**C G F F G**  
**C**

## [Verse 1]

**F** **C**  
I'm lying alone with my head on the phone  
**F** **C**  
Thinking of you till it hurts  
**F** **G**  
I know you hurt too but what else can we do  
**Am** **F G**  
Tormented and torn apart  
**F** **C**  
I wish I could carry your smile and my heart  
**F** **C**  
For times when my life seems so low  
**F** **G**  
It would make me believe what tomorrow could bring  
**Am** **F** **G**  
When today doesn't really know, doesn't really know

## [Chorus]

**C** **G**  
I'm all out of love, I'm so lost without you  
**Am** **F** **G**  
I know you were right believing for so long  
**C** **G**  
I'm all out of love, what am I without you  
**Am** **F** **G** **C**  
I can't be too late to say that I was so wrong

## [Verse 2]

**F** **C**  
I want you to come back and carry me home  
**F** **C**  
Away from this long lonely nights  
**F** **G**  
I'm reaching for you, are you feeling it too  
**Am** **F G**  
Does the feeling seem oh so right  
**F** **C**  
And what would you say if I called on you now  
**F** **C**  
And said that I can't hold on  
**F** **G**  
There's no easy way, it gets harder each day  
**Am** **F G**  
Please love me or I'll be gone, I'll be gone

## [Chorus]

I'm all out of love, I'm so lost without you
