

# KEEPING OUR COMMUNITY SAFE DURING RE-OPENING OF OUR OUTDOOR DINING

To protect our communities and you during these challenging times, Dragon Rouge has taken the following important steps:

- We conduct daily wellness check of our staff that includes temperature and/or symptom screenings.
- We train and communicate with employees regularly to follow safety protocols.
- We implement and follow our food handling safety protocols when serving our customers.
- We implement and follow sanitization protocols between serving our customers.
- We wear PPE including masks and/or shields to protect staff as well as our customers.
- We follow regulatory requirements for frequent and proper handwashing.
- We maintain a safe distance for you and everyone else.
- We clean and sanitize regularly to maintain a healthy and safe environment in accordance to guidelines recommended by health organizations.
