BRILL, BUCKINGHAMSHIRE

## Spring 2025 Tulip List

# Locally Grown British Flowers

Here at Rymans Farm flowers in Buckinghamshire we grow beautiful flowers for local event florists. We specialise in tulips, ranunculus, peonies, roses, limelight hydrangeas and dahlias.

This year we are growing 20,000 specialist tulips, many double, parrot and fringed varieties that are hard to find elsewhere and that bring a special touch to a bouquet or display. These are quality tulips, with great stem length and vase life.

The following pages provide you with details of the tulips that we are growing and when we expect them to be available, subject of course to the weather.

If you would like to be notified of availability please subscribe to our wholesale list which we send out at the end of every week from the start of March through to the end of October. Subscribe at:
