PROGRAM IMPACT

Multilingual Family and Community Support

For over 20 years, the Lealman and Asian Neighborhood Family Center (LANFC) has celebrated the diversity of the individuals, families, & children that make up our community. Our **Multilingual Family Support** team excels at building trust with our clients and is available to help them in **ENGLISH, SPANISH, VIETNAMESE, LAOTIAN, and MANDARIN**. With a diverse team of professionals in place, we work purposefully to address the inequities that exist and to help our clients increase their self-sufficiency. We accomplish this through collaboration, education, youth programs, by feeding the hungry, and helping individuals to meet their goals. Our programs are a valuable investment in the community and we inspire hope and the promise of a bright future! LANFC is accredited by the Council on Accreditation and is a funded partner of the Juvenile Welfare Board of Pinellas County.
