PARTNERSHIP & SUPPORT

From the President

As summer winds down, I'm pleased and humbled to share some exciting updates and heartfelt moments from Daytona Dog Beach, Inc.

We continue to expand our leadership with the addition of a new board member, and are creating new volunteer committees, bringing fresh energy, diverse perspectives, and a shared passion for our mission. This marks a pivotal step forward in strengthening our impact, building resiliency and deepening our roots.

Working side by side with Volusia County, we're exploring the creation of a dog-friendly beach, right here along Daytona Beach, where our vision for a dog beach first took shape. We are prepared to fund and host this new area and hope it will become a reality soon.

While the summer brought loss, sorrow and heavy hearts, we celebrate the life of our beloved Logan, whose joyful spirit reminded us daily of the simple power of connection. His paw prints may fade, but his legacy continues to inspire us to continue our mission.

Our summer celebrations were a resounding success, thanks to the tireless efforts of our volunteers and the generous support of our sponsors. Their dedication fuels everything we do, and we're beyond grateful. A warm welcome to our newest Beach Buddy Sponsor, Woof Gang, whose commitment to community and canines makes them a perfect fit.

Samson, Mac & Delilah
Daytona Dog Beach Dogs!!

Nanette McKeel Petrella
President

Looking to fall, we're gearing up for our 1st Annual "Ruff, Rock & Roll" Poker Run Fundraiser! It's more than an event, it's a unique happening you won't want to miss. Join us this fall as we raise funds, celebrate Biketoberfest, and build momentum for the future we're creating together. Volunteers and Sponsors are needed and welcome! Come join our "Pack"! It's going to be a party!!

As part of our mission, we are committed to education and community engagement. From youth engagement to local partnerships, we're investing in programs that uplift, inform, and inspire. Every initiative is a step toward a more connected and compassionate future.

Thank you for being part of this journey. Whether you're a volunteer, a sponsor, a supporter—or simply someone who loves dogs and believes in kindness, you're helping us shape a legacy of joy, learning, and belonging.

Please take time to read and enjoy the newsletter content, created by our team of volunteer contributors. It reflects not only their talents, but their dedication, passion and paws-itive approach to "Putting Paws in the Sand" for all to enjoy. 🐾💜🐾

Jami Gallegos – Director of Advocacy & Partnerships

Jami D. Gallegos is the broker and owner of Lifestyle Realty Group in Ormond Beach. Recognized multiple times as one of the area's top brokerages, Lifestyle Realty Group thrives under Jami's daily, hands-on sales coaching—helping many agents completely transform their careers. She is also a partner in Acies Renovations, a residential and commercial construction company that has likewise been honored as one of the area's top contractors. A passionate business, sales, and real estate coach, Jami's mission is clear: to coach, empower, and elevate through consistency, integrity, and high-performance strategy.

Jami holds an MBA from Nova Southeastern University and a BA in International Relations from SUNY New Paltz. Deeply engaged in both her industry and community, Jami serves on the Board of Directors for the Ormond Beach Chamber of Commerce and chairs its Government Affairs Committee. She also chairs the Government Affairs Committee at the Daytona Beach Area Association of Realtors, serves on the Volusia County Code Enforcement Board, and is an active member of the Daytona Regional Chamber of Commerce. She was recently appointed Key Contact to State Representative Bill Partington by the Florida Association of Realtors—an honor that underscores her leadership and advocacy within the industry. Named one of the “40 Most Influential Women in Volusia & Flagler Business” by the Daytona Beach News-Journal, Jami has earned her place as a respected voice in both business and real estate.

Though she has lived and traveled all over the world, Ormond Beach has always been “home.” Her deep local roots, global perspective, and unwavering commitment to volunteerism and charitable work make her a unique and powerful force in the community. Whether leading a training session, negotiating a contract, or giving back, Jami brings energy, expertise, and heart to everything she does. Outside of work, she is an avid traveler, hiker, and backpacker, and is deeply involved in dog rescue and advocacy efforts.

