From the President

As summer gives way to fall, I find myself reflecting on an extraordinary season for Daytona Dog Beach, Inc. — one filled with accomplishment, new beginnings, heartfelt loss, and countless reminders of how special this community truly is.

Earlier this year, we celebrated our fifth anniversary, marking five years since a dream of creating dog-friendly beach access in Volusia County became a growing community movement. That spirit was on full display at the Hang 8 Dog Surfing Extravaganza at Hard Rock Hotel Daytona Beach. Watching surfing dogs take to the waves, families fill the beach, vendors and sponsors come together, and volunteers work side by side was unforgettable. Hang 8 became more than a competition; it celebrated animal welfare, volunteerism, local businesses, and the unique connection we share with our dogs.

This season has also brought profound loss. We continue to remember Lila Bell, whose presence helped define the earliest days of Daytona Dog Beach, Inc. Alongside Mac, Samson and Delilah, Lila helped put a face — and paws — to our effort to bring dogs back to Volusia County beaches. We also remember Hollee with love and gratitude. Their absence is deeply felt, but their spirit remains part of our story.

As we move into September and October, our calendar is filled with opportunities to gather, serve, and celebrate, including the 2nd Annual Ruff, Rock & Roll Poker Run on October 15 during Biketoberfest.

We are also looking ahead to an exciting 2027. Plans are underway for an expanded two-day Hang 8 Dog Surfing Extravaganza on May 30–31 at Hard Rock Hotel Daytona Beach. We are thrilled to have launched [Hang8DogSurfing.com](https://hang8dogsurfing.com), giving the event its own home, along with the new Daytona Dog Beach app, making it easier for our community to stay connected, support our mission, and get involved. Daytona Dog Beach Inc was also featured on the Canine Culture Podcast. Check it all out!

Nanette McKeel Petrella
President

I also want to extend heartfelt appreciation to our sponsors and community partners. Businesses both local and from beyond our area have enthusiastically embraced this event. Their support has helped transform Hang 8 from an ambitious idea into a true regional event experience. We are especially grateful to Hard Rock Hotel Daytona Beach, Volusia County Animal Services, our event sponsors and vendors.

Thank you for supporting our sponsors, attending events, sharing our mission, We are equally excited to welcome new members to our leadership team, whose talents, ideas, and commitment will help guide our next chapter.

To our volunteers, sponsors, partners, vendors, and supporters: thank you. Daytona Dog Beach, Inc. continues to grow because of all of you. Together, we are not simply creating events — we are building traditions, strengthening community bonds, honoring the dogs who helped shape our journey, and creating a more pawstive place to live, work, visit, and play.

There is so much ahead, and we are ready for it.

The best is truly yet to come~ 🐾💜🐾

Paw Ambassador Celebration

7-26-26

On July 26, Daytona Dog Beach, Inc. gathered at Racing's North Turn to celebrate our Paw Ambassadors and recognize our Second Quarter "Trashiest Paw Ambassador" honorees.

From April through June, our Paw Ambassadors removed an incredible 1,885 pounds of trash from our beaches, bringing our total since 2021 to 14,502 pounds—more than 7 tons!

Debi Coursey and Dutchie earned top honors after collecting an amazing 589 pounds, while Cynthia Amoroso and Teena were named Runner-Up with an impressive 315 pounds collected.

Every bucket filled helps create cleaner shorelines, safer places for our dogs to play, and a healthier coastal environment for everyone.

A special thank-you goes to our Volunteer Coordinators, Debbie Keese and Diane Perza, for handling the arrangements for this wonderful celebration and for all they do to support our Paw Ambassador program.

Congratulations to our honorees, and heartfelt thanks to every Paw Ambassador helping us keep our beaches clean, beautiful, and welcoming!

Spotlight on Paw Ambassadors

Welcome Penelope & Kevin Spillane & Tillie

This month, we're excited to highlight Kevin and Penelope, a dynamic duo whose enthusiasm, kindness, and community spirit make Daytona Dog Beach a brighter place for everyone - especially their beloved Australian Shepherd, Tillie.

