Dear faithful Patriots,

As I watch the news and see the thousands of illegal aliens camping along the Texas border, I wonder why we don't see so much of that in Yuma. Now we know. We have a mayor who intercedes for us. Thank you Mayor Doug Nicholls.

The Yuma GOP is going dark this summer, but we have a lot of work to do. The WHO is on the move. (See the article) We cannot be blind to their moves. We know for sure now from the Durham report that Barack Obama is the "The Big Guy" (See the article) who is in turn being controlled by the international Communist Party bent on destroying their one and only threat, The United States of America. (See the Article).

We know now that the reason Tucker got fired is that Fox was paid off by Dominion (See the article) We can be sure that 2024 is lost unless we keep our nose to the grind stone.

The Az Liberty Network (azlibertynetwork.org) may help. Nineteen conservative partners including Az Free Enterprise, The Center for Az Progress, Turning Point Action and the Goldwater Institute, have joined forces to help us effectively engage on the political, social, cultural, and economic issues affecting our state.

Be sure to watch the following videos. (Warning. They won't brighten your day.)

Colorado River Tea Party Minutes

May 4, 2023

Jim called the meeting to order at 6 PM

Cecil gave the Invocation

John led us in the Pledge of Allegiance

Jim read the Mission Statement

Nikki read the minutes from the last meeting. Correction made that Daniel Wood is from the Tucson area not Phoenix. A member noted that the bills mentioned and the Governor’s “State Of Emergency” statement from Daniel Wood was not correct information. Jim said we all need to do our own research on topics discussed by our guests for verification. The Tea Party is not responsible for inaccurate or incomplete information.

Ruth was not present due to health issues with her husband Rich. Treasurers report was post-poned until the next meeting. Gilbert made a motion to accept, Cora Lee seconded,

motion passed.

John gave the Legislative Report. Bills addressing anti-LGBTQ use of pronouns, bathroom, & locker room trans proposals are headed to Governor Hobbs desk. She said she will veto.* Kari Lake's lawyers are challenging all levels of signature verification in the mid term election. A 3 day trial is being held on May 17 in Maricopa County.

* Senator Kyrsten Sinema tore into the White House saying Biden had 2 years to prepare for the end of Title 42 and failed with no plan for the crisis facing Arizona. Biden administration at the last minute implemented a rule instructing border agents to immediately expel migrants who arrive at the border seeking asylum but haven't applied for it in a 3 rd country on their journey. *Rep Jim Jordon, Judiciary Committee Chair said Section 702, FBI's surveillance powers can't just be renewed. The FBI needs to be reigned in, reformed or reversed.

Carla with Ways and Means needs a volunteer to handle refreshments and merchandise while she is away in June and July. She is resigning from this position and needs full time volunteers to step in. We also need volunteers to man our booth at the Juneteenth Booth on June 17 from 6 to 10 PM. Location is 3

rd and Carver Park. Sign up sheet for refreshments is being circulated.

Mayor Doug Nicholls speaks on ending Title 42 and the impact it is having on the Yuma community. The mayor said his first priority is to the Yuma community, not to immigration. On May 9 th he was invited with other mayors to discuss the end of Title 42. He issued a letter to the Biden administration indicating Yuma needs to be declared an emergency disaster. We need boots on the ground, National Guard and FEMA. Biden sent a total of 1500 troops to the border under Title 10, they can only handle paperwork, observe and move boxes. We need Title 32 approval so the National Guard can assist our Border Patrol and need judges sent to the border to shorten the wait time and return the non qualified asylum seekers to their homes. They have 10 plus years wait time now.

The immediate issue is in December we had 1100-1300 illegals a day. We never set up a plan when Title 42 ended since numbers decreased to 300 a day. 20-50 a day is normal in Yuma. Three weeks before 42 expired we had 600 a day, then it jumped to 1000 and on May 9 th we had 1550, the highest ever. We would have to release 141 the next day. Non profits took 50 and the rest were released on the street. May 12, 121 were released and Senator Kelly had them all bussed to Phoenix churches. There were 600 the next day. It is below 300 yesterday and today.

