

How to get started at Milestones Pediatric Therapy

Referral Process

- Your child's PCP will need to fax us a referral at 501-286-6175 for the discipline of therapy you are inquiring about (OT, PT or Speech)
 - We do require a referral even if your insurance does not require it.
- You, the parent, are more the welcome to drop off the referral to our office at any time.
- Once we receive your child's referral, we will call you to schedule an evaluation.
