

# Join Us for Alfasigma USA's Speaker Program with Dr. Eric Trathen, DPM

## Prescribing MetanxPRO Nerve Health™\* (L-methylfolate Ca/P-5-P/Me-Cbl/ALCAR) for people with peripheral neuropathy

Thursday, February 5, 2026  
6:00pm

Patsy's American Restaurant  
8051 Leesburg Pike  
Vienna, VA 22182

Dr. Eric Trathen will provide a comprehensive overview of peripheral neuropathy (PN), covering its causes and the challenges associated with its management. The presentation will examine the current treatment landscape for PN, highlighting the limitations of existing options. Dr. Eric Trathen will discuss the relationship between deficiencies in L-methylfolate, methylcobalamin, pyridoxal 5'-phosphate, and acetyl-L-carnitine and their roles in the pathogenesis of PN. The use of MetanxPRO Nerve Health™ in the dietary management of PN will be explored, including its mechanism of action and clinical evidence supporting its use. This comprehensive overview aims to enhance healthcare providers' understanding of PN and introduce innovative management strategies.
