Dear faithful Patriots,

Another great meeting last week. Thank you all for keeping us informed.

All the news this week is like, big Duh! We knew that a year ago. I guess I should be getting excited, but what I hear is more investigation.

We don't need any more costly investigation. We have ALL the evidence. Let's just get to it and

file some charges, put them in jail.

Can you tell? I'm just tired. Are you tired, too?

Colorado River Tea Party Minutes March 2, 2023

Jim called the meeting to order at 6:04 PM

Gilbert gave the Invocation

Big Wayne led us in the Pledge of Allegiance

Jim read the Mission Statement

Nikki read the minutes of the last meeting. The report was accepted and passed

Ruth read the Treasurers Report. Audit was completed and reconciled. Report accepted & passed.

John gave the Legislative Report with highlights of testimony at the AZ Senate and House Oversight hearings that Governor Katie Hobbs, several Maricopa County Supervisors and Runbeck election services may have accepted bribes from the Sinaloa cartel. Bribes are in the form of phony mortgages or deeds of trust which could expose massive corruption and collusion with money laundering and racketeering. A published list of those involved is available online.

Ways and Means: Carla made a plea for 2 volunteers to man our booth from 3 -6 PM on Saturday, March 11 at the BBQ and Brew Festival. We have new ladies scarves and ATV flags in our inventory.

Old Business: Don't forget to volunteer and attend the BBQ & Brew Festival Friday 4-9 PM March 10 and Saturday, March 11 10AM-830PM.

New Business: Membership needs to vote at the April 6th meeting on an amendment to the bylaws to include the past chairman in executive meetings. Sheriff Wilmot's video can be viewed on youtube.

Tim Dunn, District 25 Representative Arizona House, is our speaker this evening. He brought up the State of the State address given by Governor Hobbs who says she has an open door policy to work with Republicans and then vetos bills that they introduce. Her first priority is public education and she has removed the student voucher program. She will not approve the 1.3 billion proposed education cut and wants to increase the spending to address crowded classrooms, crumbling infrastructure and teachers salaries, hire more social workers and counselors. She has proposed adding 40 million for college scholarships to "Dreamers". She is in support of women's rights through abortions. She mentioned her concerns about our severe water situation, housing situation for lower income families, and indicated we need to pass immigration reform so she is inviting Majorkas to visit the border with her. Representative Dunn said the bills passed recently in the House banned CRT, voter signature verification passed, the Secretary of State can't oversee election felony, Cleaning up early voting list, early voting drop boxes now will be inside buildings, counties can do their own hand counting of ballots.

Good of the Order: Bruce Luna handed out information to make the Tea Party aware of a Same Sex Mock Wedding that was held at the Antelope High School in Welton on February 14th. Parents never notified & kids were not allowed to opt out. Concerned parents contacted the Superintendent and received no response and when showing up at the Board Meeting on the 21st were informed the time was changed to earlier and they were not permitted to speak. Lynette, the parent of a student from this school advised her child was given an assignment to give their opinion of banned books which had links for downloads so they could view pornographic pictures. When questioning the school principal she was advised they would not inform other parents and his lawyer advised not to inform the parents. Bruce is encouraging the public to call & file complaints with the Board. **Neil** presented his "Forbidden News Information" flyer with the latest insanity taking place. The Lincoln Day Dinner still has 2 spots available. See Tanya for tickets.

Jim made motion to adjourn at 7:40 PM. Gilbert seconded and someone seconded.

When leftists want to scare you about global warming, remind them of this fact

By Jack Hellner -- American Thinker

In this article, they talk about the extreme heat of 2022 and say how much heat-related deaths will continue to rise. What is somehow missing is the number of heat-related deaths. I would think that would be of utmost importance, but facts never seem to matter when the left is pushing an agenda.

(A) study — published in the British journal *The Lancet* — analyzed data on more than 74 million deaths in 13 countries between 1985 and 2012. Of those, 5.4 million deaths were related to cold, while 311,000 were related to heat.

It is very clear that facts have never mattered to the people pushing the green agenda, and the left has its priorities screwed up.

COVID lab leak is a scandal of media and government censorship

By Jonathan Turley -- NY Post

The Wall Street Journal reports that the Energy Department has concluded that the COVID pandemic most likely arose from a laboratory leak.

The conclusion is reportedly based on a classified intelligence report recently provided to the White House and key members of Congress. Many will be exploring why the scientific evidence of a lab leak was so slow to emerge from intelligence agencies.

However, for my part, the most alarming aspect was the censorship, not the science.

Biden's Budget Is Tax-And-Spend On Steroids

By I & I Editorial Board

Biden's budget would increase spending by \$1.8 trillion over the next decade. And all of it comes through increases in "mandatory spending" — also known as "entitlement" programs.

- New childcare and preschool benefits: \$600 billion
- Expanded Obamacare and Medicaid subsidies: \$534 billion
- More college aid, including free community college: \$217 billion
- Paid family and medical leave: \$325 billion
- Expanded child care tax credit: \$429 billion
- Earned Income Tax Credit changes: \$156 billion

This list alone adds up to \$2.3 trillion in new entitlement spending.
