Peter Pan Director Note:

This show has been such a joy to work on. The progress these 52 wonderful young actors and actresses have made has been amazing to watch. I picked this show because this was the second show I had ever seen here at SCCT when my brother was in it back in the early 2000s. It had a lasting impact on me and I wanted to bring the show to life myself.

Thank you to all the parents who helped with the set building, children wrangling, back stage help, and driving their children back and forth to rehearsal. Without your support this show would not be as magical and amazing as it is. Thank you to Anna, my assistant director, for always making sure I have coffee and being an amazing helpful hand. Thank you Jake and Miles for all of your backstage work and prop work on the show.

Lastly, thank you to my family for coming along on this journey to bring Peter Pan to life. I hope you all enjoy this show as much as I had directing the show.
