

LANDSCAPES WORKSHOP SUPPLY LIST:

A reasonable assortment of paints, brushes and painting surfaces should be brought by each student.

Paints should include the following colours or similar ones.

Ultramarine Blue

Burnt Sienna

Cadmium Red

Cadmium Yellow

Manganese or Phthalo Blues

Titanium or Zinc White

Any other colours the student would feel comfortable using. It should be mentioned that students should bring regular sized paint tubes and not tiny sample packs. Those attending the workshop will be expected to paint using ample amounts of paint to cover their surfaces in strong brushstrokes.

Mediums such as acrylic medium, retarder or glazing mixtures are all acceptable.

Brushes should include 1 1/2", 1", 1/2" brushes, plus only one rigger type brush for only fine details.

Surfaces should include at least two canvases or otherwise of 12"x 16" - 16"x 20" in size for personal class projects. A variety of smaller surfaces of approximately 8"x 10" would be appreciated for in class exercises.
