had empty shelves. This is a  
2 terrifying realization for a new father, and it  
3 showed us just how fragile and unprepared our  
4 local food supply chain really is. This inspired  
5 us to take action instead of sitting idle and  
6 relying on other people we don't know to provide  
7 us with food. Our goal is to create a new food  
8 supply for our family and share that with our  
9 local community. With the current instability  
10 around the globe and another world war looming on  
11 the horizon, food security should be everybody's  
12 top priority.

13 In 2022 with a little bit luck we were able  
14 to sell our house in Carol Stream and pursue our  
15 dream of owning some land and raising small  
16 livestock. Wayne, which is rich in agricultural  
17 history is a rural oasis nestled in the center of  
18 urban sprawl. We could not think of a town more  
19 suitable for a small market garden.

20 Since we started, our chickens have been  
21 an essential part of our market garden. Chickens  
22 provide pest control, they eat the ticks and the  
23 pests that threaten our children and our crops.  
24 Our chickens eat all of our kitchen scraps which

1 dramatically reduces our household waste that  
2 otherwise go to a landfill. I didn't know that  
3 the chickens were not a thing, so my whole speech  
4 is about chickens, but I'll cut to the chase.

5 Owing chickens has been a life changing  
6 experience for me and my family. It teaches my  
7 children responsibility. My daughter is 4. She  
8 has more responsibility than anybody her own age.  
9 In the morning she runs outside, lets the chickens  
10 out, feeds them, refills their water, collects the  
11 eggs and brings them inside for breakfast. My son  
12 is 2. He loves playing with them, and he assists  
13 my daughter every day with her daily chores.

14 All of our vegetable waste from our garden,  
15 our grass, and our greens are all rich in  
16 nitrogen, which plants need to grow fruit. Our  
17 chickens eat these greens and waste. The nitrogen  
18 is passed through manure, which we collect and add  
19 to our compost bins. After six to eight months,  
20 it is ready to use. We plant it in spring with  
21 our first plantings. We save the egg shells which  
22 are rich in calcium and add them to our compost.  
23 Whenever we harvest, we take nutrients from the  
24 land. We are giving these nutrients back through

1 our composting program and through our chickens.  
2 Our goal for our property is to create a self-  
3 sustaining ecosystem to reduce waste going to the  
4 landfills, to eliminate all outside inputs going  
5 into our growing system, and providing organic  
6 produce for our family and our community. This is  
7 not possible without our livestock.

8 Abraham Lincoln once said --

9 MR. WILSON: Your three minutes are up.

10 MR. BARBIC: All right. Thank you.

11 MEMBER SANTANA: Thank you very much.

12 MR. WILSON: Sir, you should know that  
13 chickens are allowed.

14 MR. BARBIC: I know. I realized that when  
15 I got here but that's my comment, thank you.

16 MEMBER SANTANA: Abigail.

17 AUDIENCE MEMBER: So I've got more of a  
18 question. So we were given a notice of the last  
19 village meeting. I got a nice postcard, which is  
20 great. But I got nothing about today.

21 So as someone who is very invested in the  
22 agriculture thing, I'm scared I'm not going to be  
23 told when there's going to be a meeting where my  
24 voice will matter. And I'm about to have a baby,

1 and I don't want to be trying to scroll down Facebook  
2 on everybody's threads to see when where, how, and  
3 why. We need to be told about this stuff.

4 I also have a question about like if this  
5 takes effect and they decide -- like I didn't know  
6 because it's not written there, but I read the  
7 minutes when Fred had proposed that chickens are  
8 special use. When are you going to come get my  
9 chickens, when are you going to come turn in the  
10 people with the goats? Like timelines for if this  
11 does change, when it does change, we need to know  
12 this, and we're not even being told when the  
13 meetings are.

14 So I'm worried that all these neighbors  
15 who don't know -- you know, like we were talking  
16 about elderly neighbors who aren't on Facebook or  
17 social media. There needs to be flyers and leaflets  
18 with plenty of time in advance to get babysitters  
19 or transportation and stuff like that.

20 So that's my big concern is that there's  
21 like zero transparency here; I don't know when  
22 this is going to happen.

23 CHAIRWOMAN DIMITROFF: So all the meetings  
24 are posted on the website. If they're not easy to

1 find or if you're having trouble finding it, I  
2 guess that commentary would be welcome.

3 AUDIENCE MEMBER: It's not easy to find.

4 AUDIENCE MEMBER: It never has been.

5 AUDIENCE MEMBER: Just to piggyback off of  
6 that, Pete, if you could answer for me maybe for  
7 the people in the room that don't understand the  
8 difference between a Town Hall and a public  
9 hearing. There are some marked differences  
10 especially related to what's written in public  
11 record.

12 MR. WILSON: There's two things. One of  
13 the key factors is that people have an opportunity  
14 to hear what the Plan Commission is considering  
15 and to speak about it. So that's why at their  
16 regular meeting, which is the first Monday of  
17 every month, you will see on every agenda public  
18 comment. And the agenda posts what the Plan  
19 Commission is going to consider at that meeting,  
20 and you have the opportunity to come and speak  
21 about it at every meeting.

22 The Town Hall is not in the normal scheme  
23 of things but was requested by the Village Board  
24 because there was a lot of public interest in the

1 question of the off-street parking, and so it  
2 seemed like that would be a good way to get public  
3 comment from as many people who were interested in  
4 the issue as possible.

