

**5 January 2026**

To: Upstate Veterans Alliance Network (UVAN) membership  
From: UVAN Steering Committee  
Subject: 2026 Meeting Schedule

As we begin the new year, we would like to extend our sincere appreciation for your continued support and partnership. Your engagement and collaboration are vital to the strength and impact of the veteran services network across Upstate South Carolina.

The UVAN Steering Committee has approved five strategic pillars that will guide our collective work moving forward. Beginning in 2026, UVAN Membership Meetings will be aligned to focus on one pillar at each meeting. Please note that a fifth Membership Meeting has been added this year to support this approach.

We will look for our Steering Committee members to chair each pillar, with active involvement from our broader membership based on interest, expertise, and organizational alignment. The five approved pillars are:

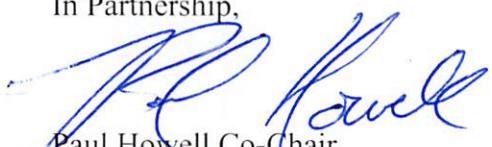

- **Health & Resilience**
- **Social & Community Connection**
- **Economic Mobility**
- **Education & Development**
- **Housing Stability**

Your Steering Committee members are listed on the following page, and we are grateful for their leadership and service. Thank you again for your continued commitment to working collaboratively to strengthen and enhance veteran services throughout our region as part of the State Veteran Coalition.

The Committee has been working hard to develop a solid schedule for 2026, so please make notes of the following dates. All are subject to change, but we wanted to expeditiously communicate our plans for this year.