Please Welcome Jami!

Jami with Bubba, her first foster dog from back in New Mexico. He was found on an Indian reservation, beaten, abused, shot and nearly dead. He became her first medical foster, and she ended up adopting him. He is her inspiration for everything dog-related I do – advocacy, rescue, education, etc. His favorite thing in the world was the beach and the water.

Dog Beach Sponsors are Paw-some!

Daytona Dog Beach

In May of this year, Volusia County Council voted unanimously to consider a dog-friendly stretch of beach in Daytona Beach. They instructed county staff to work with our organization on this opportunity. We have worked with county staff to provide our input, which is rooted in extensive research and supported by experience hosting the dog-friendly beach in Ormond Beach since November 1, 2023. Our input took into account the following 6 factors:

FACTORS

Distance

Number and location of Vehicle Access Ramps

Number and location of Park Volusia Off Beach Parking Spaces

Availability of Dog-Friendly Accommodations

Access to our Volunteer Support

Number and location of Pedestrian Access Points

We offered 4 various options for consideration along with a rating based on the factors.

We have committed to pay for all required doggie bag dispensers and annual supply of dog waste bags. We also committed to maintaining the beach with our Paw Ambassador volunteers.

DAYTONA BEACH RESIDENT SUPPORT

2023 Petition for dog beach in Daytona Beach received 2301 signatures.

363 or 16% identified as being from Daytona Beach.

2025 Petition in Support of Ormond Dog Beach received 3,746 signatures.

600 or 16% identified as being from Daytona Beach.

The petition against dog beach received only 373 signatures, even though it was created 2 months prior to ours and is still active today.

91% for dog beach, 9% against dog beach

From 11/1/2023 - 7/31/2025, our volunteers have collected 7,500 pounds of refuse from the shoreline along our Ormond dog-friendly beach.

When combined with the 1,270 pounds gathered during the People & Paws monthly beach cleanups and the 230 pounds amassed at the Jimmy Buffet Day Beach Clean-up, a grand total of 9,000 pounds of litter has been banished from our beloved beaches since July 2021.

Our Paw Ambassadors and their pups are looking forward to walking the beaches together, cleaning up the new dog-friendly beach in Daytona. They have fingers and paws crossed it is approved.

Logan: A Gentle Soul Beneath the Sunrise

Logan's Road to Home

Some souls are destined to find their home—and Logan's was one of them. On a sweltering July day in 2024, fate gently nudged Cindy and Robert to leave an Anastasia Island camping trip early, head home, and make a Costco run on the way to stock up for the days they had planned to be gone. As they drove towards home from that unplanned shopping trip, traffic got messy. Five cars had stopped in the road ahead, and through the traffic, they glimpsed long, muddied legs moving from vehicle to vehicle. It was a dog—desperate, heat-stricken, searching.

Logan came straight to Cindy, as if he had been waiting for them all along. Strangers offered water and supplies. Robert rushed home to swap cars so they could get this gentle giant safely tucked into their truck. They reported him as FOUND, posted his image everywhere, waited for someone to claim him. But no one came.

