On October 5, 2024, Rockford Fire Investigators were dispatched to Wired Café at 414 E. State Street. Upon arrival, they learned from firefighters that multiple fires had been set inside the business with residential apartments above it. The defendant, David Marshall, was developed as a suspect. There were residents inside the upstairs apartment when Marshall started the fires.

A few days later, on October 17, 2024, Rockford Fire Investigators were called to the Park Terrace Apartments in the 1000 block of Chamberlain Street. After analyzing the available fire patterns and evidence, Investigators determined the fire originated in a first-floor office on the south side of the structure. During the course of the fire, five victims, including four residents and one firefighter were injured and were transported to local hospitals. Security video footage showed the defendant, David Marshall, break into the office where the fire started. Marshall was seen on video leaving the office, then shortly after, smoke can be seen coming from the area right before the fire alarm went off.

Aggravated Arson is a Class X Felony that is punishable by a sentence of 6-30 years in the Illinois Department of Corrections followed by three years of Mandatory Supervised Release.
