MIRROR *Collection*

Our mirror collection features elegant gold mirrors that are ideal for a variety of uses, including welcome signage, card and gift displays, and specialty drink signage. If you're seeking decorative backdrop pieces, our mirrors are the perfect choice!

- All mirrors arrive blank, with noted exceptions.
- You will need to add vinyl wording yourself.
- Each mirror requires a sturdy floor-standing or tabletop easel for display.

Please note:* Easels are not included with the mirrors.

TABLE TOP

UTILIZE CHARGER PLATES TO CRAFT BREATHTAKING PLACE SETTINGS.

Begin by incorporating charger plates to establish a beautiful foundation for your guests' place settings. Layer in a lovely napkin to introduce texture and color, and don't forget to include a menu card. To complete each setting, consider adding small flowers or a delicately tied ribbon gift. Your tables will look exquisite, and your guests will feel truly welcomed.

CANDLE STICK & CANDLE *Collection*

Candlelight is the perfect way to infuse romance into your wedding celebration. Whether you choose to line the aisle with candles or feature them prominently on your guest seating tables, incorporating candlelight will create a soft and enchanting atmosphere.

Our selection of candlesticks, candle holders, and LED candles will assist you in crafting that romantic glow.

Candlelight

Whether you decide to simply incorporate votive or tea light candles on your guest tables, or if you opt for an elaborate candle-themed wedding décor, you will never regret this choice. Not only do they emit a gentle glow, but they also serve as an excellent substitute for floral centerpieces.

For an evening ceremony, illuminating the aisle with candles creates a soft, romantic atmosphere as you walk down the path.

LED candles have evolved significantly since their inception. With real wax, flickering flames, and long-lasting battery technology, they ensure that your reception tables maintain their charm and elegance throughout the evening, just as they did when guests first arrived.

CANDLELIGHT TIP | FLOATING CANDLES

If you plan to use cylinder candle holders with floating candles as your centerpieces, remember to follow these three essential tips to achieve a beautiful display:

- ****Group the candle holders in sets of three or five.****
- ****Measure and mark the water line for each holder size.****

****Always use distilled or spring water for clarity; never use tap water.****