The immigration pattern is not the poor. We have people from over 130 countries with Gucci luggage. This is a middle class global movement. This is a multi billion dollar business for the cartels. They will rush 400 migrants across the AZ border then sneak in drugs while agents are distracted processing the illegals. Those with diseases are separated out and isolated. These Migrants do not stay in Yuma and no hotels have been converted for housing except one to quarantine those with diseases. After being processed they are released and issued airline tickets or bussed to other cities. They must designate the city they are going to. Many go into cartel camps/RV parks to pay off their debt. This is a Biden Federal Government issue and they must stop making local communities responsible. What can we do? The mayor said we need to investigate who we put into office, start a neighborhood watch, know your state and federal constitution and get involved in your community.

Good of the Order

Neil covered the highlights of his "Forbidden Information" handout. Listen to the videos and get involved. No White Hats are coming to rescue you, We are the White Hats!

Greg Wilkerson said Jeff Dewitt, AZ representative will be speaking at the GOP meeting on May 23 rd at 6 PM at the food bank.

Jim asked for a motion to adjourn at 7:30 PM. Gilbert made a motion, Neil seconded and Jim thanked Mayor Nicholls for updating us on the current illegal situation in our community

Respectfully Submitted,
Nikki Pollard - Secretary

What the WHO has in store for us

We are about to get a critical lesson in how the U.S. Constitution is going to be used to destroy America. The World Health Organization (WHO) is about to do that by getting "emergency" medical powers to control U.S. "healthcare" and much more. Sadly, that appears inevitable.

Here are some predictions about what's coming.

The WHO will claim very broad powers over "U.S. Healthcare." They will either delegate their powers to the CDC, et al. or, more likely, create a new unrestricted "Liaison Agency" ("LiAgency" — Fauci?) to implement the WHO powers.

Near-term actions will include:

- Mandatory digital health passports (probably first for travelers, then for everyone).
- Mandatory vaccines for everyone (first to travel, then to get access to Healthcare, then to get access to anything).

All COVID criminals will be given blanket amnesty for all past and future medical crimes.

Only WHO/LiAgency medical treatments (including masks, distancing, lockdowns, etc.) will be allowed (first by controlling what's billable, then under threat of law).

All doctors, hospitals, medical facilities, licensing boards will be required to:

- Use only LiAgency-approved treatments.
- Ruthlessly enforce all restrictions of MisInfo.
- Report any MisInfonistas to the LiAgency.
- Terminate (without due process) any individuals violating any of the above.
- Declare any form of health MisInfo or dissent a mental disorder subject to involuntary treatments.
- Declare physical money a "Health" issue and use that to drive to a Central Bank Digital Currency.
- Require medical payments (including taxes) to be in digital currencies.
- Ban physical money as "unhealthy."

Tax the hell out of the U.S. to expand the WHO's budget tenfold.

Speed is critical. When Obama mandated the blatantly illegally Clean Air Act rules, by the time the Supreme Court ruled on them, the overturned act had already killed the coal plants Obama had illegally regulated. Once the damage was done, legal or otherwise, it didn't matter.

Fox News Producer Reveals Reason for Tucker Carlson's Ousting at Network

O'Keefe Media Group released undercover video footage of a Fox News producer admitting that removing Tucker Carlson from television was part of the Dominion settlement.

A journalist captured undercover footage of Fox News Producer Sean Langille discussing Tucker Termination as Part of Dominion Settlement," James O'Keefe tweeted. "When it's corporate media you're beholden to advertisers... we take money from Pfizer."

"Tucker getting fired was part of the Dominion lawsuit?" the journalist asked. "Part of the settlement. Yeah, he was ousted," Langille said.

Langille admitted the the network is beholden to advertisers.