Originally from New York and New Jersey, Kevin and Penelope have called Port Orange home for the past six years. Back up north, dogs were welcome on certain beaches during specific times of year, and the couple loved attending yappy hours at local restaurants and bars. One of their favorite memories is the iconic Greenwich Village Halloween Parade, where the creativity of dog costumes never failed to amaze. They'd love to see more dog-friendly events and spaces here in Volusia County, helping pups and their people enjoy life together.

Their inspiration to become Paw Ambassadors came naturally. The mission aligns perfectly with their values: paying it forward, environmental conservation, fellowship with other dog owners, and giving Tillie plenty of opportunities to meet new friends. Volunteering is already part of their lifestyle - Kevin is a drummer who has supported several music-based organizations, and together they've helped seniors and low-income families with small home repairs thanks to his carpentry skills.

Kevin and Penelope plan to volunteer at least once a week, with hopes of increasing that as time allows. Their favorite parts of being Paw Ambassadors include keeping the beach clean, meeting fellow dog lovers, enjoying the ocean with Tillie, and exploring new areas in the community.

Their sweet girl Tillie is a 5-year-old, 50-pound Australian Shepherd with a personality as big as her heart. She's adventurous, smart, incredibly friendly, and - as Kevin and Penelope put it - she gets along swimmingly with humans and dogs alike. Tillie loves splashing in the waves, making new friends, and showing off her oodles of personality.

Looking ahead, Kevin and Penelope hope Daytona Dog Beach remains as clean and safe as possible, free from environmental or man-made hazards. They'd also love to see the dog beach expand, or even establish a partial dog-friendly area in Daytona Beach Shores, which would bring the joy of responsible, leashed beach time even closer to home.

Please join us in thanking Kevin, Penelope, and Tillie for their dedication, their kindness, and the positive energy they bring to our beach community.

Lila Bell: One of the Paws That Started It All

Diggin' it!

Randy Barber/staff photographer
Brenda Balas of Daytona Beach Shores picks up trash with her dog, Lila Bell, during the People & Paws Beach Cleanup at University Boulevard Beach Parking in Daytona Beach on Saturday, Jan. 21. Daytona Dog Beach Inc. hosted the event.

From Foster Dog to Forever Family:

Sometimes the dogs who come into our lives for what is supposed to be a short time are the ones who were meant to stay forever. That was Lila Bell.

In February 2021, Brenda and Tim Balas welcomed Lila into their lives through Halifax Humane Society, intending to foster her. But Lila had other plans. Somewhere along the way, fostering became family, and Brenda and Tim happily became what rescue organizations affectionately call “foster fails.” Lila Bell had found her forever home.

What no one could have known then was that Lila was also about to become part of something much bigger—a movement that would help change the future of dogs on Volusia County beaches.

A Face of the Fight for Dog-Friendly Beaches

Daytona Dog Beach Inc. was founded in 2021 with a dream that seemed simple but would require years of persistence: put dogs back on our Volusia County beaches. From those earliest days, Lila Bell was there.

Alongside Daytona Dog Beach Inc. President Nanette McKeel Petrella’s dogs, Mac, Samson and Delilah, Lila became one of the original four-legged faces of our organization and our advocacy.

Before there was a Daytona Dog Beach, there were community meetings, festivals, outreach events and countless conversations with people throughout our community. We had to explain why dogs belonged on our beaches and demonstrate that dog-friendly beaches could be safe, responsible and environmentally sound. And again and again, Lila showed up.

With Brenda—Daytona Dog Beach Inc.’s Secretary—and Tim by her side, Lila joined Mac, Samson and Delilah at a multitude of community events. While the humans talked about responsible dog ownership and the dream of returning dogs to Volusia County beaches, our dogs often made the most compelling argument of all. They simply showed people what we were fighting for.

Every wagging tail, every friendly greeting and every person who stopped to meet Lila became another opportunity to start a conversation. She helped turn strangers into supporters and an idea into a community movement. She Helped Put Paws in the Sand.

Remembering Lila Bell

For those who discovered Daytona Dog Beach Inc. after dog-friendly beaches became a reality, it may be difficult to imagine a time when bringing dogs back to our beaches was still only a hope. Lila Bell represents that chapter of our history. She was there before the victory.

