## About Us

**At Groton Community Health Care Center,** We are a local nonprofit, located in the heart of the beautiful Finger Lakes region of New York State. Nestled between Ithaca and Cortland, we are dedicated to providing exceptional care to individuals in need of short-term rehabilitation, skilled nursing, long-term care, and palliative care services. Our center offers a warm, welcoming environment where patients can receive the personalized care and attention they deserve.

Our experienced and compassionate staff work closely with each patient and their family, to develop a customized care plan that meets their unique needs and goals. Whether recovering from surgery, managing a chronic condition, or seeking end-of-life care, our team is committed to delivering the highest standard of care.

*"Knowing that dad is cared for by so many friendly and compassionate people, is a wonderful comfort to us."*

## Our Services

### Short-Term Rehabilitation

Tailored therapy programs to help individuals regain independence after a surgery, injury, or illness.

### Skilled Nursing

Around the clock nursing care for those with complex medical needs or who require specialized medical attention.

### Long-Term Care

Comprehensive care for individuals with chronic conditions or disabilities and need assistance with daily activities.

### Palliative Care

Compassionate care focused on comfort and quality of life for patients with serious illnesses, provided alongside curative treatments when appropriate.

### Therapeutic Recreation

A comprehensive, ongoing program of activities designed to meet the interests of our residents. Designed to offer leisure activities that provide a balance of physical, mental, and psychosocial stimulation for each resident.

*"Thank you for the wonderful care you are giving my mother. You really are angels!"*
