A Note from the Director

*As we enter into spring and the season of mothers, motherhood, and new beginnings, **The MOMolouges** is the epitome of what spring is all about. My connection to this show is different from what you may think. I myself am not a mother, but I do have a wonderful mother who has shown me what love is and how to be a woman and mother in the future.*

The stories in this show are stories that all of you have either heard, done, or experienced. For example, I was the kid who would hide from their mom in the store, OR yell, "mom mom mom mom MOOOOOMMM" until I got her attention. I'm sure my mom has many stories about me as well, and how I have probably given her many gray hairs. But, even with those annoying or scary moments comes moments of sincerity and love, like when I would crawl into my mom's lap after a hard day at school (even when I was in college and came home) or when she would read to me some of my favorite stories like "Goodnight Moon" or "Pickle Things".

*This show is about motherhood, the ups, the downs, the joys, the worries, the scary things and the frustrating things, and of course **LOVE**. You have probably seen me on stage here at Sioux City Community Theatre many times, but this is my first directorial debut, and I am pleased to be doing this show and dedicating it to my mom. This show is a comedy masterpiece created by 4 moms themselves. My vision for this show is that these moms are hanging out, talking while their monologues are like an inner dialogue that they share (they might even interact with you). And, even though I am not a mother myself...yet...I cannot wait to experience everything that this show has talked about. Get ready to laugh, get ready to cry, and enjoy the show.*

HAPPY BELATED MOTHER'S DAY TO ALL THE MOTHERS OUT THERE!

Marie Roeder

Lael McKernan - Stefanie

Lael lettered in theater in high school. However, she did not get involved in community theater until 2019 when she auditioned and was cast in 'Into the woods' here at SCCT. Since then she basically hit the ground running and has been in 17 productions around the Siouxland area. Most recently, she played Olive Madison in 'The Odd Couple - The Female Version'. Lael is a mother of 4 wonderfully amazing kids, who are her world. She works at STF as the maintenance administrative assistant. She is so excited to work with Marie and the other talented women in the show. Lael loves how this show embodies life as a mother and how much she relates to all of the characters in different ways. So sit back, relax and get ready to laugh! Enjoy the show!

Anna Owens - Charlotte

Anna returns to the stage after a decade-long hiatus. Growing up acting local to Sioux City, Anna knew the easiest way to get back into the Siouxland community after returning was getting involved at SCCT. She started with stage managing "The Odd Couple." Anna works within advertising as a Production Business Affairs Manager. Outside of the theatre, you can find Anna reading, traveling, or playing with Remi (her mini Aussie).

Carrie Pottebaum - Maria

MOMologues marks Carrie's SCCT Black Box debut! You may have previously seen her in Oliver, Little Shop of Horrors, and 9 to 5 here on the Sioux City Community Theatre main stage. She would like to thank the wonderful moms in her life for inspiration, her own mom, Pam, and her sister, Katie. She has four wonderful nieces and nephews to thank as well!

Kristina Weber - Ellen

After over 15 years spent in the audience more than onstage, Kristina is SO READY to be back in the spotlight. Her passion for performing started in the late 90s when her mom stuck her in her first dance class. From there, she found her way on this theatre's main stage in her very first chorus role for The Wizard of Oz. While her love for performing has grown, it had to take a backseat to growing her family. When Kristina is not in a theatre, she loves to read, listen to music, and spend time outdoors (as long as it's sunny and warm). Her quirkiness is thoroughly loved by her partner, Jeff, their two children, Izak and Lizzy, and their dogs, Tiana and Piglet, who are her whole world. Kristina is so thrilled you are here and hopes you enjoy MOMologues!

Season 77

MOMologues, 5/16 – 5/25:

This original comedy about motherhood rips away the gauzy mask of parenthood to reveal what all mothers know but don't always talk about: it's overwhelming and exhausting, but also very, very funny.

Fiddler on the Roof, 6/13—6/29:

Set in the small village of Anatevka, the poignant musical follows Tevye the milkman as he navigates family, tradition, and changing societal norms.
