

The Colorado River TEA Party mission is to attract, educate and mobilize fellow citizens; to secure public policy which stops the growth of excessive government, irresponsible spending and runaway taxes; to help elect, without directly endorsing, political representatives who are consistent with our core values; and to re-establish the Constitutional Foundation of our Country.

LD25 Arizona State House Candidate Debate

Our main event tonight is the candidate debate for State House LD25. There are 4 candidates running for this position:

- Michael Carbone
- Steve Markegard
- Nick Kupper
- Gary Garcia Snyder

Mr. Snyder did not attend our debate.

Deputy Mayor Chris Morris was our moderator for the debate that evening. Each candidate had an opportunity to give an opening statement, capitalizing on their background and experience.

The candidates responded to a number of questions addressing how they are funding their campaign, the state budget, handling AZ population growth, 2nd Amendment, CBCD's, ESA scholarships and their unique qualifications for the position.

In closing statements, Michael Carbone said he is running for re election and said, "Arizona needs leaders and I am a leader, I fight for what is right and I have given back and sacrificed, I want your vote."

Nick Kupper, proven 20-year career in the US Air Force, a conservative Christian, feels he was called to serve his country and is ready to fight for Arizona. He wants your vote.

Steve Markegard offers 40 years experience in owning and building businesses. He said We The People must protect our individual rights and he will represent you in LD25.

We had a great turnout for this event, despite Donald Trump deciding at the last minute to hold a same day rally in Phoenix and Penny Pew having to relinquish her commitment as moderator.

Gilbert praised all the candidates who committed to attend our event and Chris Morris for stepping up to assist at the last minute. Gary Garcia was at the Trump event.

The Arizona primary is July 30th. Two out of the four candidates will be filling the open positions.

Representative Tim Dunn, AZ House LD25, spoke briefly about what is going in in the AZ congress. Abortion is on the ballet and so is HCR 2060, the "Secure The Border Act".

Neil covered alternative main street news on his Forbidden Information flier.

Dr. Doniparthi warned us about the latest hoax, the Bird Flu, and do not fall for this latest plandemic. Deborah Birks (CDC scarf lady) is talking about destroying chickens and livestock that have tested positive for the flu. This is a way to create a famine. Your best protection is good nutrition, vitamin supplements, Ivermectin and Hydroxychloroquine.

Voter Registration Drive

This past Sunday, the Voter Registration Team, led by Ruth Milne, held a Voter Registration drive at Vertical Church.

After each of the 4 services, church members were given the opportunity to register, update voter information and the Team answered numerous questions.

This time, our wonderful volunteers were Cindy Wenberg, Patty Potts, Lupita Candela, Robert and Teresa Robinson, Gilbert and Carla Hernandez.

Grant (pictured above) registered to vote on his 18th birthday!

We had about 32 voter registration forms filled out! Way to go, team!