5           The State statute does say that there will  
6 be a public hearing before an ordinance is passed  
7 that changes a provision in the zoning code. There  
8 was a public hearing in December of 2022 addressing  
9 off-street parking, but because there's been so  
10 much interest and it was carried over, it was  
11 determined by the Plan Commission to have another  
12 public hearing, which is what has occurred  
13 tonight. At the public hearing, by statute the  
14 speakers are under oath, that's the only  
15 difference.

16           So the question was, is the Plan Commission  
17 getting feedback from the public about off-street  
18 parking, and I think we can say at this point that  
19 it's been on their agenda a number of times over  
20 the past year where people have the opportunity to  
21 speak about it, people came to the Village Board  
22 and spoke about it, people came in January to the  
23 Town Hall and spoke about it, and many of you have  
24 come tonight and spoken about it.

1           So I think we can say the Plan Commission  
2 is getting your feedback on the question of  
3 off-street parking.

4           MS. CUNANAN: Thank you. But just to  
5 confirm, any comments in the Town Hall are not on  
6 public record. They're not recorded anywhere on  
7 public record?

8           MR. WILSON: I don't know whether there  
9 were any recordings made. There was not a  
10 recording made by the Plan Commission, but I can  
11 tell you that the Plan Commission was here and  
12 heard the comments made, so they did get public  
13 feedback.

14           MS. CUNANAN: And then one last question.  
15 Why was the Town Hall broadly advertised, a mass  
16 emailing to everyone in the Village and mailings  
17 to everyone's P.O. box or their home box, but  
18 public hearings are not just for the people to  
19 understand?

20           MR. WILSON: The only legal requirement  
21 for the public hearing is that it be published in  
22 the newspaper not less than 15 or more than 30 days  
23 before the public hearing. That was done.

24           However, the announcement was made a

1 number of times concerning tonight's meeting both  
2 at the Village Board meeting at the last -- when  
3 it was continued to tonight, that was announced as  
4 a specific date, and time, and place.

5 So it was announced for everyone who was  
6 present at the last meeting, and it was published  
7 on -- I believe it was on the website, as well.

8 MS. CUNANAN: But the Plan Commission does  
9 not -- none of the commissions offer Zoom. The  
10 board meetings offer Zoom.

11 CHAIRWOMAN DIMITROFF: We are moving  
12 forward. So there is a Zoom tonight, and there  
13 will be moving forward.

14 MR. WILSON: And the Town Hall meeting was  
15 also on Zoom.

16 MEMBER SANTANA: Peter.

17 AUDIENCE MEMBER: Just a quick question.  
18 For transparency, the only way we can get these --  
19 this is the only commission where we can see a  
20 stenographer. Why are you going to stop doing  
21 this after all these years?

22 MR. WILSON: That's not my decision.

23 AUDIENCE MEMBER: I'm asking the Commission.

24 MR. WILSON: I'm not sure that they're

1 prepared to answer that for you. I can tell you  
2 this, that typically in most municipalities there  
3 is only a court reporter for public hearings and  
4 that portion of the meeting only.

5 AUDIENCE MEMBER: I can only speak from  
6 the meetings I've been to, there's been --

7 MR. WILSON: Any more than you rarely will  
8 see a court reporter at a Village Board meeting.

9 AUDIENCE MEMBER: Why stop all of a  
10 sudden? Because all the sudden you were being  
11 quoted and you didn't like that?

12 MR. WILSON: For one thing, it's expensive.

13 AUDIENCE MEMBER: Right. But you've been  
14 doing it for years, every meeting I've seen. This  
15 is the first time I've seen a lawyer at your  
16 meeting in two years.

17 MR. WILSON: Well, no, that's not correct.

18 AUDIENCE MEMBER: Well, it's been a while.

19 MEMBER RICHARD: There's a motion to  
20 adjourn on the table.

21 CHAIRWOMAN DIMITROFF: Hold on.

22 So in several more meetings it's been brought  
23 to our attention that we were not following our  
24 rules of procedure. So having a lawyer present

1 moving forward at every meeting follows our rules  
2 of procedure; appointing a secretary to take  
3 meeting of minutes follows our rules of procedure.  
4 So that's why we're changing.

5 MEMBER SANTANA: There's a motion to adjourn.

6 CHAIRWOMAN DIMITROFF: I know.

7 MEMBER HANDLEY: So we're going to have to  
8 pick a new date for the next meeting.

9 CHAIRWOMAN DIMITROFF: I'm sorry; one more  
10 question.

11 AUDIENCE MEMBER: Can I just get a  
12 clarification on one of the things you said? So  
13 notification for the public hearing is no more  
14 than 30 days out and no less than 15?

15 MR. WILSON: It's the publication in the  
16 newspaper.

17 AUDIENCE MEMBER: In a newspaper?

18 MR. WILSON: Correct.

19 AUDIENCE MEMBER: So my point really to  
20 the Board is newspapers are dying.

21 MR. WILSON: That's the State statute. We  
22 have to do it that way. It's not my choice.

23 AUDIENCE MEMBER: I'm just saying if the  
24 Board wants the word to get out, do not please

1 rely on newspapers.

2 CHAIRWOMAN DIMITROFF: I understand.

3 Thank you.

4 MR. WILSON: That's correct and that's why  
5 it's published on the website, and the agenda is  
6 posted also more than 48 hours in advance.

7 CHAIRWOMAN DIMITROFF: All right.

8 Thank you.

9 MEMBER SANTANA: Motion to adjourn by Greg  
10 Richard and I second.

11 CHAIRWOMAN DIMITROFF: All those in favor.

12 (Ayes heard.)

13 CHAIRWOMAN DIMITROFF: Any opposed.

14 (No response.)

15 CHAIRWOMAN DIMITROFF: Thank you for your  
16 time today.

17 (Off the record at 8:21 p.m.)