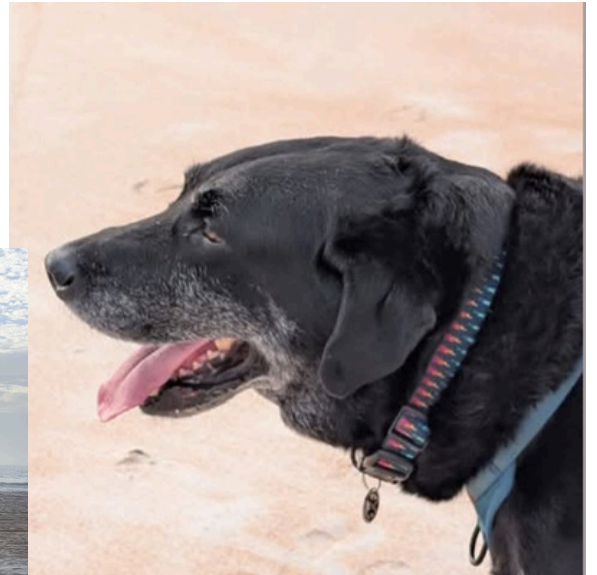

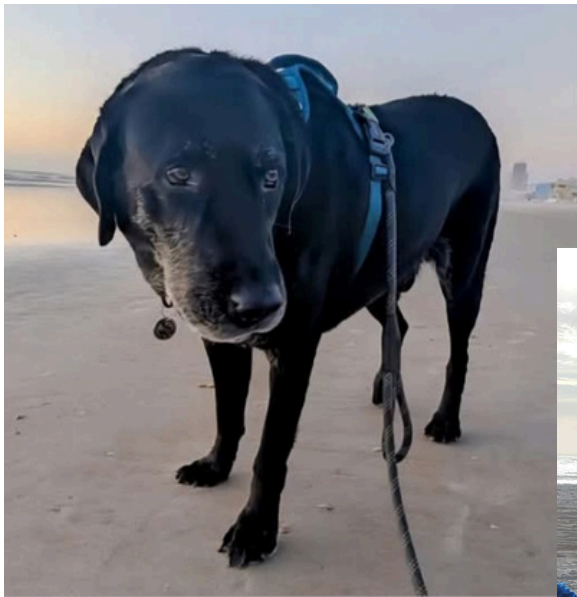

Uncollared, unchipped, unneutered—but utterly perfect. On July 16, 2024, they officially adopted Logan. And from that moment, he settled in as if the house had always belonged to him, and they had always been his.

"We feel we were meant to find him," Cindy wrote. And Logan seemed to feel the same.

Sunrise Belonged to Logan

While most of the city still slept, Logan walked the shore. Cindy and Robert, devoted volunteers with Daytona Dog Beach Inc., made sunrise part of their rhythm—and Logan was always by their side.

The beach community came to know him. His calm presence, his eager heart, his way of greeting newcomers with unspoken kindness—it all made Logan a regular, a favorite, a gentle ambassador for everything Daytona Dog Beach stood for.

Logan: A Gentle Soul Beneath the Sunrise

The Light in Logan's Eyes

On July 25th, Logan's journey came to an unexpected end. After seeming off for just a day, a vet visit showed nothing alarming—until the next day, when his eyes told a different story. An emergency visit revealed hemangiosarcoma of the spleen. The tumor had ruptured, and the internal bleeding left no path for recovery. Cindy and Robert made the hardest, most loving choice—to say goodbye while Logan's light was still shining.

He lived 380 days with them. Days full of joy, laughter, sunrise walks, silly grins, and quiet peace. Logan didn't just bring love—he **radiated** it. His capacity for affection was endless, embracing every pup, every person, and every moment.

And while they rescued him, Cindy and Robert say he rescued **them**—completely and without hesitation.

