Mankind, within the last several generations seems to have taken its next step in evolution. Due to the red tide algae blooms releasing strange microscopic toxic spores, identified, and labeled as Xenospores into South Florida's air, waterways, and farmlands by way of Lake Okeechobee. These Xenospores infiltrated all sentient and organic life forms they encountered, forever altering them on the genetic level unknowingly, some more than others.

Hard C.O.R.E Chronicles of the Hit Squad is an exciting new series that will take you into the lives of several of these young genetically altered individuals, brought together by an unknown fate. Join them, as they elucidate suspicious government cover-ups, mysterious encounters, and discover something new within themselves.

This first issue is going to introduce you into the harsh illegal underground fight organization known as The Pit and the extraordinary rising star in those ranks. A young man by the name of Kelton Blackman aka 8 Ball as he embarks upon an adrenaline filled quest for hollow fame and quick fortune but finds himself entangled in circumstances beyond his wildest expectations.

AN ILLEGAL UNDERGROUND FIGHT OPERATION FOR INDIVIDUALS WHO POSSESS EXTRAORDINARY POWERS AND/OR ABILITIES IN THIS NEW AGE. THE PIT IS KNOWN AS THE PROVING GROUNDS BY THE COMBATANTS.

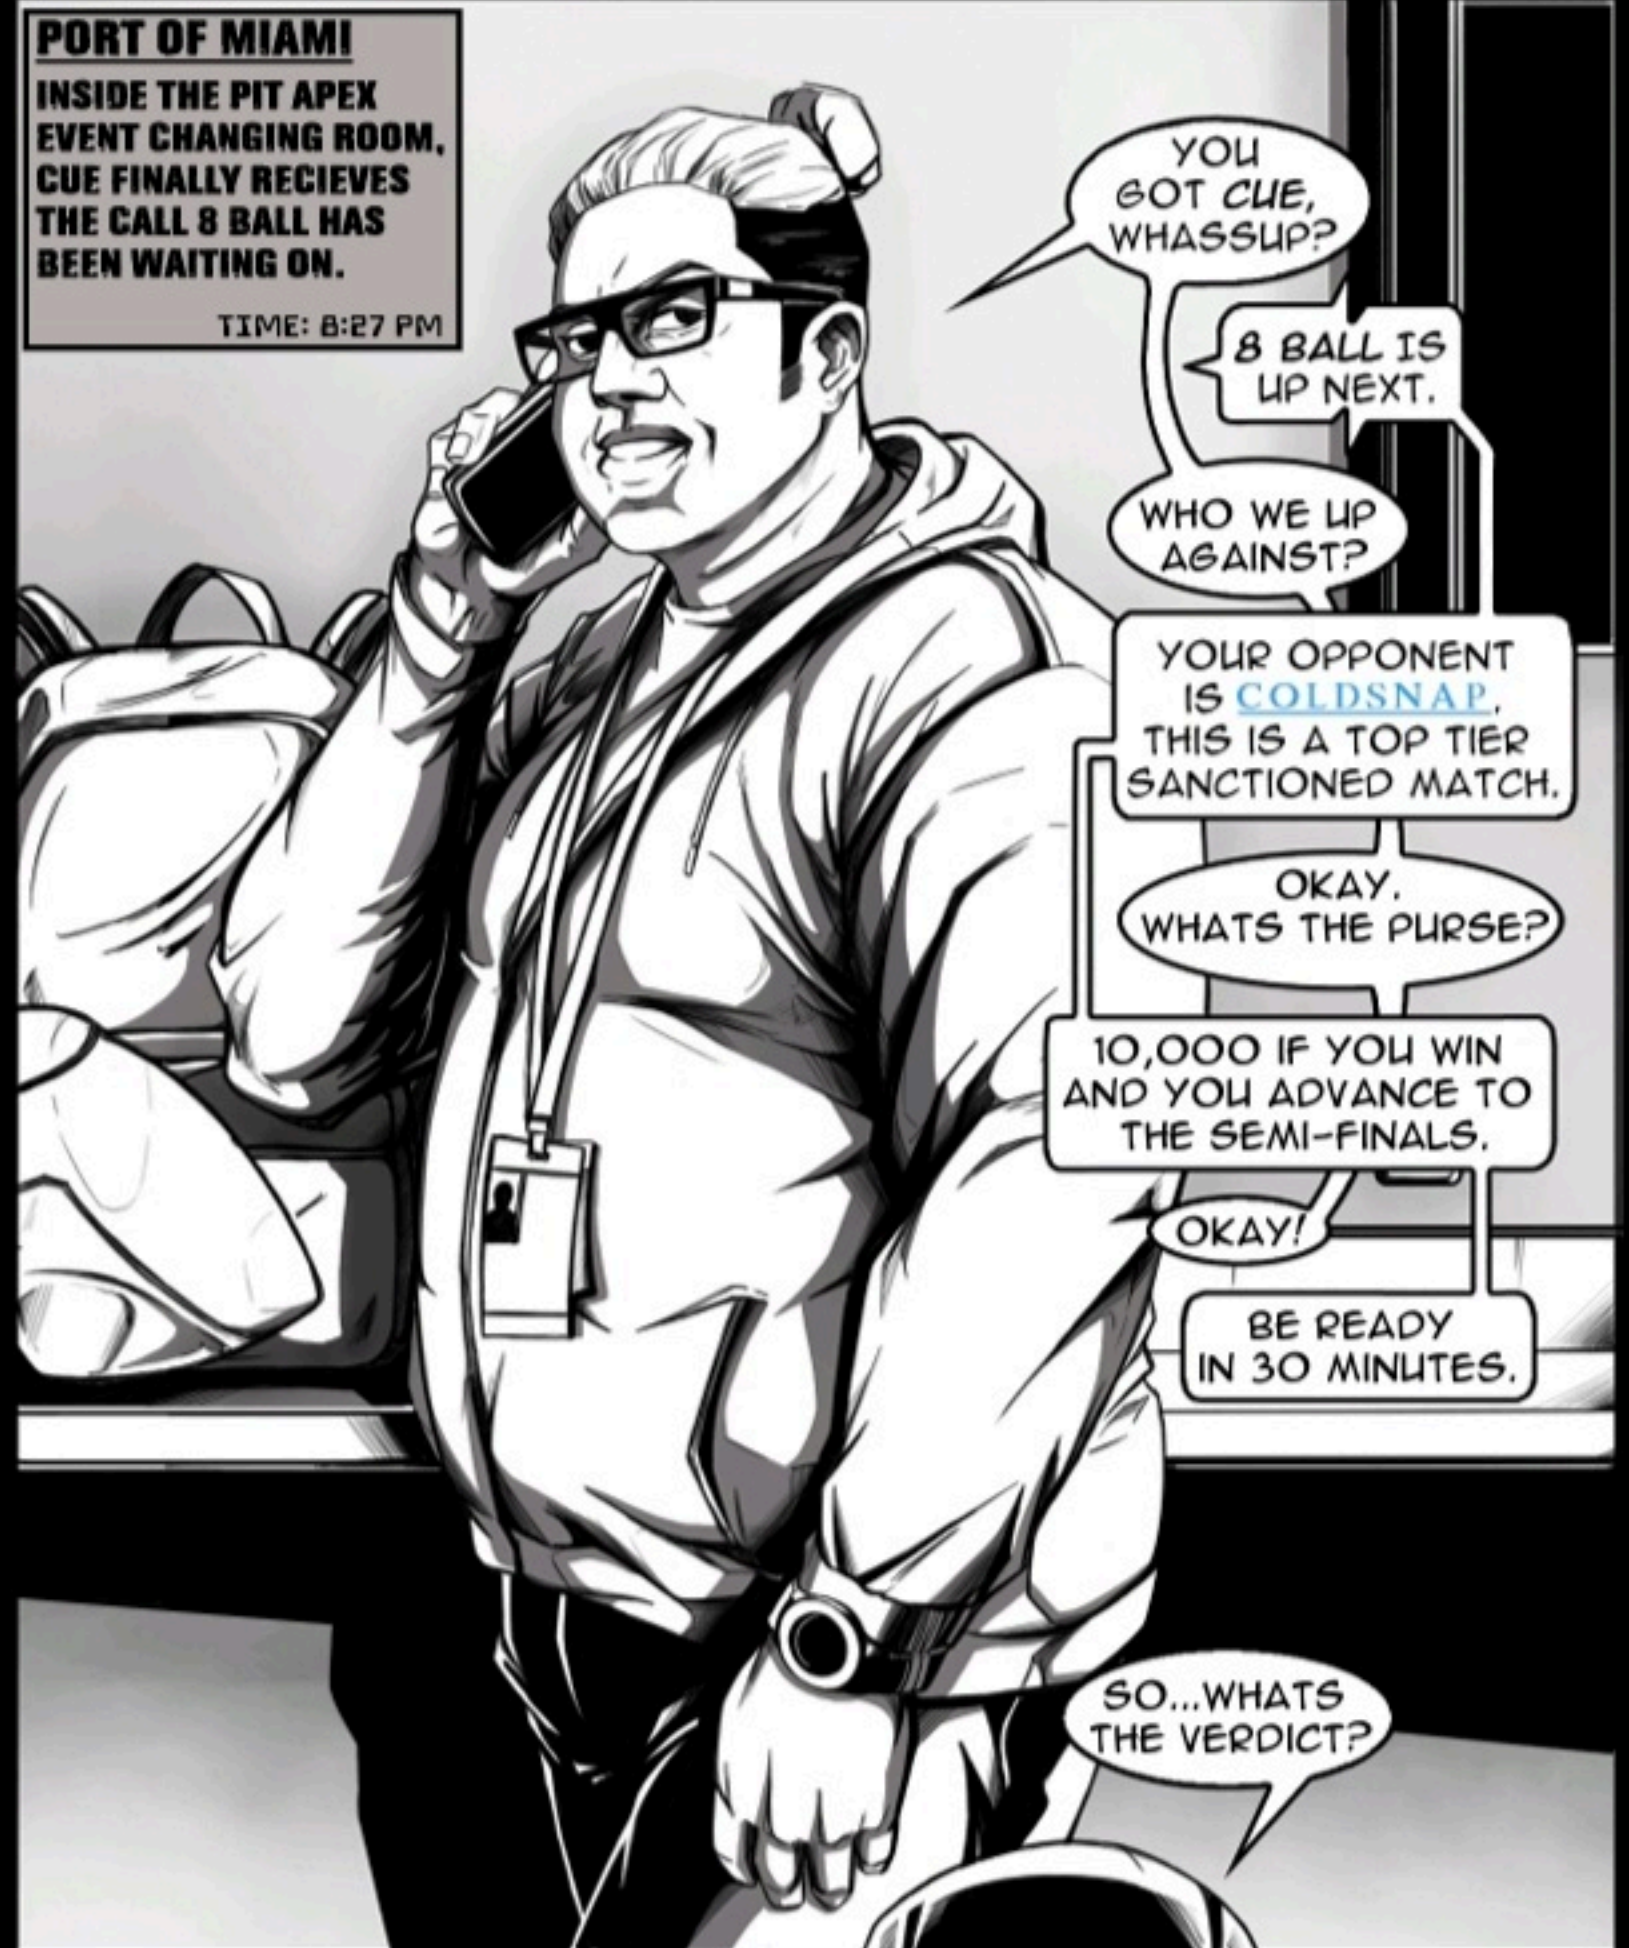

THIS IS WHERE THE FIGHTERS HONE THEIR SKILLS AND ABILITIES FOR MONEY, REPUTATION, GANG DOMINANCE, AND OVERALL ENTERTAINMENT. THESE EXCLUSIVE FIGHTS ARE VERY LUCRATIVE AND HELD IN DISCREET UNDISCLOSED LOCATIONS. THEY ARE BROADCAST WORLDWIDE BUT CAN ONLY BE VIEWED ONLINE THROUGH A HIGHLY ENCRYPTED NETWORK LINK OR IN PERSON BY SELECT ENCODED DIGITAL INVITE.

OVERSEEN AND ORGANIZED BY THE LOCAL **PIT BOSSES** UNDER THE AUTHORITY OF **THE PROPRIETOR** AND FUNDED BY PRIVATE WEALTHY INVESTORS, SPONSORS, AND THE ADORING AUDIENCE WHO BET HEAVILY ON THEIR FAVORITE FIGHTERS OUTCOME. THE UNSANCTIONED MATCHES ARE BRUTAL AND SOMETIMES DEADLY.

THERE ARE **NO RULES** INSIDE THE PIT. YOUR ONLY OPTION IS TO WIN OR LOSE. OUTSIDE THE PIT ARENA THERE ARE RULES THAT ALL PARTICIPANTS MUST ABIDE BY. IF THESE RULES ARE BROKEN FOR ANY REASON AT ALL HARSH AND SWIFT REPERCUSSIONS WILL ENSUE.
