

# Air Supply - Out of Nothing at All

[Intro]

**G, G, Em, Em, C, D**

**G**

I know just how to whisper

**Em**

And I know just how to cry

**C**

I know just where to find the answers

**D**

And I know just how to lie

**G**

I know just how to fake it

**Em**

And I know just how to scheme

**C**

I know just when to face the truth

**D**

And then I know just when to dream

**G**

And I know just where to touch you

**Em**

And I know just what to prove

**C**

I know when to pull you closer

**D**

And I know when to let you lose

**G**

And I know the night is fading

**Em**

And I know the time's gonna fly

**C**

And I'm never gonna tell you everything I gotta tell you

**D**

But I know I gotta give it a try

**G**

And I know the roads to riches

**Em**

And I know the ways to fame

**C**

I know all the rules and then I know how to break them

**D**

And I always know the name of the game

**C**

**F**

**C**

But I don't know how to leave you

**F**

**G**

**Am**

And I'll never let you fall

**Em**

And I don't know how you do it

Out of nothing at all

**C** **D/F#**  
Every time I see you all the rays of the sun  
**G** **C**  
Are streaming through the waves in your hair  
**Am**  
And every star in the sky  
**Bm** **Em**  
Is taking aim at your eyes like a spotlight  
**C** **D/F#**  
The beating of my heart is a drum and it's lost  
**G** **C**  
And it's looking for a rhythm like you  
**Am** **D/F#**  
You can take the darkness from the pit of the night  
**G** **C**  
And turn it to a beacon burning endlessly bright  
  
I gotta follow it  
**Am**  
Cause everything I own, now  
**C** **G**  
It`s nothing till I give it to you

### [Solo]

**Em**  
I can make the final block;

And I can make every tackle, at the sound of the whistle,  
**D**  
I can make all the stadiums rock  
**G**  
I can make tonight forever  
**Em**  
Or I can make it disappear by the dawn

**C**

And I can make you every promise that has ever been made

**D**

And I can make all your demons be gone

**C**

**F**

**C**

But I'm never gonna make it without you

And I'm never gonna make it like you do
