1986 TIME 2021

One of the most iconic shapes in Bollé's history, Chronoshield was first launched back in 1986. This year's revised edition makes no compromise between vision & comfort, featuring Phantom lenses and our ultimate frame technology. Go back to the future wearing our 2020 Chronoshield.

ADJUSTABLE TEMPLES & NOSEPAD

The temples & nosepad can be adjusted, which offers a truly tailored fit and the ultimate solution in comfort.

WIDE FIELD OF VISION

With the largest lens dimensions in our range, Chronoshield offers an extra wide field of vision, ideal for visual comfort and protection against the elements.