She was there when “Putting Paws in the Sand” wasn't yet something we could celebrate—it was something we were working tirelessly to make possible. And wonderfully, Lila lived to see that dream come true.

She lived to see dogs welcomed back onto designated Volusia County beaches. She lived to see something she had helped represent for years become a reality. The little foster dog who became part of Brenda and Tim's family also became part of the history of Daytona Dog Beach Inc.

On July 7, 2026, we lost Lila Bell. For Brenda and Tim, the loss of their beloved girl left an immeasurable emptiness. And throughout the Daytona Dog Beach Inc. family, our hearts broke with theirs.

For more than five years, Lila had been woven into our story. She wasn't simply Brenda and Tim's dog who accompanied them to Daytona Dog Beach events. She was one of us. We remember the events. The photographs. The people she greeted. The years of standing beside us while we tried to convince our community that dogs deserved a place on our beaches. And now, when we look back at those photographs from the earliest days of Daytona Dog Beach Inc., there she is. Lila. Right there at the beginning.

There is something especially meaningful in knowing that Lila lived long enough to see the dream she helped champion become reality. Today, dogs run across sand where dogs once weren't permitted. Families walk the shoreline together. Pawprints stretch along the beach beside human footprints. Lila helped make that possible.

She never spoke at a meeting. She never made a presentation or asked anyone for their support. She didn't have to. She simply showed up beside the people who loved her and, together with Mac, Samson and Delilah, showed our community exactly why this mattered.

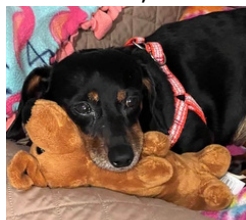

That is Lila Bell's legacy.

Her story began when Brenda and Tim opened their home to a foster dog in February 2021. They thought they were rescuing Lila. Instead, Lila became family. And then she became part of ours.

We are heartbroken that she is gone. But we are profoundly grateful that she was here—and that for five remarkable years, her journey and ours were intertwined.

The tides will continue to wash pawprints from the sand. New dogs will come. New families will discover the joy of sharing our beaches with the animals they love. And most of them will never know the little dog named Lila Bell who helped make it possible.

But we will. We will remember her. We will remember that she was there when this was still just a dream. And every time we see paws in the sand, a little piece of Lila Bell's legacy will be there, too.

Remembering Hollee

Dutchie & Hollee enjoying the beach together!

This month, our Daytona Dog Beach family says goodbye to a very special girl, Hollee, who crossed the Rainbow Bridge at nearly 15 years old.

While arthritis slowed her down in recent years, Hollee loved an occasional visit to the beach. On cool mornings with a low tide and firm, hard-packed sand beneath her paws, she was right at home. She carefully made her way along the shoreline, happily collecting treats, soaking up pets from friends, and enjoying the ocean breeze.

Together, Hollee and her younger sister, Dutchie, gave back to the beach they loved by sponsoring one of our doggy-bag dispensers, helping keep our Dog Beach clean and welcoming for everyone.

Hollee was Dutchie's first and oldest friend. Since her passing, Dutchie has been wandering the house looking for her sister, a reminder of the deep bond they shared.

Hollee's paw prints remain in our hearts and in the memories of everyone lucky enough to have known her. She will be missed forever and never forgotten.

Run free, sweet Hollee.

Academic Oasis 2nd Annual Beach Clean-up

Plans are underway to host our 2nd Annual Academic Oasis Beach Clean-up on the Daytona Dog Beach on November 6, 2026.

Last year, we welcomed 18 of their students, who rolled up their sleeves for a beach clean-up. Buckets were filled, and at the end we weighed each one to crown our “Trashiest Kid” with a fun prize! Altogether, the kids and their families picked up 26 pounds of trash off the beach!!! This year, their enrollment has nearly doubled, so we look forward to seeing even more students join in.

As an extra treat, we sponsored breakfast for all the kids at the Hard Rock Hotel Daytona Beach to celebrate their hard work!

We’re proud to be part of building lifelong learners who care for their community, their environment, and each other.
