Colorado River Tea Party Mission Statement

The Colorado River TEA Party mission is to attract, educate and mobilize fellow citizens; to secure public policy which stops the growth of excessive government, irresponsible spending and runaway taxes; to help elect, without directly endorsing, political representatives who are consistent with our core values; and to re-establish the Constitutional Foundation of our Country.

Dear faithful Patriots,

Just knew you would all want to see a picture of my triplets playing at their table and the beautiful view of the mountains at the window of the house their daddy just finished building.

Thank you Gilbert and Carla for once again hosting such a delicious and delightful celebration. FANTASTIC!

I highly recommend that you read the entire articles I included this week, especially the Ivermectin piece. Our government has absolutely murderous intent in discouraging the use of that drug.

The Jefferson Bible article needs to be read completely as well. Once again criminal intent. We'll see many of you in Phoenix

tomorrow.
Drive safely and God Bless you ll.

Today's BIG Lies

“This decision by Kevin McCarthy to bow to the demands of the most extreme elements of his conference and use the Intelligence Committee as this kind of political plaything doesn’t show the strength of his speakership.”

Congressman Adam Schiff

“Up to \$139,000, you pay slightly more [in taxes] the more you make. But it stops there. And so, if you’re making a billion dollars, you pay the same amount you’re paying if you made \$139,000.” —Joe Biden

“Economic growth is up. ... Jobs are the highest ... in American history. And wages are up, and they’re growing faster than inflation.”

Joe Biden

“Title 42 contributes to the growing problems of xenophobia and anti-immigrant violence.”

Congresswoman Judy Chu

**Colorado River Tea Party Meeting
Minutes January 19, 2023**

The meeting was called to order by Jim at 6:00 PM

Invocation was given by Tanya

Pledge of Allegiance was led by Big Wayne

Mission Statement was read by Jim

Officials present tonight are District #1 School Board members -Keith Ware and Andrew Gier, City Councilmen - Art Morales and Carol Smith, Legislative District 23 House - Michele Pena. The Tea Party is celebrating our representatives election victories tonight with a celebration dinner offered by Gilbert, Carla and Tanya. We also had two first time guests, Mark and Linda.

Secretary and Treasurers Report. Wes made a motion to forego both reports, Neil seconded. The motion passed.

Ways and Means Report. Carla reported that the Date Festival had a great turnout and wanted to thank all the volunteers who worked the event. We signed up 20 new members, handed out flags and buttons and sold a large amount of merchandise contributing to a very successful day. Our next major event is the BBQ and Brew Festival on Main Street, March 10 & 11 from 9 AM to 9 PM. Carla made a motion to have a Tea Party booth at the event. Arlene seconded and the motion passed. Carla secured a commitment of 10 volunteers to work the booth and we will be asking for additional members to help out at future meetings.

Our Speakers tonight are our election winner officials. Each representative spoke briefly of what they hope to accomplish in their new positions and thanked all of the members for their support.

Old Business. Jim mentioned that Linda Bowen with Patriot Academy will be holding a Biblical Citizenship class via zoom from January 24th through 27th from 12:00 PM until 4:00 PM. Contact Jim for Linda's phone number to sign up for this class.

Greg Wilkerson announced that the Lincoln Day Dinner event date has changed and will now be held March 16th at Brit Farms at 5:00 PM. The main entree is Tri Tip and there will be a raffle, auction, music and dancing. The cost is \$100.00 per person and \$1000.00 for a table of eight. All of the Precinct Committeemen will be offered a 50% discount. Contact Greg or Tanya Wright for more information. This event will conflict with our Thursday night Tea Party meeting and it is possible that the Tea Party meeting will be canceled on March 16th as several members plan to attend this event.

Good of the Order. Neil offered his biweekly dose of insanity news. Please take a few minutes to access these recommended websites and definitely sign up to join the movement to recall Katy Hobbs on July 2nd. This is news you will not find on main street news stations, including FOX.

Motion to Adjourn. Jim made motion to adjourn at 7:15 PM and we all dispersed with full tummies into the very chilly winter night.

Respectfully Submitted
Nikki Pollard - Secretary

Did someone or something seize control of the United States?
What happened to the U.S. border? Where did it go? Who erased it? \

Since when did money not have to be paid back? Who insisted that the more dollars the federal government printed, the more prosperity would follow? When did America embrace zero interest? Why do we believe \$30 trillion in debt is no big deal?

When did clean-burning, cheap, and abundant natural gas become the equivalent to dirty coal? How did prized natural gas that had granted America's wishes of energy self-sufficiency, reduced pollution, and inexpensive electricity become almost overnight a pariah.

