A Note from the Director

Thank you all so much for being with us at SCCT for our production of Mary Poppins Jr. I can't remember a time in my life before Mary Poppins. The classic Disney film was a regular feature in my childhood, and I have shared it with my own children as well. In 2005 I had the privilege of seeing Mary Poppins on Broadway and was blown away by the songs, the staging, the talent, and of course, the Disney magic.

This was my first time directing a Youth Theatre show at SCCT, and I couldn't have done it without my amazing production team. For many of them, this was a first time experience too! They all jumped right in and did such a great job. I am so grateful to all of them. Thank you especially to my Assistant Director, Tricia Albright and my Student Director AnnMarie Pistello, who were with me every step of the way.

What an honor it has been to direct this show with such a great group of talented young actors. We've had such a wonderful time creating our own magic, and we hope you enjoy the show. Remember, anything can happen...if you let it!
