

GI/Endotech Competency/Skills Checklist

Check the column that matches your skill level.

Name: _____

Date: _____

Title: _____

1= No experience

2= I can perform this guidance from someone

3= I am competent and can perform it solo

4= I am Highly proficient and could mentor others

Skills	1	2	3	4
WORK SETTINGS				
Outpatient Endoscopy Center				
Pediatric Endoscopy				
Portable/Bedside Travel Cases				
Pre/Post Procedure				
Inpatient				
EMERGENCY MANAGEMENT				
Emergency Response				
Fire Safety				
Latex allergy				
EQUIPMENT				
Ballon Dilators				
Baskets/Nets				
Hola				
Biliary Stent				
Bronchoscopy Cart				
Bronchoscopy Supplies				
CO2 Regulators				
Cytology Brushes				
Decompression Tubes				
Dilators				
Disposable Grounding Pads				
ERBE (Electrical Coagulation Instrument)				
Electrosurgical Units				
Forceps				
Foreign Body Equipment				
Gastrostomy Tubes				

ENDOTECH solution staffing agency

connecting you to top tech talent

GI/Endotech Competency/Skills Checklist

Gastrostomy Buttons				
Polyp Snares				
Savary Dilators				
MEDICATION ADMINISTRATION				
Benzodiazepines				
Emergency Medications				
Lidocaine Throat Spray				
Opioid Analgesics				
Propofol				
Reversal Agents				
Versed				
PRE-PROCEDURE				
12 Lead EKG				
Patients Assessment				
Informed Consent				
Starting IVs				
POST-PROCEDURE				
Airway Management				
Follow up Phone Calls				
Recover Conscious Sedation				
Colon Prep				
Recover Monitor Anesthesia Care Sedation				
PROCEDURE				
Anorectal Manometry				
Bravo/pH monitoring				
Bronchoscopy				
Circulate				
Colonoscopy				
Cricopharyngeal Myotomy				
Double Balloon Enterostomy (DBE)				
Endoscopy Ultrasound (EUS)				
Endobronchial Ultrasound (EBUS)				
Endoscopic Ablation				
Endoscopy Retrograde Cholangiopancreatography (ERCP)				
Endoscopic Submucosal Dissection (ESD)				
Esophageal Dilation				
Esophageal Manometry				
Esophageal Stent Placement				

ENDOTECH solution staffing agency

connecting you to top tech talent

GI/Endotech Competency/Skills Checklist

Esophageal Varices and Banding				
Esophagogastroduodenoscopy (EGD)				
Fine Needle aspiration				
Gastric Stimulators w/ Reprogramming				
Gastric Stimulators w/o Reprogramming				
Hot and Cold Biopsy				
Hydrogen Breath Testing				
Liver Biopsy				
Lithotripsy				
Patency Capsule				
Percutaneous Endoscopic Gastrostomy Insertion/Replacement (PEG)				
Perora Endoscopic Myotomy (POEM)				
Polypectomy				
Replacement of Gastrostomy Buttons				
Replacement of Gastrostomy Tubes				
Sclerotherapy				
Sigmoidoscopy				
Single Balloon Enterostomy (SBE)				
Small Bowel Manometry				
Transesophageal Echocardiography (TEE)				
Transoral Incisionless Fundoplication (TIF)				
Video Capsule Endoscopy				
PROFESSIONAL KNOWLEDGE AND SKILLS				
Administering Conscious Sedation				
Electrosurgical Safety				
End Tidal CO2 Monitoring				
Infection Control				
Instrument Processing and Cleaning				
Interpretation and Communication of lab Values				
Interpretation/Management of Dysrhythmias				
Malignant Hyperthermia Protocols				
Monitoring conscious Sedation				
Pain Assessment and Management				
Radiation Safety				
Specimen Handling/Labeling