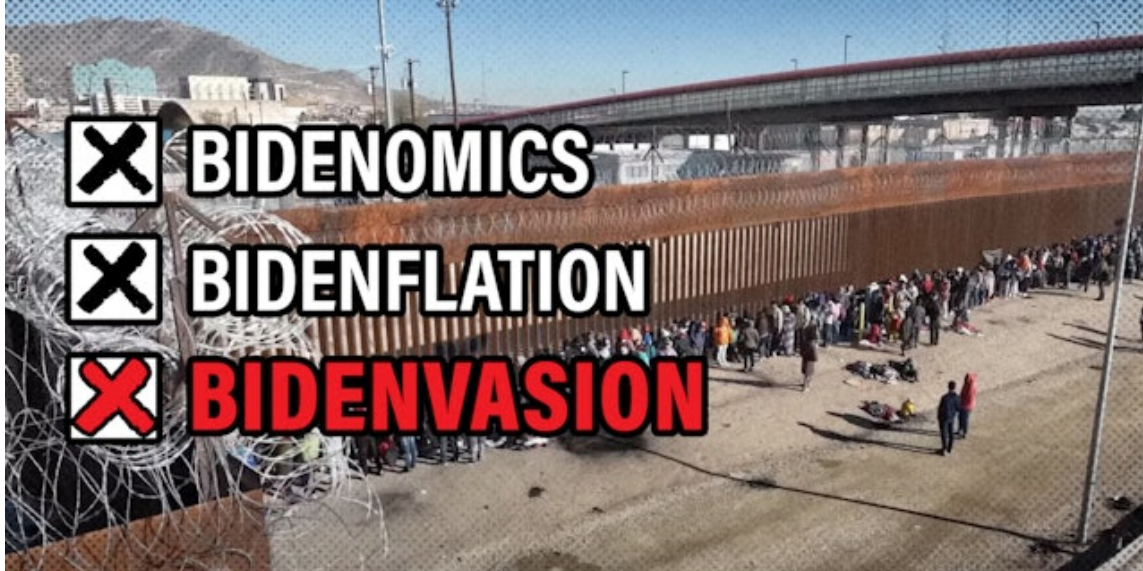

"It's Big Pharma," Langille said.

"And we're getting money from Pfizer," he added.

"OMG News has obtained incendiary footage of a Fox News producer talking about Tucker Carlson's departure, the Dominion settlement, and the influence that advertisers and pharmaceutical companies life Pfizer have over the embattled network," James O'Keefe said.

Let's Call Them What They Are: Communists

By John Green -- American Thinker

There are forces determined to destroy the American experiment (and they're not white supremacists, Joe). The most dangerous are attacking from within. They're using asymmetrical warfare to attack socially, economically, and ideologically to compromise our system of governance and bring about a new vision for America. Unfortunately, they use identifiers that hide their real intent. I've been struggling with what to call them.

In my writing, I've tried a lot of names for the "fundamentally change America" insurgents. Many don't work because they are literally incorrect. I hate distortions of the English language. One can't win the debate of ideas if the words of the debate don't have static meanings. Other labels are just inadequate in describing the threat.

A "liberal" is someone who stands for liberty. That is literally the opposite of what our "liberals" stand for. They use cancelation and censorship to quiet disagreements. They distort the law to crush dissent. They use moral relativism to break our sense of right and wrong. They don't deliver liberty. They deliver oppression and corruption.

Then there's the party name "Democrat." Democrats have no core ideology, in spite of what their name implies. Their reason for being is not to promote self-governance, but to amass power.

Democrats have supported

- slavery and reparations,
- the KKK and BLM,
- Jim Crow and Critical Race Theory,
- the termination of children as an individual right, and
- government dominion over our health.

The Dems will support anything that enhances their power. They have no guiding principles other than that. They are the allies of our enemies — the Vichy, willing to sacrifice our welfare in exchange for power. "Democracy" has nothing to do with what Democrats promote.

None of those labels adequately describes those who are actively working to undermine America's founding principles. Let's stop denying the threat and call them what they are: communists.

Communism-light (socialism) has been tried many times and has never worked. Socialists allow private ownership of property and use government for redistribution of wealth — trying to achieve the equity of communism with the productivity of capitalism.

But the redistribution causes productivity to fall — demanding ever-increasing redistribution. The death spiral of falling productivity and increasing redistribution eventually results in shortages — of

everything. As Margaret Thatcher famously said, "The problem with socialism is that you eventually run out of other people's money."

When that happens, socialism either collapses (people in Venezuela are eating zoo animals to survive) or turns into communism — seizing everything for the state. That's what Bernie and the Squad want for America — in the name of social justice.

Let's recognize our domestic enemies for what they are. They aren't in favor of liberty or progress. They have no morality guiding their actions. They aren't promoting self-governance. They're trying to ease us into a communal existence of "one for all" and "all for none," where individuals serve the needs of the state — and are otherwise expendable. They're commies.

