

Prickly Ed's Cactus Patch Native Plant Emporium - Upcoming Events

Learn More & Register www.pricklyeds.com/upcoming-events

WILD BY DESIGN

WED. MAR. 4 @ 6:30 PM

Barrington
PUBLIC LIBRARY

In 2026, Biophilic Design - the art of connecting people with nature - takes center stage. Dig in to top garden trends of 2026 including curated wildscapes, sustainable sensory spaces, and "more is more" abundance. Explore practical steps to integrate this year's top garden trends into any landscape.

Location: Barrington, RI Public Library

THROUGH THE EYES OF THE PLANTS

TUES. MAR. 17 @ 1 PM

Ready to start integrating more beneficial Native Plants into your yard? Come hear the stories of 12 Native Plant Species and learn what they have to tell us about making choices that work for your garden goals - and for the plants! Hosted by the Barrington Garden Club @ the Barrington, RI Public Library.

WHAT'S ALL THE BUZZ ABOUT GARDENING FOR POLLINATORS?

TUES. MAR. 31 @ 6:30 PM

Barrington
PUBLIC LIBRARY

Spaces planted & nurtured for pollinators are also good for wildlife, the environment, waterways & community health. But what does that really mean? Come explore what research tells us about the things we can do to help "the little things that run the world" in our yards, gardens & communities!

Location: Barrington, RI Public Library

SWANSEA POLLINATOR PATHWAY KICKOFF

DATE COMING SOON...

SWANSEA FREE PUBLIC LIBRARY

"Corridor Gardening" - the act of connecting habitat by planting for pollinators and songbirds in community spaces and right at home - is on the rise. There are now "Pollinator Pathways" in 321 communities in 26 states.

Join the Swansea Conservation Department, Providence Pollinator Lab, & Prickly Ed's Cactus Patch

as we get Swansea "on the map"!

Location: Swansea, MA Public Library

GARDEN TRIVIA WITH A TWIST!

THURS. MAR. 19TH @ 6:00PM

Swansea Free Public Library

CO-HOSTED BY:
PRICKLY ED'S CACTUS PATCH NATIVE
PLANT EMPORIUM &
THE TOWN OF SWANSEA
CONSERVATION DEPARTMENT

Come test your eco-friendly gardening knowledge! Have fun playing while you learn more about native plants, resilient landscapes, pollinator & wildlife friendly gardening, wetlands protections, water-wise landscaping, and much more. Our host will be Adeline Bellesheim - Conservation Agent & Enviro-Guru by day & All Star Trivia Host after dark! There will be prizes - snacks - and fun for all.

3/19/26 Swansea, MA Public Library

4/16/26 Barrington, RI Public Library
