

The Colorado River TEA Party mission is to attract, educate and mobilize fellow citizens; to secure public policy which stops the growth of excessive government, irresponsible spending and runaway taxes; to help elect, without directly endorsing, political representatives who are consistent with our core values; and to re-establish the Constitutional Foundation of our Country.

OLD BUSINESS

The LD25 candidate debate hosted by the Colorado River Tea Party on 6 June 2024 was very successful. There were about 60 people in attendance. The moderator, Deputy Mayor Chris Morris, asked the candidates a total of 11 questions. The event was very informative.

Chairman Gilbert Hernandez: "First of all, I want to say thank you very much for Jimmy K's restaurant for the hospitality and the generosity allowing us to

have our meet and greet for our school board candidates for Yuma Union High School and district 1 school boards.
And our hats off to Miss Jamie, our server, who was awesome all by herself she took care of us.
We had a total close to 35 people show up today for this meet and greet I want to say thank you for all our team that helped us put this on tonight and thank you for the candidates.
They gave their time so our citizens could hear what they have to offer to keep our schools safe and keep our education in our classrooms.
Thank you very much to each and every one of you. May God bless you and may God watch over you in your adventures to become school board members."

David Lara, candidate for Yuma County Recorder is one of our featured speakers. He is a combat Vet with a background in military financial management, law enforcement and public education. He will work for affordable housing, assisting hard working families and will be a voice for Yuma's concerns and opinions.

Steve Seale, candidate for Yuma County Assessor. Steve is a Yuma native with Christian values. His background is 8 years with YPG, mortgage and real estate. He is currently employed in the Yuma County Assessors office and wants to fix the tax breaks and credit for residential properties.

Daniel Butierez, who is running for Congress to beat Raul Grijalva, stopped by to say he is short on campaign funds and even though he has support from Yuma, needs to concentrate on canvassing the Tucson area.
