*"But when he, the Spirit of truth comes, He will guide you into all the truth. He will not speak on his own; He will speak only what He hears, and He will tell you what is yet to come. —John 16:13"*

Dear Members of St. John,

Blessings to you and your families in 2026! I'd like to share a little devotion with you from Guideposts called, "Abide in God in the New Year."

The first day of the New Year may began with a spectacular sunrise, bright oranges and pinks peeking out over the leafless trees in your front yard, enticing you out of your warm house, with cocoa in hand, to enjoy the view. Sooner or later, something in this day will go wrong, You may burn your finger as you cook eggs, or your child may be sick. Your car won't start.

The year had started so beautifully, only to disintegrate in an instant, into a mess of pain or fear.

A verse comes to mind, "Remain in me, as I also remain in you [and together we] will bear much fruit" John 15:4-5 The New Year will certainly bring spectacular sunrises full of color and promise, but it may also bring moments of tremendous pain and desperate sorrow; times when you might wonder how to take another step forward. You have no choice but to choose—intentionally, wholeheartedly, and lovingly—to abide in God. My prayer is that together at St. John, we will bear much fruit and abide in God together during the sunsets and the rain!

In His love,  
Pastor Ann

## Adult Bible Study - Tuesday Evenings - 6:30-8:00 PM Led by Pastor Ann

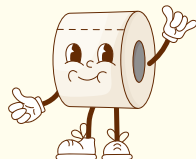

If someone asked you to explain the gospel, what would you say? What is the good news of the Christian faith? Writing to the Galatians, Paul made it clear how easily we can be tempted to turn toward fraudulent gospels, especially those that teach we can earn God's love through our works. Though they may have the appearance of truth, they are lifeless and leave us empty in the end.

In this Book of the Bible series, Kyle Idleman dives into the book of Galatians, one that contains some of the clearest explanations of the gospel in the New Testament. Through biblical study and engaging lessons, Kyle shows that true freedom is found in surrender, not self-dependence. Because our gospel is not one based on our works, but faith in the finished work of Jesus Christ.

## FOOD PANTRY FOR JANUARY:

"Any of the hamburger or tuna helpers, peanut butter, toilet paper, soups are always good. We don't change much as we think what we are doing works, so that's why we stay with the same things. Thanks for all you do!" Thanks for providing for those in need.

## ***Where They Are Now: Caleb and Tayln Meyer (McKenzie) Celebrating the Mission Beyond Our Walls***

Citylight Kearney is a vibrant evangelical church in Kearney, Nebraska, launched with the mission to “magnify Jesus by multiplying disciples and churches of all nations.” It is part of the broader Citylight Family of Churches, a network of autonomous congregations committed to gospel-centered discipleship, community life, and mission. Citylight Kearney holds weekly Sunday gatherings that include worship, biblical teaching, communion, and baptism, and encourages members to grow deeper in their faith through City Groups — smaller communities that study Scripture, build relationships, and serve locally. The church’s public launch on December 7, 2025, drew an enthusiastic crowd, with approximately 475 people in attendance for the first official Sunday service at The Hub, reflecting strong community interest and support for this new spiritual home in Kearney.

A notable ministry of Citylight Kearney is its college outreach called The Salt Company — part of The Salt Network, a national college ministry aiming to reach university students with the gospel and train them as disciples on campus. The Salt Company takes its name from Matthew 5:13, where believers are called to be “the salt of the earth.” It offers students opportunities to gather for worship, biblical teaching, fellowship, and mission-focused community events.

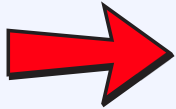

Leadership and resident staff play key roles in both the church and SALT Company. Among the SALT Company residents is Caleb Meyer (husband of Tayln Meyer), who serves alongside others in cultivating student engagement and spiritual growth in the ministry. Together, Citylight Kearney Church and The Salt Company are striving to be a meaningful spiritual presence in the city and on the University of Nebraska at Kearney campus, equipping both students and local residents to follow Jesus and make disciples in their circles of influence.
