As we begin the new school year, our classrooms are diving into exciting learning themes designed to spark curiosity, build social-emotional skills, and support school readiness. This month, our main theme is **"All About Me"**, which helps children learn more about themselves, their families, and their classmates. Through songs, storytelling, and hands-on projects, children will explore their likes/dislikes, emotions, body awareness, and cultural identities.

THE CHILD'S OWN NATURAL DESIRE TO LEARN." — MARIA MONTESSORI
