

Consulting | Management | Support

ICU Elevate provides project and operations consulting services to federal and commercial organizations, helping clients achieve measurable results through structured strategies, strong leadership, and operational excellence.

As a Minority- and Women-Owned Small Business with SBA certification in progress, ICU Elevate brings advanced education, industry-recognized certifications, and active security clearances to every engagement. We are committed to excellence and delivering innovative, sustainable solutions that drive mission success and long-term impact.

DIFFERENTIATORS

What Sets ICU Elevate Apart?

- Mission Success Focused – Structured strategies designed to achieve measurable outcomes aligned with client goals.
- Servant Leadership – Collaboration, accountability, and transparency built into every engagement.
- Proven Expertise – Advanced education (DBA – expected 2025, MPA) combined with globally recognized certifications (PMP, PMI-ACP, CSM, ITIL 4, Security+).
- Cleared and Contract-Ready – Active Secret and Interim Top Secret clearances ensure immediate operational readiness.
- Integrated Approach – Strategy, process, and people-centered leadership combined to deliver sustainable success.

Clients choose ICU Elevate for our mission focus, technical expertise, and people-centered leadership that deliver measurable, sustainable results.

CORE CAPABILITIES

ICU Elevate delivers consulting solutions that strengthen projects and operations through structured strategies, strong leadership, and sustainable practices. Our expertise spans the following areas:

Project Consulting

Our Project Consulting services provide structure and leadership to move initiatives from concept to completion. We help organizations plan, manage, and execute projects with clarity, accountability, and measurable outcomes.

Our services include:

- Program and Project Management
- Requirements Analysis
- Strategic Planning
- Risk Management

Operations Consulting

Our Operations Consulting services focus on building resilient, efficient processes that align with organizational goals. We partner with clients to optimize workflows, enable teams, and drive long-term performance.

Capability Statement

Our services include:

- Process Improvement & Workflow Optimization
- Change Management & Facilitation
- Training & Workforce Enablement
- Organizational Development

Hybrid Consulting

Our Hybrid Consulting services integrate project and operations expertise with innovation and compliance. We deliver tailored solutions that address today's challenges while preparing for future demands.

Our services include:

- AI-Driven Innovation
- Cybersecurity Compliance Support
- Integrated Project & Operations Solutions