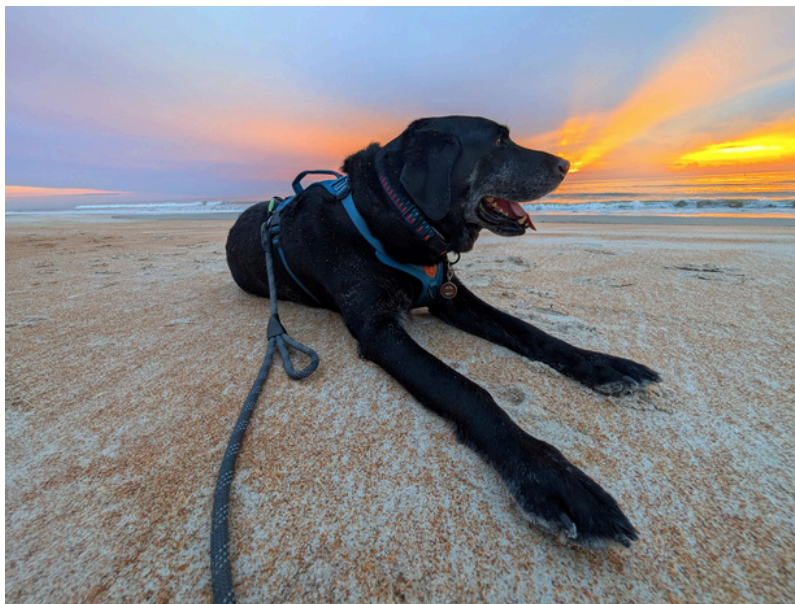

Logan's Legacy

Logan wasn't just a dog. He was a living reflection of Daytona Dog Beach's mission—a symbol of the powerful connection between people and their dogs, and the joy of sharing meaningful spaces.

From the moment he stepped onto the sand, Logan became part of our family. With Cindy and Robert by his side, his gentle nature and loyal presence reminded us why we work for dog-friendly beaches—so dogs like Logan can live their best days with the people who love them most.

Logan made one final trip to the beach. On August 5th, his vet called to say his ashes were ready to go home. Cindy and Robert left to pick him up immediately. Before taking Logan home, they visited the beach with him one more time. This time, a sunset. A goodbye. And when they left, the silence echoed. But his spirit lives in every sunrise, every tide, every tail wag that follows in his pawprints.

"Logan wasn't just a beloved companion—he was part of our Daytona Dog Beach family. His gentle soul, steady presence, and boundless love reflected everything we advocate for: the deep connection between dogs and their people, and the joy that flourishes when they can enjoy their favorite spaces together."

Spotlight on Sponsors

On the “Dog Friendly Section” of Ormond Beach and in the nearby parking areas and on entrance ramps there are “dog clean up bag stations” on most of the poles. On each station is a picture the sponsor of that station has selected. They range from business logos to pictures of supporters and their pups or just their pups. Two new sponsors are being added. Debi Coursey and Kim Sanders tell us why they are sponsoring bag stations.

Meet Debi & Robert Coursey!

After moving to Daytona Beach with her husband Robert, Debi Coursey would take their dogs Dutchie and Hollee for walks around their neighborhood, Rockefeller Gardens and Fortunato Park. When the first “Pup Rally” was held at Andy Romano Park to talk about interest for a “dog friendly section” on Ormond Beach, Debi was there. She and Dutchie became Paw Ambassadors, cleaning up the beach as often as they could.

Now fast forward through the trial period to full approval given this past April, the pair are very familiar to many who walk the beach in the morning, because they rarely miss a morning. “The “Dog Friendly Section” of Ormond Beach has been an incredible improvement for our community”. And Debi explains, “has become an excellent sense of community in itself”.

Debi calls Dutchie “my velcro dog because she follows me everywhere”. Dutchie is a German Shepherd/Labrador/Hound mix. Debi adds, “She may also be part pointer because she has learned to lead me to garbage which I might miss as we do our clean up.” Dutchie is very social and loves meeting other dogs and people. She really enjoys the water and a good romp with pups she meets (even if it means getting all leashes tangled up!)

Dutchie has a big sister Hollee. Hollee is a boxer/lab mix with a “healthy dose of Mexican Street dog”. She is almost 14 and her arthritis does not allow her to spend as much time at the beach but, Debi says, “when she does come, she likes to hang out, meet other dogs and people, and let me know it’s time to head home”.

Debi says, “We have met a lot of people, some with and some without pups. We know all the dogs by name and some of the people. Dutchie and I have made some wonderful friends. If we don’t see the people and dogs we normally see on a regular basis, we worry.”

