Supreme Chaplin will send an update about vocations. New program in place. Vocation committee for the parish. Vocation prayer at every Friday mass. Yuma and Tucson have seen an increase in applications. 1-2 years you will see a tidal wave of an interest in vocations. We have a new seminary system. One year of self-evaluation that is adding a year or incorporating into current programs. Vocation program is working. Prayers for the vocations. Will be emphasizing vocations for years.
