

Beyond & Reflect LLC

All-Natural Skincare Solutions for Every Skin Type

Capabilities Statement | April 30, 2024

Capabilities Narrative

Beyond & Reflect LLC formulates and sells all-natural skincare products designed to treat and nourish diverse skin types, including eczema-prone, acne-prone, oily, aging, and dry skin. Our Pro Guard Collection supports outdoor workers exposed to harsh conditions. Each collection is handcrafted with premium ingredients and backed by years of research. We also provide personalized skincare consultations, wellness education, and retail through e-commerce and events.

Core Competencies

- All-natural skincare product formulation and production
- Targeted skincare collections for specific skin concerns
- Outdoor worker protection via Pro Guard Collection
- Personalized skincare consultations
- Wellness education and community outreach
- Retail through e-commerce and local pop-up events

Differentiators

- Backed by years of personal research and experience
- Focused on natural, clean, and effective skincare solutions
- Commitment to underserved and working communities
- Branded collections tailored to everyday skincare needs