Becoming a sponsor of a bag station was important to Debi and Robert. It is not only a way to support this dog beach section, but it’s a way to let all visitors know, volunteering is very important. Debi recently became a member of the Daytona Dog Beach, Inc. Board of Directors.

As the mission continues to grow, she hopes to spread the word of the beauty, fun and friendship found by putting “Paws in the Sand”!

Spotlight on Sponsors

Meet Kim Sanders!

Remembering Thor

"He was a gift from God and obviously He needed him back sooner than we wanted to let go". Kim Sanders shared many wonderful memories of her golden retriever Thor. Kim and her fiancée, Andrew Kucenas, had Thor in their lives not even two years when they had to say good bye to him on July 5, 2025, just 9 days after his second birthday. His diagnosis, idiopathic epilepsy.

When they picked Thor up at 8 weeks old on September 11th 2023, Kim remembers, "he made more of an imprint on my soul than I could ever imagine. He had the sweetest soul I've ever met." Thor was not a big fan of walks...at first but once he warmed up to them, most times they led to the dog friendly section of Ormond Beach!

Since they live only a few blocks away from the dog beach, he got to know every step of the route and to make the time last longer, sniffed everything along the way! Thor was not too sure about meeting the waves, at first but his "water loving "fish" of a sister" "Sunny" (an English Cream Golden Retriever) helped him grow to love the ocean. At home, he loved balls of every shape and size, especially squeaky balls. Kim says, "His favorite game was to hide a squeaky ball somewhere he couldn't reach, like under the kitchen sink or furniture, just so we'd have to get involved. Thor loved everyone he met and everyone he met loved him. "His bouncy, loving and innocent energy was impossible to resist".

Sunny, who has been missing Thor, now has a new younger brother to introduce to the waves. Kim and Andrew have welcomed "Huckleberry" into their lives", and like Thor, he is old enough to get out and about. This 6 week old bundle of puppy is full of wide eyed wonder and energy and Kim says "Thor opened my heart to having dogs in my life again, and because of him, I now have two wonderful pups to love."

Kim's reason to sponsor the bag station is two fold. First "to help support dog beach and to leave a piece of Thor here, so that when Sunny and our new boy, Huck visit, they'll have a place to stop and "see" him".

Kim also wants to raise awareness about K9 Epilepsy. "Some dogs can be managed with medication, but others, like Thor, can not, no matter how much you do. Despite working with a neurologist in Maitland, ER visits and other measures, his seizures remained uncontrollable."

Sunny and Huckleberry are now on the Dog friendly beach with Andrew and Kim who explains, "It's more than a place to bring your dog, It's a community where people and pets connect, support one another and share joyful moments by the sea."

Spotlight on Paw Ambassadors

Meet Nancy Rodecap!

We're excited to introduce the newest member of our Paw Ambassador team — Nancy Rodecap! A long-time supporter of Daytona Dog Beach, Nancy brings not only a deep love for dogs but also a passion for keeping our beach clean and safe for pets and people alike.

Originally from Connecticut, Nancy grew up in a community where dog licensing was not only the norm, but a key tool for encouraging responsible pet ownership. "It may not be a popular thing," she says, "but it was cheap, helped support the pound, and encouraged vaccinations and sterilization — all plusses for happy, healthy pets." It's this kind of thoughtful perspective that makes Nancy a perfect fit for our mission.

When asked what inspired her to join our volunteer ranks, Nancy shares, "I've walked this area of the beach for many years. My neighbor encouraged me to join." She's a nearly daily presence, walking the beach and picking up trash to help keep it beautiful for everyone — furry and human alike.

Her favorite part of being a Paw Ambassador? "All the happy dogs," she says with a smile.

Nancy is also the proud mom of Buddy, her sweet senior mutt who once loved beach walks and now prefers a soft bed in whatever room she's in. While Buddy may be enjoying a slower pace, Nancy remains full of energy and hope for the future of Daytona Dog Beach.

