RX680

Rugged & Water Resistance 2W FRS Walkie Talkie

Meet the new rugged and water resistance RX680 2W FRS walkie talkie from Cobra. It is designed for tough outdoor adventure; anti-slip grip, LED flashlight, dedicated volume/power knob and a large LCD. It has a 38-mile range and a 2000mAh rechargeable Li-Polymer battery. Ideal for trail blazers exploring the wild country.

New
2019

Up to 38-mile Range

Best-in-the-class range performance

22 Channels with NOAA Weather Channels

2662 channel combinations plus 10 NOAA weather channels for storms and emergencies.

Anti-Slip Design & IPX4/JIS4 Water Resistance

Built-in rubberized anti-slip grips and protection against spraying water

VOX and VibrAlert®

Voice-activated transmission enables hands-free operations. VibrAlert provides vibrating mode for incoming transmission

Dedicated Volume/Power Knob

For user friendly operation

Other Key Features

Built-in LED flashlight, battery saving circuit, scan function, 10 call tones, roger beep tone, auto squelch, large LCD display with backlight, emergency mode and keystroke tone signal

Full Range of Accessories

Belt clip, desktop charger, 2000mAh Li-Polymer rechargeable battery & USB charging cable

ACXT145 & 145-3 (3 unit package)

16-Mile Compact FRS Walkie Talkie

The ACXT145 is the most affordable walkie talkie out on the market with NOAA weather channels. Roger beep confirmation tone indicates to others it's clear to talk. Power saving circuitry extends battery life when not transmitting or receiving. Call alert provides a recognizable alert for incoming calls. This radio is an affordable and compact option for everyone from the novice to the professional radio enthusiast!

Up to 16-mile Range

Compact design with extended range

22 Channels with NOAA Weather Channels

7 GMRS/FRS, 7 FRS and 8 GMRS channels plus 10 NOAA weather channels for storms and emergencies.

Power Saving Circuitry

Dedicated power saving circuit extends battery life when not transmitting or receiving

Other Key Features

Call alert, roger beep tone, auto squelch, LCD display and keystroke tone signal.

Full Range of Accessories

Belt clip, 2 x 3 AAA rechargeable batteries included (alkaline batteries can also be used, not included) & Micro-USB Y charging cable

ACXT345

25-Mile NOAA FRS Walkie Talkie

Compact design with up to 25-mile range. With weather alerts be prepared for storms and emergencies with built-in NOAA radio receiver. Voice-activated (VOX) transmission frees hands for other tasks. Five selectable tones will distinguish between different parties for incoming calls. A total of 2662 channel combinations are available when the 22 channels are combined with the 121 privacy codes (38 CTCSS/83 DCS). These combinations prevent interference from other radios.

Up to 25-mile Range

Compact design with extended range

22 Channels with NOAA Weather Channels

7 GMRS/FRS, 7 FRS and 8 GMRS channels plus 10 NOAA weather channels for storms and emergencies.

ACT1035RFLT

37-Mile Floating FRS Walkie Talkie

This Cobra Floating Walkie Talkies are the perfect radio for your next hike, camping trip or other outdoor adventure. The ACXT 1035R FLT two-way radios come pre-charged and ready to use out of the box and have a max performance range of 37 miles. The radios' compact design and rubberized grip make them easy to carry in wet and dusty environments and even if you do drop them in water, the floating & waterproof (IPX7 standard) design make them ready for anything you or mother nature can throw at them.

Up to 37-mile Range

Compact design with extended range

22 Channels with NOAA Weather Channels

2662 channel combinations plus 10 NOAA weather channels for storms and emergencies.

Floating & Anti-Slip Design

Never lose your radio. Floating design makes retrieving the radio easy if dropped in water. Built-in rubberized anti-slip grips.

VOX & VibrAlert®

Voice-activated transmission enables hands-free operations. VibrAlert® provides vibrating mode for incoming transmission

Rewind-Say-Again®

This patented technology allows you to reply the last 20 seconds on any missed transmission.

Other Key Features

5 selectable call alert, Built-in LED flashlight, roger beep tone, auto squelch, LCD display and keystroke tone signal.

Full Range of Accessories

Belt clip, desktop charger, 2 x 3 AA rechargeable batteries included (alkaline batteries can also be used, not included) & Micro-USB Y charging cable