Durham Report: Obama is the Big Guy

Obama is the Criminal Mind Obama Committed Treason

By Wayne Allyn Root

We are living in an age of mass deception, distraction and denial, of mass brainwashing. We might as well all be living in Jonestown, Guyana and following the orders of Jim Jones. That's how bad it is. It's all laid out right in front of us. But no one can see it. Or maybe no one wants to see it. The Durham Report is "the canary in the coal mine."

It's all Obama. It's always been Obama. Obama is the REAL "Big Guy." Obama is the REAL criminal mastermind. Obama was the head of the snake. Obama was the John Gotti of the US government, overseeing a massive criminal conspiracy. Obama was the head of the "Obama Crime Family."

In my #1 bestselling book back in 2013, "The Ultimate Obama Survival Guide" I reported Obama's plan was to "boil the frog slowly." To destroy America in small steps, to move so slowly that we wouldn't notice we were being destroyed, until it was too late. Hillary Clinton was supposed to finish the job. Hillary's election was supposed to be Obama's third term.

But Donald J. Trump came along and ruined the plan. Trump became the first politician in history to beat a rigged election. That's why Hillary and Democrats were so shocked. Obama rigged it, so Hillary could not lose.

How did Obama do that? In addition to the usual Democrat tricks of stuffing the ballot box in Democrat run inner cities, with no Voter ID and no signature match, Obama spied on the Trump campaign.

But Trump brought out more working and middle-class voters than any candidate in history. He beat the rig. He won even though Obama spied on him. Even though Obama knew everything Trump was doing and planning- and gave it all to Hillary. Enter Russia Collusion.

See the Durham Report. We now know for a fact this was a fraud made up by Hillary. We also know that Hillary laid out this scam to Obama and Biden in the Oval Office. Obama gave his approval. Then Obama rigged the game even further- making sure his handpicked DOJ and FBI would never prosecute these high crimes.

Obama also made sure they'd continue spying on the now President Trump. And use the weaponized federal government filled with Obama hacks to target, frame, demonize and destroy Trump the president.

But wait, there's more. I may despise Obama, but I also respect him. Because he's brilliant. He ran the country like John Gotti ran his crime family. Nothing happened under Obama without him knowing.

So, when Durham reports Obama's FBI was not allowed to prosecute Hillary for her Clinton Foundation crimes (extorting world leaders), obviously Obama gave that order too. Obama knew everything Hillary was doing- she was his Secretary of State. And you can bet Obama got a piece of her corrupt loot in return for allowing her to do it, and for killing any DOJ/FBI investigations.

And if Obama knew about Hillary's crimes extorting world leaders, you can also bet he knew about the Joe Biden "Big Guy" scam. Joe was his Vice President. You think Joe and his slimy son Hunter ran around the world extorting money from world leaders and Obama didn't know about it? You can bet Obama got a piece of Biden's corruption too. Just like John Gotti. The mafia Don always gets a piece of every scam run by the capos under him. Or they get wacked.

And where was all the corrupt loot run out of? The Clinton Foundation. That's why it was based offshore- far away from prying eyes. As one more layer of protection, Obama ordered the DOJ and FBI to look the other way.

This is all called TREASON.

Our Mission Statement

The Colorado River TEA Party mission is to attract, educate and mobilize fellow citizens; to secure public policy which stops the growth of excessive government, irresponsible spending and runaway taxes; to help elect, without directly endorsing, political representatives who are consistent with our core values; and to re-establish the Constitutional Foundation of our Country.

From the Arizona Constitution **Article 2:**

1. Fundamental principles; recurrence to

Section 1. A frequent recurrence to fundamental principles is essential to the security of individual rights and the perpetuity of free government.

2. Political power; purpose of government

Section 2. All political power is inherent in the people, and governments derive their just powers from the consent of the governed, and are established to protect and maintain individual rights.

21. Free and equal elections

Section 21. All elections shall be free and equal, and no power, civil or military, shall at any time interfere to prevent the free exercise of the right of suffrage.

32. Constitutional provisions mandatory

Section 32. The provisions of this Constitution are mandatory, unless by express words they are declared to be otherwise.

33. Reservation of rights

Section 33. The enumeration in this Constitution of certain rights shall not be construed to deny others retained by the people.
