

Yogadelic Subscription is yogadelic's online resource for movement and meditation practices. The software used is Vimeo's monthly subscription service. Membership is \$8 a month for unlimited streaming. All creator videos become property of yogadelic and will remain in the subscription library at yogadelic's discretion. Video's will be submitted to website for review. All Creators are required to submit one sample video (of length <60min) for review prior to submitting their first official submission. Any Creators new to self-filming are encouraged to film at least 3 videos for constructive review sessions prior to filming official submissions. The sample videos will not be compensated but will remain property of the Creator. Any videos not accepted for the Subscription library will not be compensated and will remain property of the Creator.

Video Requirements

Full Length Practices (60) minutes:

Full length videos need to have sufficient warm up and cool down periods with a final rest/meditation

Short Sessions (10/20/30) minute

Focus on specific region of the body or general

Examples: Hip opening/arm balance progression/leg flexibility/10 minute morning wake up

Video quality

Apple iphone or camera of equal/better quality. If self-filming, utilize a tripod to stabilize camera

Audio quality

Realtime or voice over

(iPhone recorder is sufficient to record teacher voice in a sound controlled environment)

Video edits

Submit video with proper lead in/out frame edits

Creator Payments

One time payment (Upon launch day)

\$1 per minute of video

Delivered within 2 weeks of reviewing submission

Referral Payments (in the future)

10% of total monthly subscription referrals to be paid out at years' end.

Example: Teacher refers student to Yogadelic's Subscription service with teacher coupon code.

The student enters the code and subscribes to monthly recurring or one year. At year's end the teacher is paid 10% of the total payment. One month: \$0.80 10 months: \$8.00