Was it not against federal law to swarm the homes of Supreme Court justices, to picket and to intimidate their households in efforts to affect their rulings? How could these mobs so easily throng our justices' homes, with placards declaring "Off with their d—s"?

Since when did Americans create a government Ministry of Truth? And on whose orders did the FBI contract private news organizations to censor stories it did not like and writers whom it feared?

How did we wake up one morning to new customs of impeaching a president over a phone call?

When did we assume the FBI had the right to subvert the campaign of a candidate it disliked? Was it legal suddenly for one presidential candidate to hire a foreign ex-spy to subvert the campaign of her rival?

Was some state or federal law passed that allowed biological males to compete in female sports?

How could it become illegal for mom-and-pop stores to sell flowers or shoes during a quarantine but not so for Walmart or Target?

Since when did the people decide that 70 percent of voters would not cast their ballots on Election Day? Was this revolutionary change the subject of a national debate, a heated congressional session, or the votes of dozens of state legislatures?

What happened to Election Night returns? Did the fact that Americans created more electronic ballots and computerized tallies make it take so much longer to tabulate the votes?

When did the nation abruptly decide that theft is not a crime, assault not a felony? How can thieves walk out with bags of stolen goods, without the wrath of angry shoppers, much less fear of the law?

We are beginning to wake up from a nightmare to a country we no longer recognize, and from a coup we never knew.

Our nation is in a panic. Congress may resume functioning any day now.

**From: The Jefferson Bible Hoax
By Craig Seibert -- American Thinker**

There is a concerted effort to destroy the very foundations of our constitutional republic. Public schools have been ground zero of this attack for decades,

Fake History's ultimate target is the foundation of the United States and the Founders themselves. If you can discredit or marginalize the Founders, you can marginalize their ideas and principles and then discard them.

As we just passed Religious Freedom Day, January 16th, which celebrates the Religious Freedom Statutes of 1786 signed by then Governor Thomas Jefferson, I want to take a moment to debunk a hoax created about Thomas Jefferson that began to get real traction toward the end of the last century.

The essence of the Jefferson Bible Hoax is this:

"Thomas Jefferson was very irreligious. He dismissed the divinity of Jesus. He hated the idea of miracles. So he took a Bible, cut out all the miracles and pasted the new pages together to create his own Bible and then named it the Jefferson Bible."

Here are some samples from modern historians propagating this hoax:

"Hunched over his desk, penknife in hand, Thomas Jefferson sliced carefully at the pages of Holy Scripture, excising select passages and pasting them together to create a Bible more to his liking. The "Jefferson Bible."

So what is the true story?

During Jefferson's presidency (1801-1809), he dealt with a variety of national issues that required a moral perspective on governing. This put in his mind a desire to assemble some kind of digested philosophy of the moral teachings of Jesus.

After retiring from the presidency in 1809, he decided to take some time to work on this project. As part of this effort, he also looked at several other philosophers of

the ages, such Pythagoras, Aristides, Cato, Socrates, Plato and a dozen others, but he came back to the teachings of Jesus as the most sublime.

Turns out Ivermectin is an Absolute Miracle Drug

It Cures:

1. Myiasis an infestation of fly larvae that grow inside the host. Surgical removal of parasites is often the only remedy but unavailable to many of the needful people who live in poor, rural tropical communities

2. Trichinosis

Globally, approximately 11 million individuals are infected with *Trichinella* roundworms. Ivermectin kills *Trichinella spiralis*, the species responsible for most of these infections.⁵³

3. Disease vector control

Ivermectin is highly effective in killing a broad range of insects. Comprehensive testing against 84 species of insects showed that avermectins were toxic to almost all the insects tested,

4. Malaria

5. Leishmaniasis, control the Phlebotomine sandfly vectors that transmit *Leishmania* parasites.

6. African trypanosomiasis (sleeping sickness)

7. Trypanosomiasis vectors. (Chagas disease)

When dogs infected with *Trypanosoma cruzi* parasites suffered a tick

8. *Schistosoma* species are the causative agent of schistosomiasis, a disease afflicting more than 200 million people worldwide.

9. Bedbugs ⁸⁰

10. Rosacea.

11. *Demodex* mites that cause a chronic skin condition

12. Asthma. Ivermectin can effectively curb inflammation, such that it may be useful in treating allergic asthma and other inflammatory airway diseases.⁸³

13. Epilepsy Nodding syndrome

14. Tuberculosis and Buruli

15. HIV and sexually transmitted or ocular infections.

16. Cancer
