Water Play Day & Sun Safety Tips

Summer fun is in full swing, and we will have a water play day! To keep the children safe and comfortable, please remember to send your child with a towel, water shoes, and a change of clothes on scheduled water days. We also ask that you apply sunscreen before drop-off each morning. Our staff will reapply as needed throughout the day with parental permission. Don't forget to label all items with your child's name! Staying hydrated and protected from the sun ensures everyone can enjoy outdoor activities safely and happily.

7/29

Water free play

During morning outside time.

Weather permitting*

Family Engagement Activity:

Summer Fun at Home

Looking for a simple way to create lasting summer memories with your child? Try a backyard camping night! Set up a tent (or a blanket fort inside), enjoy story time under the stars (or twinkle lights), and share a snack like s'mores or frozen fruit pops. It's a great way to build connections and spark imagination. We'd love to see your adventures—send us a photo to feature in next month's newsletter or on our bulletin board!
