Dahlias

Locally Grown Dahlias

Here at Rymans Farm Flowers in Buckinghamshire we grow beautiful cut flowers for local event florists. We specialise in tulips, peonies, roses, limelight hydrangeas and dahlias.

We grow over 1500 dahlias plants, in over 90 varieties that come in a spectrum of colours, sizes and forms. Dahlias make the most fantastic statement focal flower. Take a look at the events section of our website for inspiration.

The following pages provide you with details of the dahlias that we grow. They will be available from mid August until the first frosts. We sell by colour palette and cannot guarantee a specific variety.

If you would like to be notified of availability please subscribe to our wholesale list which we send out at the end of every week from the start of March through to the end of October. Subscribe at:
