

A group of four people, three women and one man, are walking along a cliffside overlooking the ocean. They are all smiling and appear to be in good spirits. The woman on the far left is wearing a light blue long-sleeved top and teal leggings. The woman next to her is wearing a dark blue long-sleeved top and light blue shorts. The woman on the far right is wearing a bright yellow long-sleeved jacket and black shorts. The man on the far right is wearing a dark grey long-sleeved top and black pants. The background shows a vast ocean with white-capped waves crashing against a rocky coastline under a clear sky.

SPRING 2020 | SALES LAUNCH

For S20, we explore designs that reflect the contrast between nature and technology. Though opposite in many ways, they also complement each other. Our spring collection displays a mix of colors that are natural and approachable but also vibrant and modern. We've incorporated a new technological pattern into our Spring 20 Elite Collection that enhances the product design and performance. This fresh yet approachable look makes this collection a must-have for spring and summer.