"I hope we can keep the beach a safe, clean, and happy place for dogs and their people for years to come," she says.

We're so grateful to have Nancy on board. If you see her out on the beach — likely with a bucket in hand and a smile on her face — be sure to say hello and thank her for all she does!

Spotlight on Paw Ambassadors

Meet Kaylyn Igoe!

We're thrilled to introduce a new member of our Paw Ambassador team, Kaylyn Igoe! A lifelong local from Debary, Florida—just a short drive from Daytona—Kaylyn brings both passion and a deep appreciation for dog-friendly beaches to her new volunteer role.

Growing up, Kaylyn spent many sunny days at New Smyrna Dunes and Dog Beach, where amenities like water bowls, dog waste bags, and conveniently placed faucets made beach days enjoyable for pups and their people alike. Inspired by those early experiences, Kaylyn is excited to bring that same energy and care to Daytona Dog Beach.

Kaylyn joined our volunteer team in July and already visits the beach regularly, aiming for 5–6 volunteer shifts a month.. "I knew this was a great chance to help the environment, wildlife, and overall safety of our animals and oceans," she shared. Her favorite part of being a Paw Ambassador? The sense of community—not just among volunteers, but with all who love and care for the beach and its four-legged visitors.

While she doesn't currently have a dog of her own, Kaylyn is a devoted dog aunt and animal lover. Her enthusiasm for keeping our beaches clean and safe is contagious, and her hopes for the future are bright: "Fingers crossed about opening a section on Daytona Beach!"

Kaylyn

July 4th Salute to Volusia Beach Team

For the 2nd year in a row, Daytona Dog Beach Inc and our Paw Ambassadors continued our tradition of spreading paws-itivity on the 4th of July.

Every day, we witness the extraordinary efforts and commitment of our Volusia County Teams who work on our beaches. And while so many of us take the day off to celebrate our nation's birthday, they are working to keep us safe.

We were honored to show how much we appreciate them by providing breakfast, lunch and dinner items, along with drinks to get them through the long hot, humid, hectic holiday work day. Reports are that there was enough to last the whole weekend.

Thanks to all our volunteers who made homemade food, purchased items, and helped with delivery and set-up. They represent the volunteer spirit that our country was founded upon.

4 Year Anniversary of People & Paws Beach Clean-up 7-5-25

Paw Ambassador Celebration

DAYTONA BEACH

Hard Rock Daytona - July 20, 2025

We welcomed our Paw Ambassadors and Sponsors to a celebration at Hard Rock Daytona's Sessions Restaurant. The outdoor patio, overlooking the Atlantic Ocean, provided a wonderful and accommodating evening for all, both our 2 legged and 4 legged guests.

This celebration brought much excitement and anticipation. We not only honored our dedicated Paw Ambassador volunteers' efforts and remarkable achievements, we discussed a potential new dog-friendly beach in Daytona and engaged attendees in planning for our October 16th Ruff, Rock & Roll Poker Run, which will begin and finish at Hard Rock.

We presented our PAW-SOME and TRASHIEST Paw Ambassador Awards for April - June to Debi Coursey and her beloved Dutchie. Cheryl Tuttle's name was drawn from all volunteers and sponsors present at the event, also receiving a prize. And Dee Zervas won the coveted Hard Rock themed raffle.

Our mission continues to support endless adventures, happy People & Paws, and a welcoming environment for everyone.

Chamber of Commerce Engagement

We are thrilled to be a new member with the Ormond Beach Chamber of Commerce. We already joined the Government Affairs Committee. We are committed to being a paw-sitive contributor to the community, both on and off the beach. We hope to enhance Ormond Beach's certification as a "Better City for Pets" through our partnerships with local businesses, non-profits and residents.

