

D1X TRAIL ELECTRONIC SHIFTER

SHIFT ALL SPEED

FLAT BAR

80 to 150 hours before recharging batteries

DROP BAR

ELECTRIC SHIFTING AVANTAGE

- -Shifting is quicker, easier, and more flexible
- -Custom option on shifting and more on the app.
- -App for android and IOS.
- -Fit on all number of gears.
- -Overshift not needed anymore.
- -Precision of the D1x reduces wear.
- -The Micro-adjust remote lets you tune individual gears.
- -Reduces fatigue on long rid.
- -DX1 electronics in a safe spot and instead of the electronic derailleur.
- -Mechanic derailleur crash cost less than electronic derailleur.
- -No need for internal cable routing.
- -Easy to upgrade an 11 speed to a 12 speed using the app.
- -Quickly re-index using the app.
