

SHOWCASING ORIGINAL DESIGN AND CRAFT MAKING
FROM COUNTY KERRY, IRELAND.

KERRY CRAFT TRAIL 2016

www.originalkerry.com

ORIGINAL KERRY is an umbrella brand which represents a network of designers, artists and craft makers. It supports education, development and the growth of Kerry's craft industry and promotes Kerry Craft Trail as an authentic activity for locals and visitors to enjoy.

DESIGNED AND HANDMADE
ORIGINAL
KERRY

Meeet first hand professional designers and craft makers when you visit the Kerry Craft Trail. Studio locations are dotted across the County of Kerry. A visit to any studio along the route offers you the chance to see first-hand the making of exceptional craft work. Demonstrations and workshops with the makers can be arranged and the

studios and workshop spaces are ideally suited to small touring bus groups (max. 20) and private cars. Look for the Kerry Craft Trail sign on approved craft makers' premises.

Many makers have a studio, shop, toilets and café facilities on-site. Ideally making contact in advance with each stop you wish to visit is recommended, especially outside of the Summer season. Private craft demonstrations and workshops can be arranged by contacting the maker directly. It is free to visit any of the stops along the Trail but there is generally a charge for workshops and detailed demonstrations. Makers' fees and charges are at their own discretion. Opening times can vary; ideally contact makers in advance.