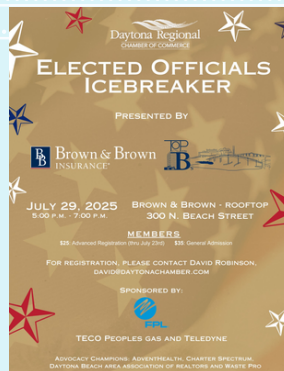

Leslie Lee & Nanette McKeel Petrella

As we enter our 3rd year as a member of the Daytona Regional Chamber of Commerce, we are ready to become more involved in all the Chamber has to offer. We joined the Cornerstone Committee and attended our 1st meeting in July. We hope to enhance Daytona Beach's certification as a "Better City for Pets" through our partnerships with local businesses, non-profits and residents.

Community Partnership – Education

Daytona Dog Beach Inc – Champion Sponsor

**ORMOND
BEACH
YOUTH
LEADERSHIP**
Shaping Future Leaders Today

Daytona Dog Beach Inc. is proud to support our youth by sponsoring the Ormond Beach Chamber of Commerce Youth Leadership program.

The program is a journey blending workforce skills and leadership development. Students gain invaluable knowledge of our community, build relationships with like-minded peers, and interact with local business leaders and government officials.

The program will help forge strong connections and the students earn community service hours applicable to their Bright Future Scholarships. The intent of the program is to help graduates build strong connections that keep the Ormond Beach community in their hearts and minds, whatever path they ultimately choose after their high school graduation.

We hope our support will help develop our next generation of confident community-minded leaders, including those who find passion working and volunteering with non-profit organizations.

Volusia County High Schools

Daytona Dog Beach Inc. has met with Volusia County Schools and is finalizing details to begin providing volunteer opportunities for high school students. Our nonprofit tracks hours for those who might be pursuing community service hours for scholarships or other opportunities that require or acknowledge them.

Students will be able to fit their volunteer time into their school, extracurricular and/or work schedules, providing lots of flexibility. We also encourage volunteering with friends or family, although that is not mandatory.

Our initial volunteer options revolve around beach cleanups, but we hope to expand options to include other needs within our nonprofit.

volunteer@daytonadogbeach.org

Collaboration on the Beach

On September 26th, we plan to partner with the students of Academic Oasis, the Central Florida team of Pets Best Insurance and Hard Rock Daytona to host a beach clean-up on the shores of Daytona Beach.

We plan to meet earlier in September with the students to share our non-profits story, and how we worked with the community and government to pursue our mission. The beach clean-up adds to the story and lesson in regard to environmental stewardship of our beaches.

Pets Best Insurance plans to join us as part of their company's 20th anniversary, which includes a group volunteer day.

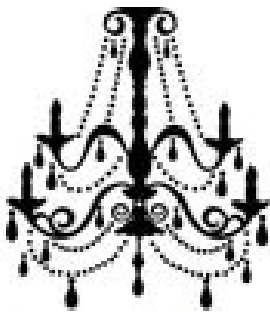

Participants plan to wrap up the morning at Hard Rock Daytona for refreshments, snacks and prizes.

In-Kind Sponsors are Paw-some!

About Us

The PURPOSE of our organization is to work with community partners to promote, support and educate the public in furtherance of safe, environmentally sound, and courteous dog friendly beaches in the Greater Daytona Beach area of Volusia County.

As an entirely volunteer organization, our Mission is as follows:

- To promote dog beaches within Volusia County where well-behaved canine citizens can exercise in a clean, safe environment without endangering or annoying people, property, or wildlife.
- To maintain beautiful, clean, dog friendly beach areas within Volusia County, open to dog lovers and friends who are willing to uphold the dog beaches' rules and regulations.
- To view dog beaches as a community project in partnership with key players throughout the community, including the County of Volusia, designed to satisfy the needs of dog owners and non-dog owners alike.
- To promote education, training and recreational activities that facilitate responsible dog ownership and better-behaved dogs using volunteers and professionals in the animal welfare industry.
