

Student Name for Donation: \_\_\_\_\_

Participants have the opportunity to donate their book and character pumpkin. In previous years, the pumpkins have been donated to patients in the local children's hospital and to a Women's shelter. If you would like to donate, please be sure to include the book with your craft pumpkin. We would like these patients to enjoy the gift of an awesome story and the character pumpkin to go with it!

**\*\*Please do not put any names on the pumpkin or book. The donation is anonymous. \*\***

If you would like to donate your book and pumpkin this year, please complete this form:

- I understand I can only donate if I donate the book that correlates with the character pumpkin.
- I understand I will not be getting the donated materials back.
- I understand I can only donate craft pumpkins made from sturdy foam, wood, plastic, paper mâché, etc.
